# SCHOOL BOARD MEETINGS

Prosser School District No. 116 \* 1126 Meade Avenue, Suite A \* Prosser, WA 99350

# Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

#### **How the Board Operates**

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Bill Jenkin, President; Dr. Warren Barmore, Vice-President; Peggy Douglas, Scotty Hunt, Legislative representative and Andy Howe, WIAA representative. Student representatives are Lacey Desserault, Ali Cox and Liz Bender.

#### **About Board Meetings**

Business meetings are held twice each month, usually on the 2nd and 4th Tuesdays. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

**About Executive Sessions** 

The board may occasionally go into executive session, thus excluding the public and the news media from witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

#### **Study Sessions**

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

#### **Addressing the Board**

You may present a concern to the board during the time reserved for hearing public comment. If this is the case we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep your comments concise, nonemotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a

couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the hearing section.

#### **Board Hearings**

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

#### **About Your Board**

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests,

and providing for long-range planning.

He then provided a detailed explanation of each portion of the School Improvement Plan which was contained in the handout. Michael also listed increased security measures they hope to complete soon.

#### **COMMUNICATIONS:**

Thank You Note from Prosser PTA

#### **INFORMATION ITEMS:**

#### PTA Update

President Jani Andrews reported that at the last Board meeting, the PTA unanimously decided to support and promote the upcoming bond. Root beer Float Night was a big success. Mrs. Andrews described some of the projects which will be funded by mini-grants. The Reflections

Art Contest award ceremony is coming up on December 12. Mrs. Andrews brought PTA membership forms for anyone who would like to join.

#### Prosser Scholarship Foundation Scholarship Foundation

Bob Stevens read the names of the individuals who serve on the scholarship committee. He provided a detailed background of the beginning of the Scholarship Fund and some of the individuals who helped start the fund. Mr. Stevens then explained that a huge donation to the scholarship fund was made. We first heard about this in June 2015. Mr. Howard Caulkins total estate was left to the Scholarship Fund of Prosser High School. The value of the estate is almost \$4,000,000.00. Mr. Stevens said that due to the large amount of the donation, the Prosser Scholarship Foundation joined with the Blue Mountain Community Foundation to help manage funds, place scholarship applications online, help screen and select scholarship recipients and track them. They will also help with educational efforts in our community.

Karri Isaacson, from BMCF, said she was amazed at the support of the Prosser community. She distributed brochures to Board members and explained the purpose of Blue Mountain Community Fund. She looks forward to working with the Prosser community for many years to come.

Mr. Stevens said that when the fund gets going, there will a little under \$5,000,000.00 in the account and about \$200,000.00 in scholarship monies will be awarded annually. There will be an effort to get more students involved in applying for scholarships. The committee will be meeting with PHS administration very soon to start that endeavor.

When questioned, Mr. Stevens said there may be a way for Prosser School District graduates to be recipients of scholarship funds. This won't happen now, but hopefully in the future.

Dr. Tolcacher said the Board had a big part in making this happen by taking action necessary to transfer the bequest to the Scholarship Foundation and funding the associated legal fees.

Bill Jenkin thanked the Scholarship Foundation for all of their hard work over the years to provide assistance for our students.

President Jenkin called for a short recess to enjoy refreshments in celebration of the Scholarship Foundation's recent donation.

#### PROTOCOL FOR ADDRESSING BOARD:

Dr. Tolcacher did not read the Protocol for addressing the Board.

#### **HEARING OF VISITORS:**

None

#### Assistant Superintendent's Report

Deanna Flores reported that it was time for the Adopt a Family at Christmas effort which the migrant department sponsors. The names of more than 30 families have already been given to the department. If anyone is interested in sponsoring a family, please call Deanna's office and a family will be assigned. Deanna explained that clothing is gathered for the children in the family. There are also gift cards and toys given. The food bank is helping in this effort too.

Mrs. Flores also reported that our District just received funds from *Feed the Children*, an organization out of Yakima, to buy 75 backpacks for homeless students. The backpacks will be filled with school supplies, binders, personal items and books for each student.

### Business Manager's Report

- November 2016 Enrollment
- 2015/16 Year End Reports

#### Discussion of Financing the Purchase of School Buses

During Mr. Reynold's presentation, he asked Peggy Douglas to explain how she had received PILT (payment in lieu of taxes) funds when she was Superintendent in Paterson by financing the purchase of the school buses.

Mrs. Douglas explained the benefit of receiving PILT funds. She thinks the Prosser community would look very favorably on this decision to finance the purchase of school buses, as it would show we are using our money very wisely. There was discussion about the impact of a limited general obligation (LGO) bond right before a bond election. She said she thinks the voters would view the District as being fiscally responsible. We need to make sure we act on this by December 31, in order to get the funds.

Dr. Tolcacher thinks we should move ahead with this, but we need to be able to explain what we're doing by incurring a bond obligation. We will still have enough debt capacity for our bond election in February.

Craig explained the first part of the process will be for the bond counsel to issue a resolution.

After discussion, it was determined to have a Board meeting earlier in the month to address this topic, as well as several others, including the election of officers. There was discussion about rescheduling the regular Board meeting from December 13 to December 6.

There was also discussion among the Board members on whether we need to have a Board meeting in late December. It was decided to wait until December 6 and at that time the Board can determine if there needs to be a meeting on December 13.

Peggy said she'd also like to present the information which the Board had received at the WSSDA Conference, after meeting with superintendent search groups.

Bill Jenkin said he will be resigning after the December 6 board meeting.

Dr. Tolcacher said he will put together a timeline for the replacement. We will definitely meet on the 6th and see if we need to meet on the 13<sup>th</sup>.

Craig Reynolds said he will need a voucher and payroll meeting.

Warren Barmore asked what had happened to the fence around the tennis courts at the high school.

Kevin Lusk said a student's brakes failed. There were no injuries.

#### Superintendent's Report

Dr. Tolcacher reported on the following:

- 1) Agreement will be brought to the Board on 12/6/16 with Pixelsoft Films in the Tri-Cities. This will be another way to use media to provide factual information to the public. The cost should be five or six thousand dollars.
- 2) Craig and Dr. Tolcacher will be meeting with all buildings to discuss the bond. They will be able to ask questions and understand the timeline.
- 3) Board's requested ID badges Board members can contact Neda at HMS to make an appointment to get a photo ID badge.
- 4) Dr. Tolcacher would like to get some dates to do a follow-up dinner meeting to debrief how things went with the Study and Survey Task Force. Julie Hyatt will get potential dates from the Board members.

#### Board Members' Reports

Warren said that Liz and Lacey rode home with him and they chatted quite a bit about their experience at the conference. They both really enjoyed themselves. Dr. Barmore also attended "The Notables" at PHE. He listened to about 15 students give speeches on famous people in history. It was a very neat experience.

**Andy Howe** – We have two Prosser High School football players who play for Eastern Oregon and have been selected to participate in the NAIA playoffs. Last week Andy traveled to Nebraska for the playoff game. He also showed photos of his Grid Kids football team which had won the Super Bowl this year.

**Bill Jenkin** – Thanked everyone for their confidence in him, by electing him to the legislature. Because of his new and additional commitments, he does not think it would be right for him to remain on the Board. He really appreciates everyone's support.

**Peggy Douglas** – Said that Bill has been an amazing leader and she appreciates all he has done. She also said the WSSDA Conference was one of the best conferences she had ever attended. They were able to meet with some tremendous speakers. Peggy appreciated the two student representatives who attended as well. The girls had a wonderful experience and both actually presented at the conference and represented our District very well.

**Scotty Hunt** – Said the law conference at the pre-conference was very helpful and gave him great ideas for our bond election and what the Board can do. Scotty said he loved watching the student representatives present at the conference. He thanked Deanna for what she is doing for the families for Christmas.

#### Discussion

Attendance at the national conference will be discussed on December 6. There was a suggestion to just send the Board president, or maybe just two members.

To that end, the District has the responsibility to factually communicate the information regarding the proposed ballot measure to the community. #### **BOARD PACKET**

TO: Board of Directors

SUBJECT: All School Buildings Approval

AGENDA: Action

**DATE:** December 6, 2016

PREPARED BY: Deanna Flores, Assistant Superintendent

#### **Background:**

WAC 180-16-220 requires annual school building approval by the school district Board of Directors as a condition of the District's entitlement to state basic education allocation funds.

All schools in the state write/revise their School Improvement Plan (SIP) each year. The plan, which is data-driven, promotes a positive impact on student learning, and includes a continuous improvement process to monitor, adjust and update.

In addition, five schools in our District (Whitstran, Prosser Heights, Keene-Riverview, Housel Middle School and Prosser High) are Title I Schoolwide Schools. This means that Federal and State Program and basic education dollars (with the exception of State Transitional Bilingual funds and Title I Migrant funds) that flow to these schools may be blended to the benefit of all students at risk of not meeting state standards. These five schools combine their School Improvement Plan with their federally required Title I Schoolwide Plan.

Annually, the site team at each school reviews, revises and updates their School Improvement Plan and Schoolwide Plan. This is an ongoing process of evaluation of data, planning of programs and interventions and assessment of results. These plans are on file at the curriculum office.

At the study session and Board meeting on November 22<sup>nd</sup>, the administrative staff from Prosser High School, Housel Middle School and Whitstran Elementary reviewed highlights from their schoolwide plans. At the December 6<sup>th</sup> Board meeting, the administrative staff from Keene-Riverview, Prosser Heights and Prosser Falls High reviewed highlights from their plans and how they will effectively support our students.

#### Recommendation:

Approval of all school buildings in Prosser School District is recommended.

Subject:

Adoption of Policy No. 6910: Construction

Financing - FIRST READING

Agenda:

Action

Date:

December 6, 2016

Prepared By:

Craig Reynolds, Business Manager

## **Background:**

Our bond counsel, Jim McNeill, is recommending the Prosser School District Board of Directors adopt Policy No. 6910: Construction Financing. This policy will establish best practices for constructing financing as set forth by the Washington State School Directors' Association. Such a policy will also enable the Superintendent to adopt procedures that are necessary to ensure compliance with federal tax and securities laws.

# **Recommendation:**

It is recommended that the Board of Directors approve the First Reading of Policy No. 6910: Construction Financing. It is also recommended to waive the First Reading; go to Second Reading and take final action to adopt this policy.

## **Construction Financing**

The Board will attempt to add moneys to the capital projects fund regularly in such amounts as are available and appropriate to the District's needs as projected by the facilities master plan. Moneys in that fund which are not immediately needed will be invested in those securities permitted by law which will provide maximum return to the fund. In addition to those moneys, the Board may consider non-voter approved debt within statutory limits and the Board will seek authority from District electors to issue bonds or levy a special capital improvements property tax assessment for school construction when specific projects are anticipated. The Board will also seek matching funds from the Superintendent of Public Instruction to the maximum extent available as well as any federal funds that may be available.

#### **State School Construction Funds**

Immediately after the Board has approved the initiation of a construction project, the Superintendent will notify the Superintendent of Public Instruction of the Board's intent. All studies, notices and other requirements established by the Superintendent of Public Instruction as conditions for eligibility for state construction grants will be completed by the Superintendent.

### Non-Voter Approved Debt

If the Board decides it is prudent, it may authorize the issuance of non-voter approved debt within statutory limits to purchase facility sites; improve energy efficiency of buildings; acquire, remodel or repair school facilities; or acquire personal property or property rights. Statute limits non-voter approved school district debt to three-eighths of one percent of the value of the taxable land within the District.

#### **Bonds**

If the Board determines that there are insufficient moneys in the building fund for a construction project, the Board chooses not to authorize an election for a capital levy, and the District's limit on bonded indebtedness has not been reached, the Board will authorize an election to seek the approval of voters to issue bonds in the amount needed for the project.

The legal requirements for bond elections and subsequent issuance and redemption of bonds will be met. The resolution adopted by the Board calling for the bond election will specify the purposes of the bond including the specific buildings to be constructed or remodeled and any other purposes authorized in RCW 28A.530.010. The Board resolution will also describe the specific purposes the Board anticipates for using any state financing assistance, if any. If circumstances alter the purposes for which the Board believes it is in the best interest of the District to use the state funds or those raised through the bond, the Board will conduct a public hearing to consider the circumstances and to receive public testimony. At a meeting subsequent to the public hearing the Board may either amend its original resolution or adopt a new one describing the specific purposes to which the state and/or bond funds will be put.

Upon the sale of bonds duly authorized as prescribed by law, the proceeds will be credited by the county treasurer to the appropriate fund of the District.

Notice of intent to apply for state school construction funds will be submitted to the Superintendent of Public Instruction prior to submitting a bond proposal to District voters.

Section 5. Bond Registrar; Registration and Transfer of the Bond. Pursuant to RCW 39.46.030(3)(b), the Treasurer shall serve as Bond Registrar with respect to the Bond and is authorized, on behalf of the District, to authenticate and deliver the Bond in accordance with the provisions of the Bond and this resolution. The Bond shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register.

The Bond may be assigned or transferred only in whole and only if endorsed in the manner provided thereon and surrendered to the Bond Registrar, subject to the Purchaser's representations described in the Bond Purchase Agreement. Any such transfer shall be without cost to the Registered Owner or transferee and shall be noted in the Bond Register. The Bond Registrar shall not be obligated to transfer the Bond during the 15 days preceding any installment payment or prepayment date.

The Bond Registrar shall keep, or cause to be kept, at its office, sufficient books for the registration, assignment or transfer of the Bond, which books shall be open to inspection by the District at all times. The Bond Registrar is authorized, on behalf of the District, to authenticate and deliver the Bond transferred or exchanged in accordance with the provisions of the Bond and this resolution, to serve as the District's authenticating agent, transfer agent, registrar and paying agent for the Bond and to carry out all of the Bond Registrar's powers and duties under this resolution and the System of Registration.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on the Bond.

Section 6. Payment of the Bond. The installments of principal of and interest on the Bond shall be payable in lawful money of the United States of America and shall be paid by electronic transfer, unless payment by check or draft of the Bond Registerar is permitted by the Registered Owner, and sent to the Registered Owner so that such Registered Owner receives said payments when due at the address appearing on the Bond Register. Upon receipt of the final installment payment of principal of and interest on the Bond, whether on the Maturity Date or upon prepayment, the Registered Owner shall present and surrender the Bond to the Bond Registrar to be destroyed or cancelled in accordance with law. The District and the Bond Registrar may deem and treat the Registered Owner of the Bond as the absolute owner of the Bond for the purpose of receiving payment of principal and interest and for all other purposes, and neither the District nor

the Bond Registrar shall be affected by any notice to the contrary other than proper notice of assignment or transfer.

Section 7. Prepayment Provisions. The District reserves the right and option to prepay and redeem at any time prior to the Maturity Date any or all of the principal amount of the Bond outstanding at par plus accrued interest to the date of prepayment. The District shall provide the Registered Owner and the Bond Registrar with written notice of any intended prepayment at least 15 days prior to such prepayment date. Interest on the principal amount of the Bond called for prepayment shall cease to accrue on the date fixed for prepayment unless the principal amount called for prepayment is not paid on the prepayment date.

At any time there is a partial prepayment, the remaining installment payments shall be recalculated to reflect a reduction in the installment payment amount to the Maturity Date. Such recalculated debt service schedule shall be provided by the Registered Owner to the District and the Bond Registrar within seven (7) business days following any prepayment and shall be effective on the next scheduled installment payment date.

Section 8. Failure to Pay Installments; No Acceleration. If any installment of principal is not paid when due, the District shall be obligated to pay interest on that installment at the same rate provided in the Bond until that installment, together with interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Account, or in a trust account established to refund or defease the Bond, and the principal represented by such installment has been called for payment by giving notice of that call to the Registered Owner. The Bond is not subject to acceleration upon the occurrence of a payment default.

Section 9. Pledge of Payment. The Bond is a limited general obligation of the District. For as long as the Bond is outstanding, the District irrevocably pledges that it will budget and appropriate money legally available from the Transportation Vehicle Fund and the General Fund, and from other money legally available therefor, in amounts sufficient to pay the principal of and interest on the Bond when due, and the full faith, credit and resources of the District are pledged irrevocably for the budget and appropriation of those amounts and the prompt payment of that principal and interest.

Section 10. Form and Execution of the Bond. The Bond shall be prepared in a form consistent with the provisions of this resolution and State law and shall be signed by the President and the Secretary, either or both of whose signatures may be manual or in facsimile. The Bond shall be printed at District expense and shall be delivered to the Purchaser in accordance with the Bond Purchase Agreement, together with the approving legal opinion of Bond Counsel regarding the Bond.

The Bond shall not be valid or obligatory for any purpose, or entitled to the benefits of this resolution, unless the Bond bears a certificate of authentication manually signed by the Bond Registrar stating: "This Bond is the fully registered Prosser Consolidated School District No. 116-219, Benton and Klickitat Counties, Washington, Limited General Obligation Bond, 2016, described in the Bond Resolution." A minor deviation in the language of such certificate shall not void a certificate of authentication that otherwise is substantially in the form of the foregoing. The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so

authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this resolution.

If any officer whose manual or facsimile signature appears on the Bond ceases to be an officer of the District authorized to sign bonds before the Bond bearing his or her signature is authenticated or delivered by the Bond Registrar or issued by the District, the Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the District as though that person had continued to be an officer of the District authorized to sign bonds. The Bond also may be signed on behalf of the District by any person who, on the actual date of signing of the Bond, is an officer of the District authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bond.

#### Section 11. Tax Covenants.

- (a) Preservation of Tax Exemption for Interest on the Bond. The District covenants that it will take all actions necessary to prevent interest on the Bond from being included in gross income for federal income tax purposes, and it will neither take any action nor make or permit any use of proceeds of the Bond or other funds of the District treated as proceeds of the Bond at any time during the term of the Bond which will cause interest on the Bond to be included in gross income for federal income tax purposes. The District also covenants that it will, to the extent the arbitrage rebate requirements of Section 148 of the Code are applicable to the Bond, take all actions necessary to comply (or to be treated as having complied) with those requirements in connection with the Bond.
- (b) <u>Post-Issuance Compliance</u>. The Secretary is authorized and directed to adopt, amend and implement, on behalf of the District, written procedures to facilitate compliance by the District with the covenants in this Section 11 and the applicable requirements of the Code that must be satisfied after the Date of Delivery to prevent interest on the Bond from being included in gross income for federal income tax purposes.
- (c) <u>Designation of the Bond as a "Qualified Tax-Exempt Obligation."</u> The District designates the Bond as a "qualified tax-exempt obligation" for the purposes of Section 265(b)(3) of the Code, and makes the following findings and determinations:
- (i) the Bond does not constitute a "private activity bond" within the meaning of Section 141 of the Code;
- (ii) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds and other obligations not required to be included in such calculation) that the District and any entity subordinate to the District (including any entity that the District controls, that derives its authority to issue tax-exempt obligations from the District, or that issues tax-exempt obligations on behalf of the District) will issue during the calendar year in which the Bond is issued will not exceed \$10,000,000; and
- (iii) the amount of tax-exempt obligations, including the Bond, designated by the District as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code during the calendar year in which the Bond is issued will not exceed \$10,000,000.

Section 12. Refunding or Defeasance of the Bond. The District may issue refunding bonds pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include (a) paying when due the principal of and interest on the Bond (the "defeased Bond"); (b) redeeming the defeased Bond prior to its maturity; and (c) paying the costs of the refunding or defeasance. If the District sets aside in a special trust fund or escrow account irrevocably pledged to that redemption or defeasance (the "trust account"), money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to redeem, refund or defease the defeased Bond in accordance with its terms, then all right and interest of the Registered Owner of the defeased Bond in the covenants of this resolution and in the funds and accounts obligated to the payment of the defeased Bond shall cease and become void. Thereafter, the Registered Owner of the defeased Bond shall have the right to receive payment of the principal of and interest on the defeased Bond solely from the trust account and the defeased Bond shall be deemed no longer outstanding. In that event, the District may apply money remaining in any fund or account (other than the trust account) established for the payment or redemption of the defeased Bond to any lawful purpose.

Section 13. Bond Account and Deposit of Bond Proceeds. There is hereby created and established in the office of the Treasurer, a special account in the District's existing Debt Service Fund known as the Limited General Obligation Bond Account, 2016, or such other designation conforming to accounting practices (the "Bond Account"), for the purpose of paying principal of and interest on the Bond. All money of the District allocated to the payment of the principal of and interest on the Bond shall be transferred to the Bond Account at least one day prior to each installment payment date.

The Treasurer is authorized and directed to deposit in the Transportation Vehicle Fund the principal proceeds of the Bond received from the Purchaser to be used to pay costs of the Project. Until needed to pay costs of the Project, the District may invest principal proceeds of the Bond temporarily in any legal investment, and the investment earnings shall be retained in the Transportation Vehicle Fund and be spent to pay costs of the Project.

Section 14. Approval of Agreements. The Purchaser has presented the Bond Purchase Agreement to the District, which written Bond Purchase Agreement is on file with the Secretary and is incorporated herein by this reference. The Board finds that entering into the Bond Purchase Agreement is in the District's best interest and therefore accepts the offer contained therein and authorizes its execution by either the President or the Secretary.

Bond Counsel has presented the Engagement Letter to the District, which Engagement Letter is on file with the Secretary and is incorporated herein by this reference. The Board finds that entering into the Engagement Letter is in the District's best interest, and therefore, authorizes its execution by either the President or the Secretary.

- Section 15. Supplemental and Amendatory Resolutions. The District may supplement or amend this resolution for any one or more of the following purposes without the consent of the Registered Owner of the Bond:
- (a) To add covenants and agreements that do not materially adversely affect the interests of the Registered Owner, or to surrender any right or power reserved to or conferred upon the District.

- (b) To cure any ambiguities, or to cure, correct or supplement any defective provision contained in this resolution in a manner that does not materially adversely affect the interests of the Registered Owner.
- Section 16. General Authorization and Ratification. The Secretary, the District's Business Manager, the President, the Treasurer, other appropriate officers of the District and Bond Counsel are severally authorized and directed to take such actions and to execute such documents as in their judgment may be necessary or desirable to carry out the terms of, and complete the transactions contemplated by, this resolution and the Bond Purchase Agreement (including everything necessary for the prompt delivery of the Bond to the Purchaser and for the proper application, use and investment of the proceeds of the sale thereof). All actions taken prior to the effective date of this resolution in furtherance of and not inconsistent with the provisions of this resolution are hereby ratified and confirmed in all respects.

Section 17. Severability. The provisions of this resolution are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this resolution to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this resolution in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 18. <u>Effective Date</u>. This resolution shall become effective immediately upon its adoption.
