- *Regular Board Meeting, April 25, 2017, Keene-Riverview Elementary, 7:00 p.m.*

SCHOOL BOARD MEETINGS

Prosser School District No. 116 * 1126 Meade Avenue, Suite A * Prosser, WA 99350

Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

How the Board Operates

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Peggy Douglas, President; Andy Howe, Vice-President; Scotty Hunt, legislative representative and Jesalyn Cole. Student representatives are Lacey Desserrault, Ali Cox and Liz Bender.

About Board Meetings

Business meetings are held twice each month, usually on the 2nd and 4th Tuesdays. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

About Executive Sessions

The board may occasionally go into executive session, thus excluding the public and the news media from

witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

Study Sessions

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

Addressing the Board

You may present a concern to the board during the time reserved for hearing public comment. If this is the case we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep your comments concise, non-emotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the hearing section.

Board Hearings

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

About Your Board

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests, and providing for long-range planning.

Student Enrollment for March 2017

Board Meeting March 14, 2017

An Executive Session of the Prosser School District Board of Directors was called to order at 6:20 p.m. by Peggy S. Douglas, President. Other Board members present were Andy Howe, Jesalyn Cole and Scotty Hunt. Also in attendance was Dr. Ray Tolcacher, Superintendent and Craig Reynolds, Business Manager. The special meeting was held at Keene-Riverview Elementary MPR, 832 Park Avenue. The purpose of the Executive Session was to receive and evaluate complaints or charges brought against a public officer or employee. – RCW 42.30.110 (1) (f). The Executive Session was expected to last one hour.

The Regular Meeting of the Board of Directors of Prosser School District was called to order at 7:12 p.m. by Peggy S. Douglas, President. Other Board members present included Andy Howe, Scotty Hunt and Jesalyn Cole. Also present were Dr. Ray Tolcacher, Superintendent; Craig Reynolds, Business Manager; Deanna Flores, Assistant Superintendent and Julie Hyatt, Secretary. Student representatives Ali Cox and Lacey Desserrault were also present. There was also an audience of school staff, media and community members. Student Board member Liz Bender was not present. The Board meeting was held at Keene-Riverview Elementary MPR, 832 Park Avenue. Minutes from the February 28, 2017 regular Board meeting were presented and approved.

APPROVAL OF AGENDA:

Motion by Scotty Hunt, seconded by Jesalyn Cole and motion carried unanimously to approve the revised agenda. The revision included the following additions to the agenda: Recognition, Certificated and Classified Personnel and Action Items, Legislative Update and PTA Update.

COMMUNICATIONS:

WSSDA Regional Meetings

Proclamations:

- School Retirees Appreciation Week
- Classified Public School Employee Week

Recognition:

- **Dr. Warren Barmore** – President Douglas presented Dr. Barmore with a plaque, recognizing his many years of service to the school district.
- **Scotty Hunt** – Dr. Tolcacher presented Scotty Hunt with a plaque recognizing his dedicated efforts and leadership in the successful passing of the recent school bond.

INFORMATION ITEMS:

PHS Lifeskills/Transition/Champs Field Trip

Randy Walker, lifeskills teacher reported that his class worked to produce a product, fundraise and plan a field trip to extend their skills in their transition from school to life. The students, as part of their skill development prior to leaving PHS, will be provided experience in scheduling, planning, transportation, food, problem-solving and crowd experience. The Champs Club fundraised in order to pay for tickets, transportation and food for a grand experience of traveling to Seattle for a Mariners game during the first part of June. All of the necessary activity trip documents including parent permission will be completed along with evaluation of medical requirements and supervision. Due to the needs of Lifeskills students, Mr. Walker requested an exception to our normal travel/bus policy, that they be able to secure a charter bus in lieu of a school bus for the trip.

Board Meeting March 14, 2017

Legislative Update

Scotty Hunt provided binders to the Board members with legislative updates through Week 9. He will continue to provide the members with updates as they become available. Legislative Updates will be added to the agenda during the time the legislature is meeting. Dr. Tolcacher will invite our 16th district legislators to a Board meeting, possibly during a study session.

PTA Update

Jani Andrews reported on PTA membership as well as some of their recent events and upcoming activities. Sally Juzeler will speak at their next meeting on April 10 at Prosser Heights Elementary.

PROTOCOL FOR ADDRESSING BOARD:

Dr. Tolcacher did not read the Protocol for addressing the Board.

HEARING OF VISITORS:

None

REPORTS:

Assistant Superintendent's Report

- Career Fair in Spokane Tomorrow
- District Award Nominations Due Next Friday
- Continuing with WSU-Tri-Cities Advisory Board Membership
- Crystal Apple Award Ceremony Last Week

Business Manager's Report

Kooper Blair was hired as the head 8th grade baseball coach at Housel Middle School.

Approval of Minutes

Minutes from the February 28, 2017 regular board meeting were presented.

Contracts and Personal Service Agreements:

CONTRACTS/AGREEMENTS:

1. A & A Motorcoach Contract- Whitstran Elementary:

Whitstran Elementary 5th grade class will be going to Seattle for their end of year field trip and will be using an A & A Motorcoach bus to transport them there.

Students raise money every year through a chocolate sale fundraiser. The cost for the A & A bus will be \$3,021.74 and will be funded through the 5th grade ASB budget.

Volunteer Coaches

Juan Muñoz and Eliazar Muñoz completed paperwork to be volunteer soccer coaches.

OLD BUSINESS:

- Committee on Student Athlete Drug Testing – Scotty Hunt reported the name of this committee will be Safe and Drug Free Schools Advisory Committee. An update was distributed.

ACTION ITEMS:

Authorization for Superintendent to Begin Process to Hire Construction Management Consultant

As a result of the successful approval of the February 14, 2017 bond election, the District began the process for the next steps needed to begin the project. As an important component of this process, the Board authorized the Superintendent to begin the work to hire the needed construction management consultant.

Board Meeting March 14, 2017

Motion by Andy Howe, seconded by Jesalyn Cole and motion carried unanimously to authorize the Superintendent to begin the process for the hiring of a construction management consultant.

Authorization for Superintendent to Begin Process to Hire Project Surveyor and Geotechnical Consultant

As a result of the successful approval of the February 14, 2017 bond election, the District began the process for the next steps needed to begin the project. As an important component of this process, the Board authorized the Superintendent to begin the work to hire the needed project surveyor and geotechnical consultant.

Motion by Andy Howe, seconded by Jesalyn Cole and motion carried unanimously to authorize the Superintendent to begin the process for the hiring of the project surveyor and geotechnical consultant.

Donation from Paws Natural Pet Emporium

Prosser School District received a donation of \$550 from Paws Natural Pet Emporium. The donation will go into the Washington High School Equestrian Team ASB account.

Motion by Andy Howe, seconded by Scotty Hunt and motion carried unanimously to accept the donation from Paws Natural Pet Emporium.

Donation from Grandview Bleyhl Farm Services

Prosser School District received a donation of \$500 from Grandview Bleyhl Farm Services. The donation will go into the Washington High School Equestrian Team ASB account.

Motion by Scotty Hunt, seconded by Andy Howe and motion carried unanimously to accept the donation from Grandview Bleyhl Farm Services.

Vouchers

"The following vouchers as audited and certified by the auditing officers, as required by RCW 42.24.080, and those expense reimbursement claims certified, as required by RCW 42.24.090, are approved for payment.

General Fund Voucher numbers 190860 through 190949 totaling \$270, 485.00
Associated Student Body Fund Voucher numbers 184791 through 184819 totaling \$21,642.70".

Motion by Andy Howe, seconded by Jesalyn Cole and motion carried unanimously to approve the accounts payable vouchers, payable March 17, 2017.

Request for Waiver of Missed School Days Due to Inclement Weather

As a result of the unexpected and unusually high amount of missed school days around the state due to inclement weather, the Governor issued proclamations in January, which provide an opportunity for school districts to apply to have some school days, which were missed due to bad weather, "waived" by OSPI (Office of Superintendent of Public Instruction). Prosser School District cancelled school on eight different days, due to hazardous weather conditions. This request will seek to have five of those days waived or "forgiven".

Board Meeting March 14, 2017

Motion by Andy Howe, seconded by Jesalyn Cole and motion carried unanimously to approve the request to waive a total of five school days missed due to inclement weather.

DISCUSSION ITEMS:

High School Spring Registration Process

PHS Principal Kevin Lusk distributed information about the revised registration process. Denine Trump, Kody Hayes and Linda Ledesma, counseling department staff, joined Mr. Lusk for the presentation. Kevin explained in detail the many factors which are considered in preparing the high school schedule.

Nanette Stark explained the process each counselor goes through in the last few days leading up to the first day of school.

Discussion and Questions

Several Board members asked clarifying questions of the counseling staff. These questions included the process for handling scheduling conflicts, Skyward's role in scheduling and how schedule changes are made.

Meeting with Architect and Bond Consultant

Discussed previously in the meeting. Dr. Tolcacher will notify the Board of upcoming meetings with the architect and bond counsel.

Change of Date for Next Board Meeting

The date of the next Board meeting was changed due to the Recruiting Fair in Tacoma on March 29.

Motion by Scotty Hunt, seconded by Andy Howe and motion carried unanimously to change the date of the next Board meeting from March 28 to March 27.

ADJOURNMENT:

Motion by Andy Howe, seconded by Scotty Hunt and motion carried unanimously to adjourn the meeting at 8:53 p.m.

FUTURE MEETINGS:

- Special Board Meeting, March 21, 2017, Time and Location TBD
- Regular Board Meeting, March 27, 2017, Keene-Riverview MPR, 7:00 p.m.

Clerk to the Board

Board President

Secretary to the Clerk of the Board

Special Board Meeting March 21, 2017

An Executive Session of the Board of Directors of Prosser School District was called to order at 6:00 p.m. by Peggy Douglas, President. Other Board members present included Andy Howe, Jesalyn Cole and Scotty Hunt. Others in attendance were Dr. Ray Tolcacher, Superintendent and Julie Hyatt, Secretary. The meeting was held in the Staff Development Room, 1500 Grant Avenue, Prosser, WA.

The purpose of the Executive Session was for the Board to receive and evaluate complaints or charges brought against a public officer or employee. RCW 42.30.110 (1) (f). The Executive Session was expected to last 30 minutes.

The Executive Session was adjourned at 6:29 p.m.

RESUME SPECIAL BOARD MEETING:

The Special Board Meeting was resumed at 6:30 p.m. in open session for the purpose of interviewing candidates for the vacant Board position.

APPROVAL OF AGENDA:

Motion by Scotty Hunt, seconded by Andy Howe and motion carried unanimously to approve the agenda.

INTERVIEWS OF CANDIDATES:

Scott Coleman was interviewed.

Mikki Symonds was interviewed.

ADJOURNMENT:

The Special Meeting was adjourned at 7:25 p.m.

EXECUTIVE SESSION:

BOARD PACKET

TO: Board of Directors

SUBJECT: Resolution 01-17: To Approve the Study & Survey for Prosser School District

AGENDA: Action

DATE: March 27, 2017

PREPARED BY: Craig Reynolds, Business Manager

Background:

The Prosser School District Board of Directors appointed a Study & Survey Task Force in early 2015. The District hired Architects West to not only complete the Study & Survey in accordance to State Law but also facility planning. Many meetings were held by the Task Force including public meetings, for input and discussion.

The Study & Survey report is now completed (attached).

The approval of this requirement will enable the District to recover the \$10,000 that was paid to the architect for these services.

Recommendation:

It is recommended that the Board of Directors adopt Resolution No. 01-17 To Approve the Study & Survey for Prosser School District.

PROSSER SCHOOL DISTRICT
RESOLUTION NO. 01-17

TO APPROVE THE STUDY & SURVEY FOR
PROSSER SCHOOL DISTRICT

WHEREAS, it is the desire of the Board of Directors to implement a planning process for the provision of the necessary facilities to meet the educational needs of the patrons of this district, and

WHEREAS, a committee comprised of parents, staff, board members and the public completed a study and survey report in 2017, and

WHEREAS, the resulting study and survey encompassed all elements of planning including: enrollment projections, evaluation of existing facilities, analysis of future educational needs, possible community characteristics affecting the use of the facilities and a measure of the district's financial capabilities, and has been completed for consideration by OSPI and the State Board of education.

NOW, THEREFORE BE IT RESOLVED, the Board of Directors of Prosser School District does now approve and adopt the Study and Survey report completed in February 2017.

CHAPTER 13

INTRODUCTION

The Prosser School District engaged the services of Architects West to provide consultant services for a Study and Survey of the district facilities. The task was to review the previous documents and revise as necessary to reflect the current status of each of the district's facilities. This study included the completion of a building condition evaluation form for each individual educational structure in the district.

The purpose of a long range facility plan is to provide the district with a working document which can be continually upgraded and become a data base to be used to assist in making decisions relative to maintenance and expansion of facilities. The completion of this study will also meet the requirements of OSPI as a first step toward applying for state funding for building construction. It will be used to establish the School District's eligibility for State Assistance for School Facilities, whether it consists of new construction or the modernization of an existing facility or eligible portion of a facility. The study becomes the key document in supplying information used by OSPI in their project approval process.

An application for a planning grant was submitted and approved from OSPI to assist in developing the assessment. The request proposed to evaluate the facilities to identify their functional and educational adequacy and potential for modernization.

This analysis represents an updated review of building conditions. The district's facilities represent a significant financial investment on the part of the school district patrons. The proposed projects are submitted by the Prosser School District in an effort to be good stewards of these valuable assets. This process of review and assessment is continual so the document will be adjusted regularly to reflect new information.

(1) An inventory and area analysis of existing school facilities within the District, a description of the types and kinds of systems and sub-systems used in those facilities and their physical condition.

Prosser Falls Education Center

1500 Grant Ave, Prosser, WA 99350

Prosser Falls Education Center

This building was originally constructed in 1970. It is a post and pier foundation with framed floor and walls. The roof structure is pre-engineered trusses, with asphalt shingle roofing. The siding is plywood. The site is fairly small, although there is some offstreet parking which is shared with the adjacent special services and District training room.

Keene-Riverview Elementary

832 Park Ave, Prosser, WA 99350

Keene-Riverview Elementary

This school was originally constructed in 1949 with additions and modernizations in 1985. The construction is standard slab on grade with framed exterior walls and brick veneer. The roof structure is low sloped with a membrane roof. The additions in 1985 were of the same type as the original construction.

The site is irregularly shaped containing approximately 8 acres with little off-street parking.

Prosser Heights Elementary School

2008 Miller Ave, Prosser, WA 99350

Prosser Heights Elementary

Prosser Height Elementary was originally constructed in the 1960s. The structure is primarily post and beam on concrete slab with a subtle roof pitch. The original windows and doors are in use and are thermally not broken and at the end of their useful life. The building has never received SCAP funding for modernization. An addition was constructed in 1986 with similar appearance to the original structure.

The site is of adequate size, but lacks adequate off-street parking.

PROSSER HEIGHTS ELEMENTARY SCHOOL AREA SF SUMMARY BY PHASE

Whitstran Elementary School
102101 W Foisy Rd, Prosser, WA 99350

Whitstran Elementary

Whitstan Elementary is a largely untouched classic 1950s rural elementary school. It is a slab on grade, post and beam construction with a low slope roof. The roof has a membrane surface. There was a limited modernization performed in 1985, which was not a SCAP funded project. The exterior walls have brick veneer.

The site is good sized, but new construction potential is limited due to lack of capacity in the existing on-site sewage disposal system.

Housel Middle School

2001 Highland Dr, Prosser, WA 99350

Housel Middle School

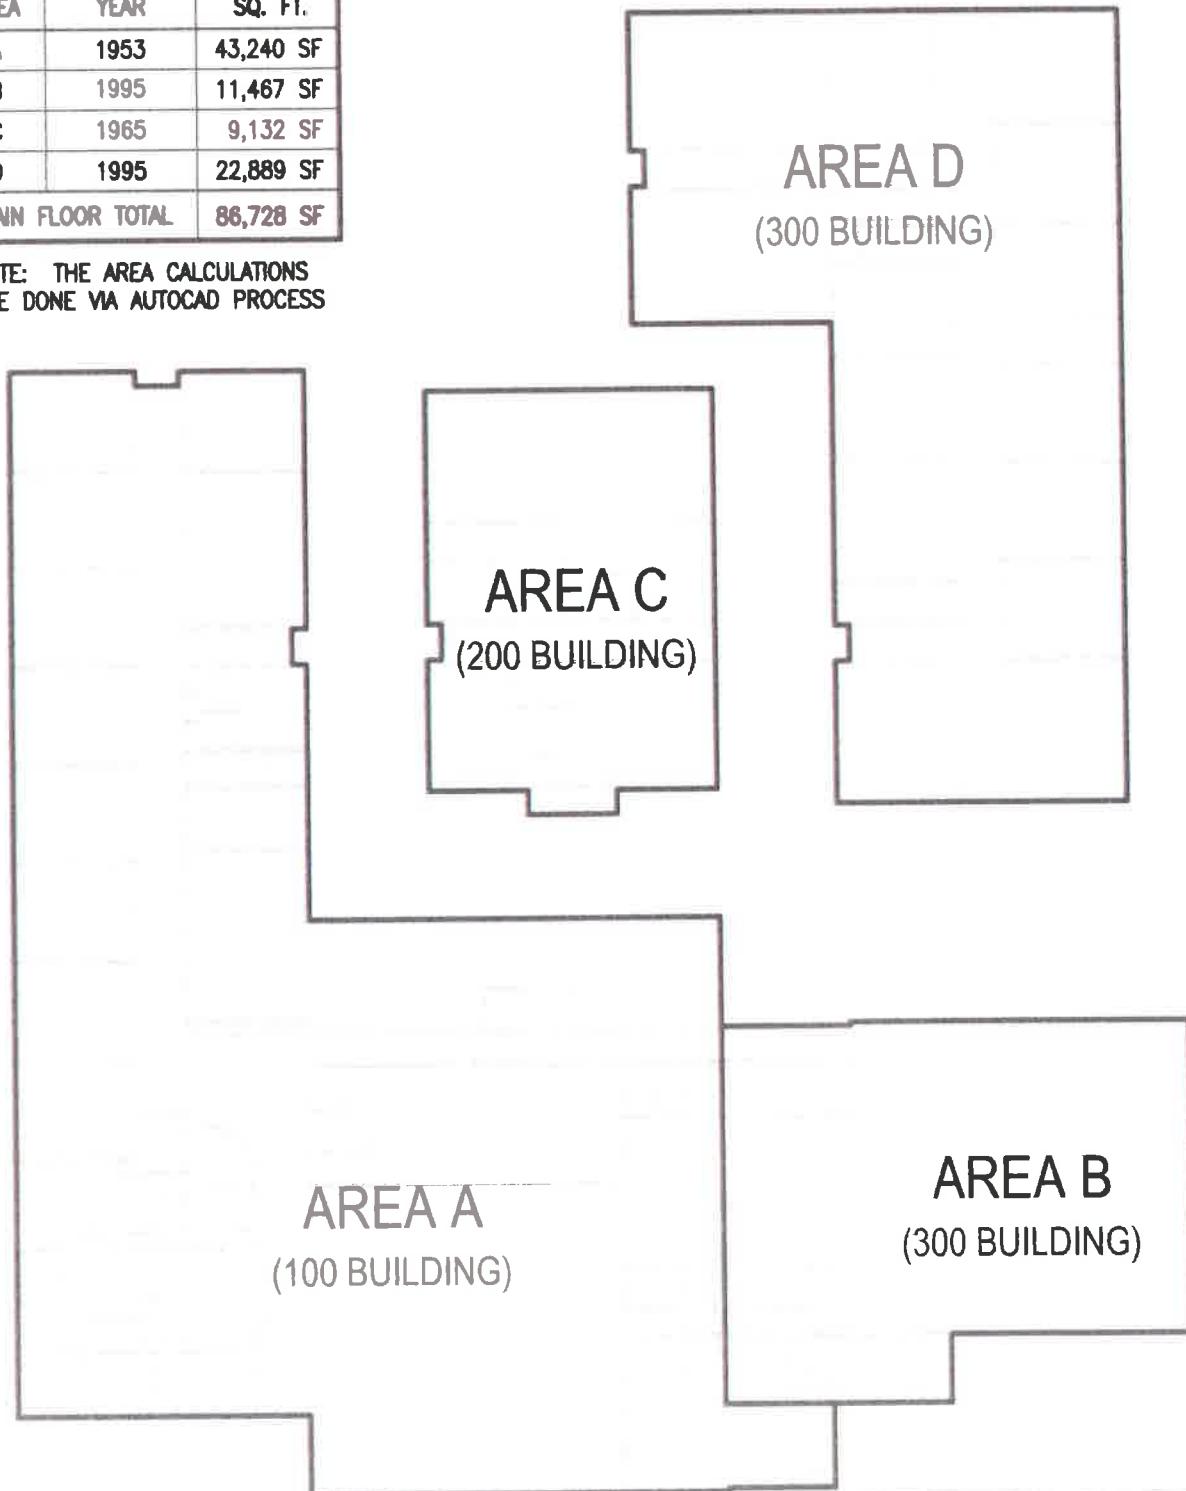

The original portions of the building were constructed in the 1960s with additions and an extensive modernization in 1995. The original portions of the building were constructed of masonry with low or moderately pitched roofs. The later modernization introduced pitched roofs to create a mechanical space and the newly constructed spaces are of pitched roof structure achieved with pre-engineered wood trusses. Most of the 1995 addition is framed walls with stucco and some CMU veneer. Roofing is asphalt shingle in those areas.

The building is well maintained and functional, but systems are aging.

There is some off street parking and adequate playfields.

HOUSEL MIDDLE SCHOOL AREA SF SUMMARY BY PHASE

Prosser High School

1203 Prosser Ave, Prosser, WA 99350

Prosser High School

The original (historic) portions of Prosser High School were built in the 1920's and 1930's. It is a framed structure with brick veneer in the classroom areas. The roof is of low-slope design. There is a Multipurpose room with stage. There were additions made in the 1960s which include Science and Family & Consumer Science classrooms, as well as a gymnasium. The structure is primarily post and beam with block and brick veneer, with a shallow pitched roof. The Gym is tilt-up concrete. A separate Vo-Ag shop and associated classrooms was constructed in the 1970s. The structure of this facility is CMU with a low slope roof of steel joists. The last major construction was an infill addition done in the 1980s that houses administrative areas. It also appears that a non-SCAP funded modernization of some of the historic building occurred at that time. The addition is tilt-up concrete with a low slope roof structure. Most of the HVAC throughout the building is from the 1980s. Additionally, the District acquired an old church building on a contiguous property, parts of which date from the 1920s with a 1960s addition. The church is essentially unmodified.

The site is less than 8 acres and has limited playfields and exceedingly substandard off street parking.

(2) A long-range educational and facilities plan setting forth the projected facility needs and priorities of the District based on the educational plan.

Prosser School District Study & Survey

A long-range educational and facilities plan setting forth the projected facility needs and priorities of the District based on the educational plan.

EXECUTIVE SUMMARY

Background and Organization – Prosser School District has completed a detailed study to identify options for housing students in the most satisfactory and cost-effective manner in the future.

The district has developed a long range master plan, reviewed important data about the school district and its facilities. They have looked into the future at what conditions are likely to exist, identified what the school district should look like in the future. From this they have developed a plan to accomplish their goals.

The product of the study is this report which contains the salient points of a long range study of the District which has evaluated the educational and physical capabilities of Prosser school buildings, as well as their capacity. This was established as **“what is”** and has been compared to **“what will be”** required to adequately house the anticipated numbers of students in the future.

Scope of the Study The study focused on the following priorities:

1. Provide enough facilities to house the expected number of students.
2. Correction of health and safety code deficiencies.
3. Ensure that the buildings provide adequate support to the instructional program of the District
4. Improvement or replacement of existing school facilities, as required, in a timely manner in order to improve and protect the taxpayer's investments.

ISSUES STUDIED

Building Capacity This study evaluated projections on future enrollment to identify whether the school buildings can accommodate the anticipated number of students and found that although modest growth is projected by the cohort survival projections, other factors will likely contribute to accelerated student population growth.

Program Support This study reviewed the buildings on the district's inventory. It determined the capability of the buildings to support the educational program desired in the district. A separate report dealing with functional adequacy was generated.

Building Compliance Of importance is the code compliance and physical condition of the buildings and their ability to provide a safe and healthful environment within which the educational process can take place.

Anticipated Outcomes of the Study

The anticipated outcomes of the study and resultant actions are:

1. To ensure that students are housed in facilities that is safe and healthful.
2. To ensure that facilities are capable of supporting the Prosser School District's educational program.
3. To ensure that – at various points in time – the student capacities of school facilities are matched to the expected number and location of students.
4. To ensure that school facilities are provided and operated through the most cost-effective process.

The Long-Range Facilities Plan of the District

The following plan is the result of careful study and thoughtful input of various groups within the district:

1. The District will modernize and add student population capacity at each of their three elementary schools.
2. The District will construct a new High School on a new (adequately sized) site.
3. The District will preserve the asset it has in the middle school without tapping into OSPI SCAP resources to maintain that eligibility for potential assistance in future years as student population changes.
4. The District will improve safety and security District-wide.

(3) Demographic data including population projections and projected economic growth and development.

Prosser School District Study & Survey

Demographic data including population projections and projected economic growth and development.

(5) Existence of School Housing Emergency

Prosser School District Study & Survey

Existence of School Housing Emergency

The Prosser School District does not have a school housing emergency.

*(6) The need to improve racial balance
and/or avoid creation or aggravation of
racial imbalance.*

Prosser School District Study & Survey

The need to improve racial balance and/or avoid creation or aggravation of racial imbalance

The Prosser School District has a single attendance zone for each grade level. The percentage of minorities and their distribution in the district are such that racial imbalance does not present a problem in Prosser School District.

The Prosser School District is cognizant of its responsibility to meet the requirements of WAC 180-26-025.

WAC 180-26-025 states as follows:

"Racial imbalance prohibition – Definition and acceptance criteria. The Superintendent of Public Instruction shall not accept a site unless the applicant district provides assurances that its attendance policies for the proposed or modernized school facility will not create or aggravate racial imbalance within the boundaries of the applicant school district. For the purposes of this chapter, racial imbalance shall be defined as the situation that exists when the combined minority student enrolment in a school plant facility exceeds the district-wide combined minority average by twenty percentage points, provided that the single minority enrolment (as defined by current federal categories) of a school plant facility will not exceed fifty percent of the school plant facility enrolment. This section shall not apply to public schools located on American Indian Reservations."

WAC Provisions
For Reference...

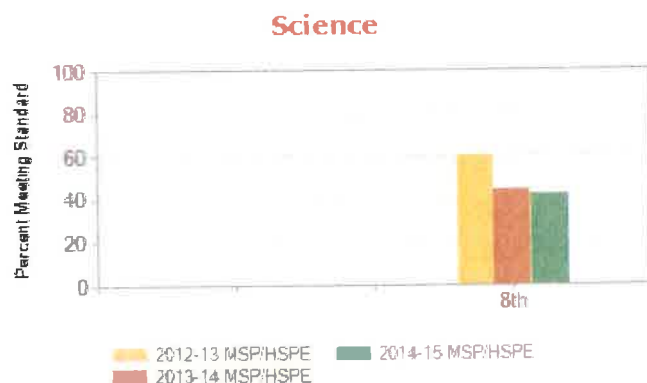

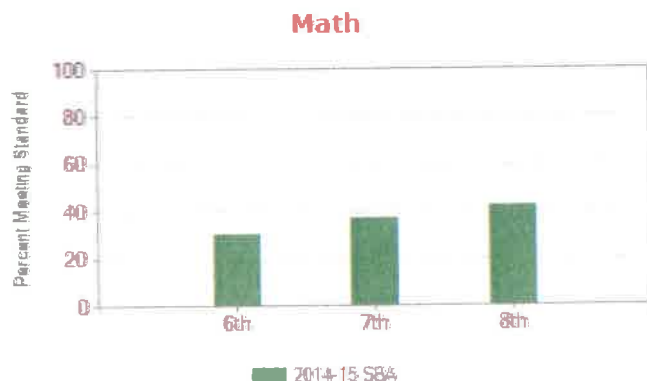

- WAC 392-342-025:
- 1) When a school district has a combined minority enrollment of less than 50%, racial imbalance is defined as:
 - a) when the combined minority enrollment of a school exceeds the district-wide combined minority percentage by 20 percentage points or more; or
 - b) when a school's enrollment of a single minority group with a district-wide combined minority of less than 30% exceeds 50%; or
 - c) when a school's enrollment of a single minority group with a district-wide combined minority of 30% or more exceeds the minority group's district-wide percentage by 20 percentage points or more.
 - 2) When a school district with a district-wide combined minority of greater than 50%
 - a) when the combined minority enrollment of a school varies from the district-wide combined minority percentage by more than plus or minus 25 percentage points
 - b) when a school's enrollment of a single minority group with a district-wide combined minority of less than 30% exceeds 50%; or
 - c) when a school's enrollment of a single minority group with a district-wide combined minority of 30% or more exceeds the minority group's district-wide percentage by 20 percentage points or more.
 - 3) A school district with a district-wide combined minority enrollment that exceeds 50% and consists of two or more minority enrollments which are each greater than 20%
 - a) when the combined minority enrollment of a school varies from the district-wide combined minority percentage by more than plus or minus 25 percentage points
 - b) when a school's enrollment of a single minority exceeds the combined district-wide minority percentage

* End of Course (EOC) Biology is administered in any grade in which the course is offered. Prior to 2015, EOC Math exams were given in any grade in which the course is offered and served as the state's accountability test in mathematics. As of 2015, EOC Math tests are taken only for the purpose of meeting assessment graduation requirements by students in the classes of 2018 and prior.

** The "Makeup" exam was given to students who had already completed the Year 1 or Year 2 coursework. It was not a "retake".

(7) The type and extent of new and/or additions to existing school facilities required and the urgency of need for such facilities.

Prosser School District Study & Survey

Type and extent of new and/or additions to existing school facilities

The Prosser School District's New Construction Plan is based on areas of concern identified in community meetings and forums. Capital Facility needs have been assessed and a construction plan has been developed.

The District's new construction plan is primarily to address growth, program changes and community use.

Construction Projects for Added Capacity

Project	Estimated Cost	Added Capacity
Add new Instructional Space at Elementaries	\$11.2 million	Added capacity for approximately 150 students. Most of the area will be used to permanently house students who are currently in portables.
New High School	\$41.5 million	Added capacity of approximately 235 students (many housed in existing portables at the existing high school.) New-in-lieu construction addresses programming and site challenges at existing facility.

(8) A cost/benefit analysis on the need to modernize and/or replace existing school facilities in order to meet current educational needs and the current state building code.

Prosser School District Study & Survey

Cost Benefit Analysis for Modernization or Replacement of Existing School Facilities

Introduction

The Prosser School District's New Construction Plan and Modernization Plan are based on areas of concern identified in community meetings and forums, as well as the Building Condition Assessments. Capital Facility needs have been assessed and a construction/modernization plan has been developed. The High School is slated for replacement.

Determination for Modernization

The High School received extensive debate as to the merits of modernization versus replacement. While the cost for modernization is slightly less than replacement, the fact that the current High School site is inadequate in size and would require cooperation from adjacent landowners, was the ultimate deciding factor in new construction versus modernization. The historic portion of the existing High School, as well as the existing gymnasium are planned to remain as non-educational space to address the concerns of the historic status of the existing building.

The Elementary schools are all on adequate sites and while aged have reasonable bones as candidates for modernization. The cost savings of modernization over replacement was the deciding factor in pursuing modernization.

Elementary School Package #1

Add/Modify at Keene-Riverview	\$19.0 Million Total	\$11.0 Million Local
Add/Modify at Prosser Heights	\$17.5 Million Total	\$10.1 Million Local
Add/Modify at Whitstran	\$8.7 Million Total	\$5.4 Million Local

----------------------------	----------------------	----------------------

High School Package

New High School	\$61.1 Million Total	\$40.8 Million Local
Add/Modify at Existing High School	\$56.8 Million Total	\$36.5 Million Local

(9) The need and the estimated capital cost to restore to design specifications the major building systems and subsystems that have deteriorated due to deferred maintenance.

Prosser School District Study & Survey

The need and the estimated capital cost to restore to design specifications the major building systems and subsystems that have deteriorated due to deferred maintenance.

The Prosser School District has traditionally been aggressive in the maintenance of the facilities that have been entrusted to their care. None of the proposed capital projects are as a result of deferred maintenance.

Projects proposed in the Capital Facilities Plan are the result of student population growth, programmatic change, code revisions or replacement of systems due to age.

(10) A determination of the District's time line for completion of the school facilities project.

Prosser School District Timeline

December 2014	Building Condition Assessments performed.
January 29, 2015	Kick-off Meeting
February 19, 2015	First meeting of the Facilities Task Force Presentation of initial data

June 2022	Occupy third Elementary Add/Mod project

(11) An inventory of accessible unused or underutilized school facilities in neighboring school districts and the physical condition of such school facilities.

Prosser School District Study & Survey

An inventory of accessible unused or underutilized school facilities in neighboring school districts and the physical condition of such school facilities.

Attached find letters from adjacent Districts, as well as a resolution from the School Board acknowledging the results of this survey.

**PROSSER SCHOOL DISTRICT No. 116
RESOLUTION No. 06-16: Adjacent Districts' Survey**

WHEREAS, the WAC 180-25-025 (13) and WAC 180-25-070 require each school district applying for state construction funds to conduct a documented survey of available and suitable school facilities in each contiguous school district that meets the needs of the applicant school district and are either currently vacant or scheduled to be vacated within five years, and

WHEREAS, the school districts that are contiguous to Prosser School District are the Bickleton, Grandview, Kiona-Benton, Mabton, Paterson, Richland and Sunnyside School Districts.

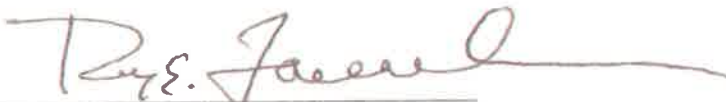

WHEREAS the appropriate administrative personnel in the aforementioned School Districts have provided a letter certifying the availability or non-availability of school facilities within their district, and

WHEREAS, the Prosser School District has reviewed the documentation provided in the surveys from those School Districts,

NOW, THEREFORE BE IT RESOLVED, by the Board of Directors of Prosser School District, Board of Directors hereby certified to the Superintendent of Public Instruction as required by WAC 180-25-080(2) that no suitable space is available in the adjacent School Districts.

(12) The need for adjustments of school attendance areas within the district.

Prosser School District Study & Survey

The need for adjustments of school attendance areas within the district.

The Prosser School District consists of three elementary schools, one middle school and one high school. No attendance boundary adjustments are planned at the present time.

(13) Such other matters as the Superintendent of Public Instruction deem pertinent to decision making in the attention of funds for school facilities.

BOARD PACKET

TO: Board of Directors
SUBJECT: Donation from Prosser United Good Neighbors
AGENDA: Action
DATE: March 27, 2017
PREPARED BY: Craig Reynolds, Business Manager

Background

The Prosser School District has received a donation of \$1,000 from Prosser United Good Neighbors. The donation will go into the Washington High School Equestrian Team Associated Student Body account and will be used for meals and lodging for Prosser students.

Recommendation:

It is recommended that the Board of Directors accept the donation from Prosser United Good Neighbors.

The following vouchers, as audited and certified by the Auditing Officer as required by RCW 42.24.080, and those expense reimbursement claims certified as required by RCW 42.24.090, are approved for payment. Those payments have been recorded on this listing which has been made available to the board.

As of March 27, 2017, the board, by a _____ vote, approves payments, totaling \$209,085.29. The payments are further identified in this document.

Total by Payment Type for Cash Account, GF WARRANTS PAYABLE:
Warrant Numbers 190950 through 191084, totaling \$209,085.29

BOARD PACKET

TO: Board of Directors

SUBJECT: Out-of-State Travel: Summer Training for Advancement Via Individual Determination (AVID)

AGENDA: Action

DATE: March 27, 2017

PREPARED BY: Deanna Flores, *Assistant Superintendent*

Background

AVID (Advancement Via Individual Determination) is a college and career readiness system designed to increase the number of students who enroll in college and are prepared for careers. Although AVID serves all students, it focuses on the least served students in the academic middle. AVID raises expectations for students and puts in place a support system to help them rise to the challenge. Students are given group and individualized support to achieve success. Each year the Board of Directors has approved an AVID contract that provided staff from Keene-Riverview Elementary, Whitstran Elementary, Prosser Heights Elementary, Housel Middle School and Prosser High School to receive AVID training. As part of that original contract the district committed to the continuation of training and ongoing implementation of the program.

Prosser School District started hosting AVID Path Training three years ago where the bulk of our AVID training is taking place. However, there are several training options that are not offered. This is why we will be sending staff from Whitstran Elementary School, Prosser Heights Elementary School, Housel Middle School and Prosser High School to AVID Summer Institute in the summer and requires out-of-state travel. The AVID District Director will also attend, as is required every three years. The training will be held in Anaheim, California from July 5 – July 7, 2017 and San Diego, California from August 1 – August 3, 2017. The cost of this training will be funded by the following: Title I, and Title II. This expense has already been approved in the 2016 – 2017 budget. This request is for approval of out-of-state travel only.

Recommendation:

Recommend approval of out-of-state travel for AVID training.

BOARD PACKET

TO: Board of Directors

SUBJECT: Agreement Between Prosser School District and Valley Theater Company

AGENDA: Action

DATE: March 27, 2017

PREPARED BY: Dr. Ray Tolcacher, *Superintendent*

Background:

The purpose of this agreement between the Prosser School District and the Valley Theater Company is to engage in a joint production of *Bye Bye Birdie* in the spring of 2018. The production will take place on April 27, 28, 29, May 4 and 5, 2018. This project and agreement has been reviewed and approved by the District's attorney and our insurance company.

Recommendation:

Approve Joint Production Agreement between the Prosser School District and the Valley Theater Company for the 2018 production of *Bye Bye Birdie* at the Princess Theatre.

JOINT PRODUCTION AGREEMENT

This Agreement made and entered into this 2nd day of March, 2017, by and between Valley Theater Company (hereinafter referred to as "VTC") and Prosser School District dba Prosser High School Drama Club, (hereinafter referred to as "District") and hereinafter collectively called the "Parties":

In consideration of the mutual agreements and terms and conditions of this Agreement, VTC and the District agree as follows:

1. PURPOSE.

The purpose of this Agreement to set forth terms and conditions of a joint production and presentation of "Bye Bye Birdie" (hereinafter referred to as "Production"). The production and presentation of Bye Bye Birdie will occur in the spring of 2018. Performance dates include April 27, 28, 29, May 4 and May 5, 2018, with possible other dates be agreed upon mutually by the parties. The Production will be presented at the Princess Theater, Prosser, Washington, or at another location if mutually agreed to by the Parties.

2. TERMS OF PRODUCTION.

A. Kimberly Starr will serve as director of the production regardless of her employment status with the District, L.J. Da Corsi will serve as assistant director, and John Paul Estey will serve as student supervisor.

B. In the event Kimberly Starr is no longer the advisor for the Prosser High School Drama Club, the successor advisor may, if desired, be involved in some facet of the Production, to be mutually agreed upon by the District and VTC.

C. Further, if Kimberly Starr is no longer the advisor for the Prosser High School Drama Club, the District may, if so desired, withdraw from this Agreement in its entirety by notifying VTC of its desire to do so by December 31, 2017.

D. Prosser High School Drama Club will provide manpower, including direct student involvement, toward technical elements of the Production. VTC may offer potential mentorship roles for students. Prosser High School students will not be allowed to use ladders or power tools while participating in any aspect of the Production.

E. Casting and auditions shall be open to the general public for the Production.

F. VTC will develop and control the Production budget. VTC will provide publicity for the Production. The District may supplement VTC's publicity.

3. CONSIDERATION.

A. The District will pay from the Prosser High School Drama Club ASB account \$1,000.00 to VTC to be used for the costs of production of "Bye Bye Birdie" as described in paragraph 1 of this Agreement.

B. Upon completion of the Production of "Bye Bye Birdie", as set forth in this Agreement, VTC will pay \$1,000.00 to the District for the benefit of the Prosser High School Drama Club ASB account. In addition, VTC shall pay ten percent (10%) of ticket sales taken in from the production of "Bye Bye Birdie" to the District for the benefit of the Prosser High School Drama Club ASB account.

4. MUTUAL HOLD HARMLESS.

VTC shall not be responsible or liable for the actions taken by the District or any member and/or representative thereof during the production of Bye Bye Birdie that is a subject of this Agreement. The District agrees to hold VTC harmless for any actions or activities entered into by the District during the course of the production of Bye Bye Birdie that is a subject of this Agreement.

The District shall not be responsible or liable for the actions taken by VTC or any member and/or representative thereof Bye Bye Birdie that is the subject of this Agreement. VTC agrees to hold the District harmless for any actions or activities entered into by VTC during the course of the production of Bye Bye Birdie that is subject of this Agreement

5. INSURANCE.

Each party shall secure, and continuously carry in effect, with an insurance company or companies reasonably acceptable to the other, the following insurance policies:

Each party shall maintain insurance for bodily injury and property damage. Such insurance shall include: provisions or endorsements naming the other party and its elected officials, officers, agents, employees, and volunteers as additional insureds; provisions that such insurance is primary insurance with respect to the interest of each party, and that any insurance maintained by the party is excess and not contributory insurance with insurance required hereunder; and provisions or endorsements to include broad-form comprehensive liability and blanket contractual liability. Initial limits of liability for all requirements

under this paragraph shall be \$1,000,000.00 each occurrence and \$2,000,000.00 general aggregate.

All insurance policies required hereunder shall contain provisions that such policies shall not be canceled or their limits of liability reduced without thirty (30) days prior written notice to the other party. Each party shall provide the other with a Certificate of Liability Insurance naming the other, and its elected officials, officers, agents, employees, and volunteers as additional insureds. It is expressly understood and agreed that it is the intention hereof to constitute a waiver and release of any and all subrogation rights which may have under any such insurance policies.

6. BACKGROUND CHECKS.

All persons participating in the Production of Bye Bye Birdie, as set forth in this Agreement, shall be required to submit to a criminal background check, prior to having any involvement or participation in the Production of Bye Bye Birdie. VTC and the District reserve the right to exclude any person, found to have criminal violations on his or her record, from production of Bye Bye Birdie that is the subject of this Agreement.

7. BINDING AGREEMENT.

This Agreement shall be binding upon and for the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

8. ENTIRE AGREEMENT.

This Agreement represents the entire agreement of the parties hereto, and both parties agree that there are no other agreements between them concerning the subject matter herein.

BOARD PACKET

TO: Board of Directors
SUBJECT: Amendment to Policy 3122: Excused and Unexcused Absence
AGENDA: Discussion
DATE: March 27, 2017
PREPARED BY: Dr. Ray Tolcacher, *Superintendent*

Background:

At the beginning of the 2016-2017 school year, the legislature enacted new provisions to the existing laws regarding school attendance. As a result of those changes, the administrative team has been working on finalizing the new policy and procedure for Policy No. 3122. One of the new requirements for the 2016-2017 school year included a provision that all parents were required to sign a statement that they had been made aware of the importance of regular school attendance and how that correlates to academic success at all grade levels. To that end, parents were notified and required to acknowledge that they understood the importance of regular school attendance for their students. That letter, which was available in both English and Spanish, is attached as well as the amended policy and procedure.

Recommendation:

Review amended Policy No. 3122 to prepare for First Reading in April.

PROSSER SCHOOL DISTRICT

DEDICATED TO EDUCATING, GRADUATING AND
EMPOWERING ALL STUDENTS TO BECOME RESPONSIBLE
MEMBERS OF SOCIETY

1126 Meade Avenue Ste. A, Prosser, WA 99350

Phone 509-786-3323

Fax 509-786-2062

Dear Parent/Guardian of Prosser School District Students,

This year, Prosser School District is making a special effort to ensure that all students fully benefit from their education by attending school regularly. Attending school regularly helps children feel better about school - and themselves. Your student can start building this habit in preschool so they learn right away that going to school on time, every day is important. Consistent attendance will help children do well in high school, college, and at work.

DID YOU KNOW?

- By being present at school, your child learns valuable social skills and has the opportunity to develop meaningful relationships with other students and school staff.
- Starting in kindergarten, too many absences (excused and unexcused) can cause children to fall behind in school.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Missing 10 percent increases the chance that your student will not read or master math at the same level as their peers.
- Being late to school may lead to poor attendance. **If your child continues to miss just 10% of their school days on an annual basis, by the time they have completed their freshman year in high school, they will have missed one entire school year.**
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- Absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other potentially serious difficulty.
- By 9th grade, regular and high attendance is a better predictor of graduation rates than 8th grade test scores.

WHAT WE NEED FROM YOU

We miss your student when they are gone and we value their contributions to our schools. We would like you to help ensure that your student attends regularly and is successful in school. If your student is going to be absent, please contact the attendance secretary at your student's school as soon as possible.

OUR PROMISE TO YOU

We know that there are a wide variety of reasons that students are absent from school, from health concerns to transportation challenges. There are many people in our building prepared to help you if you or your student face challenges in getting to school regularly or on time. Please contact your student's counselor with any questions or concerns. We promise to track attendance daily, to notice when your student is missing from class, communicate with you to understand why they were absent, and to identify barriers and supports available to overcome challenges you may face in helping your student attend school.

SCHOOL POLICIES AND STATE LAWS

It is important that you understand our district policies and procedures, as well as Washington State Law, to ensure your child is successful in school. State law for mandatory attendance, called the Becca Bill, requires children from age 8 to 17 to attend a public school, private school, or a district-approved home school program. Children that are 6- or 7-years-old are not required to be enrolled in school. However, if parents enroll their 6- or 7-year-old, the student must attend full-time. Youth who are 16 or older may be excused from attending public school if they meet certain requirements. For more information, you can visit:

<http://apps.leg.wa.gov/rcw/default.aspx?cite=28A.225>.

Each school is required to take daily attendance and notify you when your student has an unexcused absence.

If your student has two unexcused absences in one month, state law (RCW 28A.225.020) requires we schedule a conference with you and your student to identify the barriers and supports available to ensure regular attendance. The district is obligated to develop a plan that may require an assessment to determine how to best meet the needs of your student and reduce absenteeism.

In elementary school after five excused absences in any month, or ten or more excused absences in the school year, the school district is required to contact you to schedule a conference at a mutually agreeable, reasonable time with at least one district employee, to identify the barriers and supports available to you and your student. A conference may not be required if your student has provided a doctor's note, or the parent, student and school have already made plans so your student does not fall behind academically. If your student has an Individualized Education Plan or a 504 Plan the team that created the plan may need to reconvene.

If your student has seven unexcused absences in any month or ten unexcused absences within the school year, we are required to file a petition with the Juvenile court, alleging a violation of RCW 28A.225.010, the mandatory attendance laws. The petition may be automatically stayed and your student and family may be referred to a Community Truancy Board, or you and your student may need to appear in Juvenile Court.

The Prosser School District will establish rules on attendance that will help you ensure your student is attending regularly. These can be found on our district website: <http://web.prosserschools.org/policy/> under Policy 3122, Excused and Unexcused Absences.

WHAT YOU CAN DO

- Set a regular bed time and morning routine.
- Prepare for school the night before, finishing homework and getting a good night's sleep.
- Find out what day school starts and make sure your child has the required immunizations.
- Don't let your student stay home unless they are truly sick. Keep in mind complaints of a stomach ache or headache can be a sign of anxiety and not a reason to stay home.
- Avoid appointments and extended trips when school is in session.
- Develop back-up plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Keep track of your student's attendance. Missing multiple days could put your student at risk of falling behind.
- Talk to your student about the importance of attendance.
- Talk to your students' teachers if you notice sudden changes in behavior. These could be tied to something going on at school.
- Encourage meaningful afterschool activities, including sports and clubs.

Sincerely,

Ray Tolcacher, Ed. D. Superintendent
Prosser School District

EXCUSED AND UNEXCUSED ABSENCES

Excused and Unexcused Absences

Students are expected to attend all assigned classes each day. Upon enrollment and at the beginning of each school year, the District shall inform students and their parents/guardians of this expectation, the benefits of regular school attendance, the consequences of truancy, the role and responsibility of the District in regard to truancy, and resources available to assist the student and their parents and guardians in correcting truancy. The District will also make this information available online and will take reasonable steps to ensure parents can request and be provided such information in languages in which they are fluent. Parents will be required to date and acknowledge review of this information online or in writing.

Excused Absences

Regular school attendance is necessary for mastery of the educational program provided to students of the District. At times, students may be appropriately absent from class. School staff will keep a record of absence and tardiness, including a record of excuse statements submitted by a parent/guardian, or in certain cases, students, to document a student's excused absences. The following principles will govern the development and administration of attendance procedures within the District:

A. The following are valid excuses for absences:

1. Participation in a District or school approved activity or instructional program;
2. Illness, health condition or medical appointment (including, but not limited to, medical, counseling, dental or optometry) for the student or person for who the student is legally responsible;
3. Family emergency, including, but not limited to, a death or illness in the family;
4. Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction for up to two days;
5. Court, judicial proceeding or serving on a jury;
6. Post-secondary, technical school or apprenticeship program visitation, or scholarship interview;
7. State-recognized search and rescue activities consistent with RCW 28A.225.055;
8. Absence directly related to the student's homeless status;
9. Absences related to the deployment activities of a parent or legal guardian who is an active duty member consistent with RCW 28A.705.101;
10. Absence resulting from a disciplinary/corrective action. (e.g., short-term or long-term suspension, emergency expulsion); and
11. Principal (or designee) and parent, guardian, or emancipated youth mutually agreed upon activity, provided that the absence is deemed not to cause a serious adverse effect upon the student's educational process.

The school principal (or designee) has the authority to determine if an absence meets the above criteria for an excused absence.

- B. If an absence is excused, the student will be permitted to make up all missed assignments outside of class under reasonable conditions and time limits established by the appropriate teacher; except that in the participation portion of classes, a student's grade may be affected because of the student's inability to make up the activities conducted during a class period.
- C. If a student has two unexcused absences in one month, state law (RCW 28A.225.020) requires the District to schedule a conference with a parent/guardian and student to identify the barriers and supports available to ensure regular attendance. The District is obligated to develop a plan that may require an assessment to determine how to best meet the needs of the student and reduce absenteeism.
- D. An excused absence will be verified by a parent/guardian or an adult, emancipated or appropriately aged student, or school authority responsible for the absence. If attendance is taken electronically, either for a course conducted online or for students physically within the District, an absence will default to unexcused until such time as an excused absence may be verified by a parent or other responsible adult. If a student is to be released for health care related to family planning or abortion, the student may require that the District keep the information confidential. Students thirteen and older have the right to keep information about drug, alcohol or mental health treatment confidential. Students fourteen and older have the same confidentiality rights regarding HIV and sexually transmitted diseases.

Unexcused Absences

- A. Any absence from school for the majority of hours or periods in an average school day is unexcused unless it meets one of the criteria above for an excused absence.
- B. As a means of instilling values of responsibility and personal accountability, a student whose absence is not excused will experience the consequences of his/her absence. A student's grade will likely be affected by unexcused absences.
- C. The school will notify a student's parent or guardian in writing or by telephone whenever the student has failed to attend school after one unexcused absence within any month during the current school year.
- D. A conference with the parent or guardian will be held after two unexcused absences within any month during the current school year. A conference will be scheduled to determine what corrective measures should be taken to improve attendance. If the parent does not attend the conference, the parent will be notified of the steps the District has decided to take to reduce the student's absences.
- E. If a student has seven unexcused absences in any month or ten unexcused absences within the school year, the District is required to file a petition with the Juvenile court, alleging a violation of RCW 28A.225.010, the mandatory attendance laws. The petition may be automatically stayed and the student and family may be referred to a Community Truancy Board, or may need to appear in Juvenile Court.

The Superintendent will enforce the District's attendance policies and procedures. Because the full knowledge and cooperation of students and parents are necessary for the success of the policies and procedures, procedures will be disseminated broadly and made available to parents and students annually.

Students dependent pursuant to Chapter 13.34, RCW

A school district representative or certificated staff member will review unexpected or excessive absences of a student who has been found dependent under the Juvenile Court Act with that student and adults involved with that student. Adults includes the student's caseworker, educational liaison, attorney if one is appointed, parent or guardians, foster parents and/or the person providing placement for the student. The review will take into consideration the cause of the absences, unplanned school transitions, periods of running from care, in-patient treatment, incarceration, school adjustment, educational gaps, psychosocial issues, and the student's unavoidable appointments that occur during the school day. The representative or staff member must proactively support the student's management of their school work.

EXCUSED AND UNEXCUSED ABSENCES PROCEDURE

Excused Absences

Assignments and/or activities not completed because of an excused absence or tardiness may be made up in the manner provided by the teacher. A student will be allowed one makeup day for each day of absence. For the participation portion of most classes (e.g., certain music and physical education classes, class discussions, group work, labs, etc.) the student may not be able to achieve the objectives of the unit of instruction as a result of absence from class. In such a case, any absence would have an adverse impact on the student's educational progress, which would ultimately be reflected in grade reporting.

The following are valid excuses for absences or tardiness:

1. **Participation in a District or school approved activity or instructional program;**
To be excused, this absence must have administrative approval and the affected teacher(s) must be notified prior to the absence, unless it is clearly impossible to do so.
2. **Illness, health condition or medical appointment (including, but not limited to, medical, counseling, dental or optometry) for the student or a person for who the student is legally responsible;**
3. **Family emergency, including, but not limited to, a death or illness in the family;**
4. **Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction for up to two days;**
5. **Court, judicial proceeding or serving on a jury;**
6. **Post-secondary, technical school or apprenticeship program visitation, or scholarship interview;**
7. **State-recognized search and rescue activities consistent with RCW 28A.225.055;**
8. **Absence directly related to the student's homeless status;**
9. **Absences related to the deployment activities of a parent or legal guardian who is an active duty member consistent with RCW 28A.705.101;**

In order for above items 2–9 to be excused, the parent/guardian is expected to notify the school office on the morning of the absence by phone, e-mail or other written note, and provide the reason for the absence. If no reason is provided with the notification, or if no notification is provided, the parent/guardian will submit a reason via phone, e-mail, doctor's note or other written note upon the student's return to school. Emancipated students (those over sixteen who have been emancipated by court action) will notify the school office of their absence in the same manner as outlined by parents/guardians above. (In the event of extreme weather conditions, a student's absence due to parent/guardian discretion will be considered and may be excused on a case-by-case basis, following the procedure outlined above.)

Special Note Regarding Medical Confinement or Chronic Conditions:

Students with numerous/repetitive medical absences may be required to provide documentation from a medical professional. For an **extended illness or health condition which confines a student to home or the hospital for an extended period**, the school will arrange for the accomplishment of assignments at the place of confinement whenever practical. If the student is unable to do his/her coursework, or if there are major requirements which cannot be accomplished outside of the classroom, the student may be required to take an incomplete, withdraw from the class or be considered for retention. For a **chronic health condition which interrupts regular attendance**, the student may qualify for placement in a limited attendance and participation program. The student and his/her parent/guardian will apply to the principal or counselor (or designee) and a limited program will be written following the advice and recommendations of the student's medical advisor and with the approval of the principal (or designee). Staff will be informed of the student's needs, though the confidentiality of medical information will be respected at the parent's request.

10. Absence resulting from a disciplinary/corrective action. (e.g., short-term or long-term suspension, emergency expulsion);

As required by law, students who are removed from class(es) as a disciplinary measure or who have been placed on short-term suspension will have the right to make up assignments or exams missed during the time they were denied entry to the classroom(s).

11. Principal (or designee) and parent, guardian, or emancipated youth mutually agreed upon activity, provided that the absence is deemed not to cause a serious adverse effect upon the student's educational process;

To be approved, this type of absence will require a Pre-Arranged Absence form to be completed prior to the absence.

The school principal (or designee) has the authority to determine if an absence meets the above criteria for an excused absence.

Required Action for Elementary School Students

If an elementary school student has **five or more excused absences in a single month during the current school year, or ten or more excused absences in the current school year**, the District will schedule a conference with the student and their parent(s) at a reasonably convenient time. The conference is intended to identify barriers to the student's regular attendance and to identify supports and resources so the student may regularly attend school. The conference must include at least one school district employee, preferably a nurse, counselor, social worker, teacher or community human service provider, and may occur on the same day as the scheduled parent-teacher conference, provided it takes place within thirty days of the absences. If the student has an Individualized Education Program or a Section 504 Plan, the team that created that program must reconvene. A conference is not required if prior notice of the excused absence(s) was provided to the District or if a doctor's note has been provided, and an academic plan is in place to ensure the student will not fall behind in their coursework.

Unexcused Absences

The following are reasons why absences or tardiness may be unexcused:

1. The parent, guardian or adult/emancipated student submits an excuse that does not meet the definition of an excused absence as defined above;
2. The parent, guardian, or adult/emancipated student fails to submit any type of excuse statement, whether by phone, e-mail or in writing, for an absence; or
3. The parent, guardian or adult/emancipated student fails to comply with a more restrictive Attendance Contract.

Required Action for All Students

Each unexcused absence within any month of the current school year will be followed by a letter or phone call to the parent. The school will make reasonable efforts to provide this information in a language in which that parent is fluent.

After two unexcused absences within any month of the current school year, a conference will be held between the principal (or designee), student and parent to analyze the causes of the student's absenteeism. If a regularly scheduled parent-teacher conference is scheduled to take place within thirty days of the second unexcused absence, the District may schedule the attendance conference on the same day. As appropriate, the District will also consider:

- adjusting the student's course assignments;
- providing the student more individualized instruction;
- providing appropriate vocational courses or work experience;
- requiring the student to attend an alternative school or program;
- assisting the parent or student to obtain supplementary services; or
- referring the student to a community truancy board.

If the student's parent/guardian does not attend the conference, the conference may be conducted with the student and school official. However, the parent will be notified of the steps taken to eliminate or reduce the student's absences.

Upon a student's fifth unexcused absence in a month, the District will:

- a. Enter into an agreement with the student and parents/guardians that establishes school attendance requirements;
- b. Refer the student to a community truancy board (see below); or
- c. File a petition to juvenile court (see below).

Not later than a student's seventh unexcused absence within any month during the current school year, or a tenth unexcused absence during the current school year, if the District's attempts to substantially reduce a student's absences have not been successful, and if the student is under the age of seventeen, the District will file a petition and supporting affidavit for a civil action in juvenile court.

Community Truancy Board

A "community truancy board" means a board established pursuant to a memorandum of understanding (MOU) between a juvenile court and the school district and composed of members of the local community in which the student attends school. The District will enter into

an MOU with the juvenile court in Benton County to establish a community truancy board prior to the 2017-2018 school year.

The District will designate and identify to the juvenile court (and update as necessary) a staff member to coordinate District efforts to address excessive absenteeism and truancy, including outreach and conferences, coordinating the MOU, establishing protocols and procedures with the court, coordinating trainings, sharing evidence-based and culturally appropriate promising practices. The District will also identify a person within each school to serve as a contact regarding excessive absenteeism and truancy and assisting in the recruitment of community truancy board members.

Petition to Juvenile Court:

The petition will contain the following:

1. A statement that the student has unexcused absences in the current school year;
2. An attestation that actions taken by the school district have not been successful in substantially reducing the student's absences from school;
3. A statement that court intervention and supervision are necessary to assist the school district to reduce the student's absences from school;
4. A statement that RCW 28A.225.010 has been violated by the parent, student or parent and student;
5. The student's name, date of birth, school, address, gender, race and ethnicity; and the names and addresses of the student's parents/guardians, whether the student and parent are fluent in English, whether there is an existing individualized education program (IEP) and the student's current academic status in school;
6. A list of all interventions that have been attempted, a copy of any previous truancy assessment completed by the student's current school district, the history of approved best practices intervention or research-based intervention(s) previously provided to the student by the District, and a copy of the most recent truancy information document signed by the parent and student;
7. Facts that support the above allegations.

Petitions may be served by certified mail, return receipt requested, but if such service is unsuccessful, personal service is required. At the District's choice, it may be represented by a person who is not an attorney at hearings related to truancy petitions.

If the allegations in the petition are established by a preponderance of the evidence, the court shall grant the petition and enter an order assuming jurisdiction to intervene for a period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the student, to most likely cause the student to return to and remain in school while the student is subject to the court's jurisdiction. The District will see to the application of the Washington Assessment of the Risks and Needs of Students (WARNS) in conjunction with Benton County

Juvenile Justice Court and, where appropriate, provide the student with best practice or research-based interventions consistent with WARNS.

If the court assumes jurisdiction, the school district will periodically report to the court any additional unexcused absences by the student, actions taken by the school district, and an update on the student's academic status in school at a schedule specified by the court. The first report must be received no later than three (3) months from the date that the court assumes jurisdiction.

All sanctions imposed for failure to comply with attendance policies and procedures will be implemented in conformance with state and District regulations regarding discipline or corrective action. (See WSSDA policy 3241, Classroom Management, Discipline and Corrective Action.)

Transfers

In the case of a student who transfers from one District to another during the school year, the sending District will provide to the receiving District, together with a copy of the WARNS assessment as available and any interventions previously provided to the student, the most recent truancy information for that student. The information will include the online or written acknowledgment by the parent and student.

****Amended procedure implemented 2016-2017 school year.**

BOARD PACKET

TO: Board of Directors
SUBJECT: Policy No. 1733: Board Member Compensation
AGENDA: Discussion
DATE: March 27, 2017
PREPARED BY: Dr. Ray Tolcacher, *Superintendent*

Background:

On May 1, 2001, the Board of Directors took final action to formally rescind Policy No. 1733: Board Member Compensation. In recent discussion, Board members have requested that this policy be brought back to discuss possible reinstatement of the policy.

In reviewing the issues related to the re-enactment of Policy No. 1733, a call was made to WSSDA attorney, Heidi Maynard with the following question "If the Board reinstates the policy, can those members currently seated begin collecting the compensation or do they have to wait until the next Board election?"

As indicated to the Board at their October 11, 2016 meeting, Heidi Maynard's response was "Pursuant to the state constitution, Board of Directors may not increase their compensation during their current terms. This means that if the Board reinstates the compensation policy, each individual member will begin collecting the compensation upon commencement of their next full term of office".

Recommendation:

Discuss the reinstatement of Policy No. 1733: Board member Compensation.

BOARD RESCINDED THIS POLICY ON MAY 1, 2001

Policy No. 1733
The Board of Directors

BOARD MEMBER COMPENSATION

Each board member may receive compensation of fifty dollars per day or portion thereof for attending board meetings and for performing other services on behalf of the school district, not to exceed four thousand eight hundred dollars per year, if the district Board of Directors has authorized by board resolution, at a regularly scheduled meeting the provision of such compensation. Such compensation shall come from locally collected excess levy funds available for that purpose, and shall not cause the state to incur any present or future funding obligation.

Any board member may waive all or any portion of his/her compensation for any month or months during his/her term of office, by a written waiver filed with the district. The waiver, to be effective, must be filed any time after the director's election and before the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

Legal Reference: RCW 28A.343.400 Directors--Compensation--Waiver

Adoption Date: October 17, 2000

Board Member Compensation

If approved by Board of Directors Resolution at a regularly scheduled meeting, and if a board member is eligible to receive compensation, compensation at the rate of fifty dollars (\$50) per day, or for a portion of a day, for the following activities:

- A. Attending regular or special meetings of the board;
- B. Serving as a designated representative of the board, including, but not limited to, such activities as: school committees, community development and/or betterment committees, collective bargaining, etc;
- C. Attending board-approved training and/or development activities, including, but not limited to: regional, state, or national school board association conferences, board inservice meetings, etc. This may also include time involved in traveling to and from the activity; and
- D. Attending special board-related activities when approved by the board in advance, including, but not limited to: building dedications, commencement activities, staff retirements, and other such ceremonies.

Total compensation for a calendar year shall not exceed four thousand eight hundred dollars (\$4,800.00), plus reasonable expenses incurred for travel, meals and lodging.

Any board member may waive all or any portion of his/her compensation for any month or months during his/her term of office, by a written waiver filed with the district. The waiver may be filed any time after the director's election and before the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.

A board member requesting compensation will be required to complete a *Board Member Compensation Claim Form* at the end of each month verifying the nature and amount of approved activities for which compensation is claimed during the month. A director is only eligible to make one compensation claim for a given day.
