Dr. Ray Tolcacher Superintendent Prosser School District 116 1126 Mead Avenue, Suite A Prosser, WA 99350

Dear Dr. Tolcacher:

After reviewing the results of the recent Washington State Patrol annual inspection, we recognize that your school district has again completed the inspection of school buses with exceptional results. For the past two years, the results in your district have been outstanding.

We congratulate you, your administration, and the staff of your transportation department for these outstanding school bus inspection results. We look forward to your continuing support of student transportation safety.

Keep up the good work.

him P.S. Rayke

Housel Middle School - School Improvement Plan 2016-17

Goal 1: Principal Keeps focus on instructional improvement and student learning:

- Housel Middle School uses a SITE team with department representation so all staff have input. SITE team meets every other week to review program needs and make building level recommendations.
- SITE Team created and updated Professional Development Plan throughout the school year to address ongoing instructional needs.
- Administration completed procedures to evaluate classroom instruction, provide teacher feedback and use this data to drive professional development as part of the teacher evaluation process.

Goal#2: Staff Evaluation and Professional Development:

- Several HMS teachers participated in the AVID Path Training October. HMS has nearly 80% of all HMS teachers AVID trained through Summer Institute or Path Training, 100% of HMS teachers have received ongoing professional development in AVID strategies through the year.
- ELA Consultant provided year-long professional development to align units of study to Washington State Learning Standards, develop common assessments, develop reading and writing workshop model, and develop conferring skills with students.
- Math Consultant provided year-long professional development to align units of study to Washington State Learning Standards, develop common assessments, deepen conceptual understanding of math concepts, and develop rich academic tasks.
- Science Professional Development: HMS Teachers engaged in ongoing work with ESDs 105 and 123 to implement Next Generation Science Standards, align units of study, and develop common assessments.
- HMS Successfully embedded PD throughout the school year in Teacher Evaluation, Classroom Management/Student Discipline, Skyward Student Information System, Academic Vocabulary, Health Standards and Student Assessment.

Goal #3: Extended time for student learning and teacher collaboration.

- HMS Continued to develop and implement the after school Tutorology support program available to all students 3 days a week for 1 hour per day.
- Continue Readiness program and Continued School Day programs to support students in homework completion, study skills, organization, and academic support.
- Bell schedule change to allow classroom/teacher support before school and at lunch.
- Teacher collaboration scheduled as part of the master schedule.

Goal #4: Rigorous Aligned Instruction:

- Housel used SITE ream meetings, staff meetings, department meetings and time working with district consultants to review instructional programs and make recommendations
 - Recommendation to Pilot Agile Minds (Math)
 - Recommendation to modify the scope/sequence of Washington State and US History classes at HMS.
 - Develop book study and coaching cycles of inquiry with Instructional Coach
 - o Ongoing review and use of student data to drive instruction in all departments.

Goal #5: Use of Data for School Improvement:

- Administration team reviewed discipline data that led to changes in discipline program and reporting measures. Trend data inconclusive after changes but provide a baseline for comparison for 2017-18 school year.
- HMS administration and CIS staff reviewed Attendance data to provide level 1, 2, and 3 supports to whole school, small group and selected students. Changes in program personnel made program consistency difficult.
- Department protocols to review common formative and summative assessment data lead to pacing and instructional adjustments in the classroom.
- Review and use of SBA scores to plan assessment calendar and program recommendations.
- Developing tracking system for PBIS implementation in 2017-18 school year.

Goal #6: Safety, discipline, social, emotional and physical Safety

- Received training and developed building plan for Positive Behavior Intervention and Supports. Plan to implement PBIS fully in 2017-18 school year.
- Implemented first of three stages of the bullying Curriculum: "Bully proofing you Schools".
- All staff received phase one and phase two of GAP training.
- Keith Merritt worked with HMS to implement and support emergency preparedness planning and practices.
- School based Mental Health specialist met 60+ students with emotional, behavioral, and drug/alcohol concerns.
- CIS program implementation supported basic needs (hunger, clothing, hygiene supplies, etc) of students in addition to working to improve student attendance at school through level 1, 2, and 3 interventions.

Goal #7: Family and Community Involvement

- Parent representation on the SITE Team
- Parent representation on all hiring committees
- Improved parent communication using all methods available to school officials (email, Skyward, phone, agenda, Parent Conferences, family night, back to school night, and mailings).

SCHOOL BOARD MEETINGS

Prosser School District No. 116 * 1126 Meade Avenue, Suite A * Prosser, WA 99350

Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

How the Board Operates

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Peggy Douglas, President; Andy Howe, Vice-President; Scotty Hunt, legislative representative, Jesalyn Cole and Scott Coleman.

About Board Meetings

Business meetings are held twice each month, usually on the 2nd and 4th Tuesdays. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

About Executive Sessions

The board may occasionally go into executive session, thus excluding the public and the news media from

witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

Study Sessions

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

Addressing the Board

You may present a concern to the board during the time reserved for hearing public comment. If this is the case we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep your comments concise, nonemotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the

hearing section.

Board Hearings

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

About Your Board

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests, and providing for long-range planning.

BOARD PACKET

TO: Board of Directors

SUBJECT: Donation from Yakama Legends Casino

AGENDA: Action

DATE: July 11, 2017

PREPARED BY: Craig Reynolds, Business Manager

Background

The Prosser School District received a donation of \$1,500.00 from Yakama Legends Casino. The donation will be used to support school incentives for Positive Behavior Intervention and Support program implementation at Housel Middle School. We greatly appreciate the help and support from Yakama Legends Casino.

Recommendation:

It is recommended that the Board of Directors accept the donation from Yakama Legends Casino.

Board Packet

Board of Directors

SUBJECT:

Food Service Meal Prices

AGENDA:

Action

DATE:

July 11, 2017

PREPARED BY:

Craig Reynolds, Business Manager

Background

United States Department of Agriculture (USDA) regulations require school districts that participate in the National School Lunch Program to ensure that the average full pay lunch price charged is not less than the difference between the free and paid Federal reimbursement rates. (Free rate is \$3.18; paid rate is \$.32; difference is \$2.86.) This requirement is known as Paid Lunch Equity.

The Federal reimbursement rates are adjusted annually based on the Consumer Price Index. USDA has provided a worksheet that calculates if paid lunch prices need to be increased. This calculation is done annually. For school year 2017/2018, the average paid price should be \$2.86 (but can be rounded down to \$2.85). The weighted average paid price by our district for the 2016/2017 school year was \$2.82; therefore, we need to increase our paid prices by at least \$.03 (see worksheet attached).

Our recommendation is to raise student paid breakfast, lunch and milk prices by \$.05; adult breakfast by \$.10 and adult lunch by \$.25 for the 2017-18 school year.

		2015/2016	2016/2017	2017/2018
Breakfast:	Elementary	\$1.60	\$1.60	\$1.65
	Middle & High	\$1.85	\$1.85	\$1.90
	Adults	\$3.00	\$3.00	\$3.10
Lunch:	Elementary	\$2.60	\$2.65	\$2.70
	Middle & High	\$2.90	\$2.95	\$3.00
	Adults	\$4.00	\$4.00	\$4.25
Milk:		\$.55	\$.60	\$.65

Recommendation

It is recommended that the Board of Directors approve the Meal Price Increase for the 2017/2018 school year.

BOARD PACKET

TO: Board of Directors

SUBJECT: Superintendent's Vacation Buyback

AGENDA: Action

DATE: July 11, 2017

PREPARED BY: Ray Tolcacher, Superintendent

Background:

Pursuant to the Superintendent's contract, "at the Board's discretion, the Superintendent has the option of receiving compensation for a maximum of fifteen (15) days of unused vacation pay per year at the current per diem rate". It also states that vacation shall be taken within the twelve months of the year in which it is earned and shall be cumulative up to 30 days.

It is requested the Board allow the fifteen (15) day vacation buyback as allowed in the contract plus an additional ten (10) days, for a total of twenty-five (25) days. Also, as the contract year ended, there were 40 vacation days remaining in total which leaves 15 vacation days left after the buyout. Because of the heavy workload last summer and during the school year, vacation days were not able to be used as intended. I am requesting to allow these 15 days be carried over to the 2017/18 school year at which time they can hopefully be used.

Recommendation:

It is recommended that twenty-five (25) vacation days be bought back and that 15 unused vacation days be rolled over to the 2017/18 school year.
