SCHOOL BOARD MEETINGS

Prosser School District No. 116 * 1126 Meade Avenue, Suite A * Prosser, WA 99350

Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

How the Board Operates

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Bill Jenkin, President; Dr. Warren Barmore, Vice-President; Peggy Douglas, Scotty Hunt, Legislative representative and Andy Howe, WIAA representative. Student representatives are Lacey Desserault, Ali Cox and Liz Bender.

About Board Meetings

Business meetings are held twice each month, usually on the 2nd and 4th Tuesdays. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

About Executive Sessions

The board may occasionally go into executive session, thus excluding the public and the news media from witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

Study Sessions

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

Addressing the Board

You may present a concern to the board during the time reserved for hearing public comment. If this is the case we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep your comments concise, nonemotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a

couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the hearing section.

Board Hearings

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

About Your Board

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

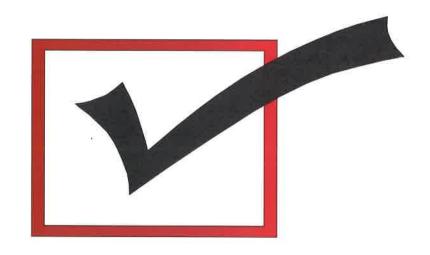

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

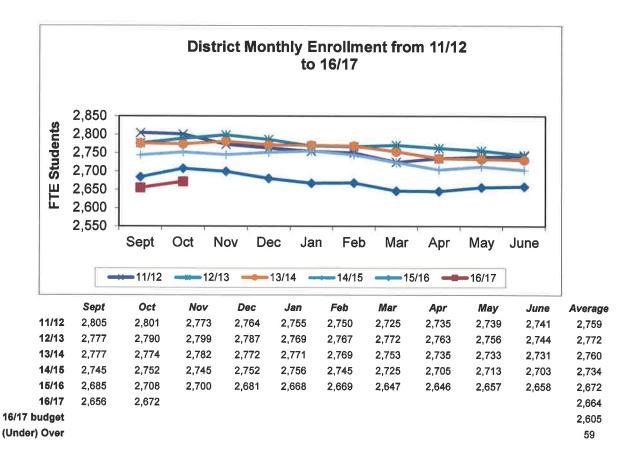

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

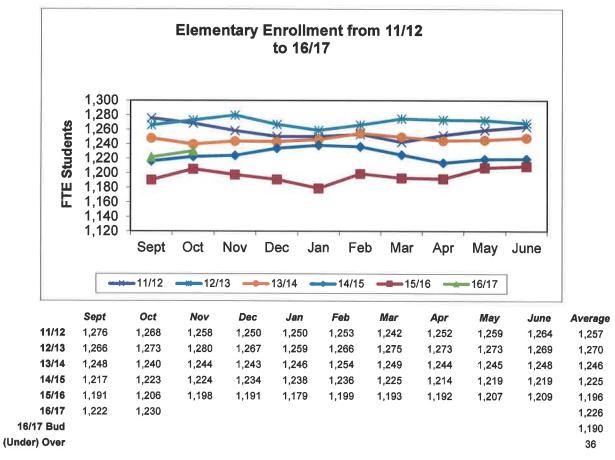

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests,

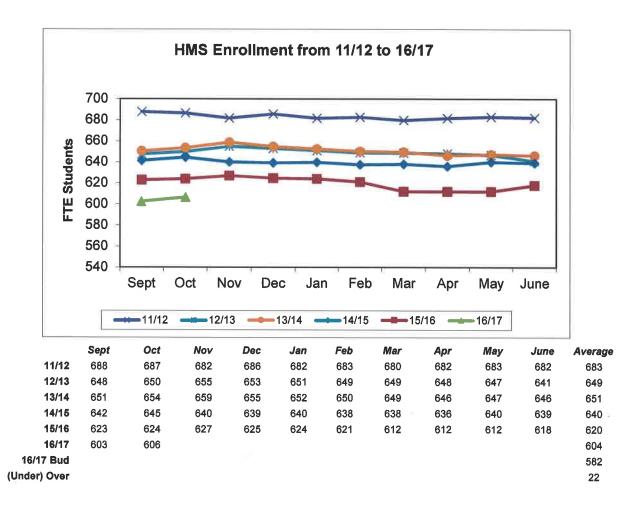

and providing for long-range planning.

CLASSIFIED EMPLOYEES

Amy Buxton has been hired as a special education paraeducator at Keene-Riverview Elementary.

An Executive Session of the Prosser School District Board of Directors was called to order at 6:00 p.m. by Bill Jenkin, President. Other Board members present included Dr. Warren Barmore, Peggy Douglas, Andy Howe and Scotty Hunt. Also present were Dr. Ray Tolcacher, Superintendent; Craig Reynolds, Business Manager and Kim Bolt, Human Resources Specialist. The purpose of the Executive Session was to discuss negotiations. RCW 42.30.140 (4)

The Executive Session adjourned at 7:00 p.m.

The Regular Meeting of the Board of Directors of Prosser School District was called to order at 7:07 p.m. by Bill Jenkin, President. Other Board members present included Dr. Warren Barmore, Peggy Douglas, Andy Howe and Scotty Hunt. Also present were Dr. Ray Tolcacher, Superintendent; Craig Reynolds, Business Manager; Deanna Flores, Assistant Superintendent; Julie Hyatt, Secretary and an audience representing school staff, media and community members. Ali Cox and Lacey Desserault, student representatives were also in attendance.

APPROVAL OF AGENDA:

Motion by Peggy Douglas, seconded by Andy Howe and motion carried to approve the revised agenda. The revision included the addition of an Executive Session at the conclusion of the regular board meeting, as well as additions to Certificated and Classified Personnel.

COMMUNICATIONS:

AVID Family Night

INFORMATION ITEMS:

Water/Sewer Capacity at Whitstran Elementary

Maintenance Supervisor, Dave Schell provided the Board with information about the septic system at Whitstran. Dave has always been told that the septic system is at capacity for the amount of students it currently serves. Mr. Schell said the number of people the septic system can serve is 280. This includes the students and staff at the Inspire Center.

Discussion ensued about different possibilities regarding the water and sewer system at Whitstran. Dave said the water system is sufficient for the current amount of students and that number could even be increased. It is the septic system which is the problem, if we add students. He also said we would need to contact Benton County to see if the septic system could be enlarged.

PROTOCOL FOR ADDRESSING BOARD:

Dr. Tolcacher did not read the Protocol for addressing the Board.

HEARING OF VISITORS:

None

Dr. Tolcacher announced the Prosser Record Bulletin was recording the meeting.

Assistant Superintendent's Report

Deanna Flores reported that AVID training is coming up later this week. This training will

include those coming from other districts on Thursday and Friday. There will be approximately 170 individuals in attendance.

Ms. Flores also reported that she has had five employees contact her about taking advantage of the grant we just received, which will provide an alternative route to certification. The five include paraeducators and substitute teachers.

Business Manager's Report

Craig is working on closing out the 2015/16 school year. He will likely have the Year End Report sometime in November.

Superintendent's Report

Dr. Tolcacher reported that he heard some interesting things at the WASA Board Conference he just attended. The Dorn lawsuit against school districts has taken a turn – there has been a request for a "stay" which has been granted. In November, Mr. Dorn will no longer be in office so he can no longer pursue the lawsuit. Because of that, five families have taken up the cause and are suing the school districts.

Another topic discussed at the conference was the teacher and administrator shortage, particularly those of different ethnicities. WASA is starting to look at teachers to identify and encourage leaders in the teaching profession to pursue administration. Also, Dr. Tolcacher said they discussed the possibility of identifying high school students who might want to pursue teaching. He would like us to explore that idea here in Prosser. He would like to see us guide them to become teachers in Prosser.

At the next Board meeting we will recognize our new certificated staff members.

Board Members' Reports

Warren Barmore – Attended the second Gap training. The next training phase will be happening soon. Mr. Barmore also said he is enjoying watching his grandson play football for PHS.

Bill Jenkin - Thanked Dr. Barmore for taking over the last few Board meetings. He also announced he will not be at the October 13 Special Board Meeting.

Peggy Douglas – Is excited after the Special Board Meeting last week, when we met with the architect. She is looking forward to the first community meeting on Thursday and hearing lots of input.

Scotty Hunt – Two weeks ago, Mr. Hunt sat in with the counselors at HMS. They explained the process of what they do in the counseling department. He said the two counselors run a great program. Scotty also thanked Sally Juzeler and Kevin Gilman for attending the Special Board Meeting last week and providing good information about Whitstran.

Andy Howe – Explained that there had been a misunderstanding among the Study and Survey Task Force members about the Whitstran capacity. The information provided at the meeting was very helpful.

Student Board Representatives

Lacey Desserault – Reported on the results of Pink Week. There was over \$8,000 raised, which will be divided between Nate Dixon, a student at PHS who is currently battling cancer and Prosser Memorial Hospital, which will use the money to help pay for mammograms.

Ali Cox - Reported on the daily activities scheduled for Homecoming Week, concluding with Friday being red, white and ruby slippers day, as the theme for this year's Homecoming is "There's No Place Like Home".

CONSENT ITEMS:

Motion by Warren Barmore, seconded by Andy Howe and motion carried to approve the Consent Agenda as presented.

Certificated Personnel

Kristin Olsen was recommended as a .5 reading specialist at Prosser Heights Elementary for the 2016/17 school year.

Jessica Huntington was recommended as the 8^{th} grade girls' head basketball coach at Housel Middle School.

Ryan Wood was recommended as a boys' assistant basketball coach at Housel Middle School.

Classified Personnel

Kristine Perales resigned as the .5 cheer coach at Prosser High School.

Misa Traver was hired for the position of meal accounting at Prosser High School...

Morgan Meadows resigned her position as an assistant softball coach at Prosser High School.

Heather Hancock was hired as the office assistant at Housel Middle School.

Debra Lehman was hired as a one-to-one paraeducator at Housel Middle School.

Maria Flores was hired as a bilingual paraeducator at Housel Middle School.

Approval of Minutes

Minutes from the September 27, 2016 regular board meeting, and the October 5, 2016 special board meetings were presented.

Contracts and Personal Service Agreements:

OLD BUSINESS:

Attendance at National School Board's Annual Conference, March 25-27, 2017

Dr. Tolcacher provided a preliminary update of the cost of attending the national conference, which will be at least \$2215.00 per person. The Board discussed the possibility of going to the conference. Bill Jenkin will not be able to attend, but the other Board members expressed interest in going.

ACTION ITEMS:

Karen Beeman Teaching for Biliteracy Service Agreement

Deanna Flores reported that the Prosser School District is implementing two Late Exit Bilingual programs this year at Whitstran and Keene-Riverview Elementary Schools. This creates a large need to build capacity for biliteracy development at each school. We sent 6 staff from the two schools last summer to the Teaching for Biliteracy Summer Institute. Training with this institute is ongoing. We have a chance to bring Dr. Beeman here on Wednesday, October 26, while she is here with Kennewick School District, who has used this consultant for five years. Dr. Beeman will hold demonstration teaching sessions and debriefing with bilingual kindergarten staff from both schools. In addition, she will hold a 1 ½ hour in-service with all staff from Whitstran and Keene Riverview.

The cost for the day is \$2,300. An estimated additional \$505 will be needed for travel expenses (we will share travel expenses with Kennewick School District). The costs will be paid from Bilingual Program and Title III funds.

Motion by Peggy Douglas, seconded by Warren Barmore and motion carried to approve the Karen Beeman Teaching for Biliteracy Service Agreement.

Suzy Martinez Expanded Connection Service Agreement

The Prosser School District is implementing two Late Exit Bilingual programs this year at Whitstran and Keene-Riverview Elementary Schools. This creates a large need to build bilingual capacity at each school. In order to help meet this necessity in a cost-effective fashion, the District bilingual program offered a week-long Spanish immersion class called Español Rápido for 20 staff (including teachers, specialists, para professionals, a principal and a school secretary) from these two elementary schools from August 1 through August 5, 2016.

A refresher during the school year will help staff to practice and retain their Spanish conversational skills.

The cost of this class is \$1,600. It includes travel, lodging, and meals for the consultant as well as 6 hours of intensive training and materials for 12 to 15 people. Staff will use their own professional development money to pay for their time. The cost of the consultant will be paid from Title III funds.

Motion by Andy Howe, seconded by Scotty Hunt and motion carried to approve the Suzy Martinez Expanded Connection Service Agreement.

Vouchers

"The following vouchers as audited and certified by the auditing officers, as required by RCW 42.24.080, and those expense reimbursement claims certified, as required by RCW 42.24.090, are approved for payment.

General Fund Voucher numbers 189700 through 189827 totaling \$149,964.23 Capital Projects Fund Voucher number 200000003 totaling \$224.70 Associated Student Body Fund Voucher numbers 184525 through 184551 totaling \$20,036.56". Motion by Scotty Hunt, seconded by Peggy Douglas and motion carried to approve the accounts payable vouchers, payable October 14, 2016.

Appointment of Student Board Representative

Peggy Douglas stated that the Board had desired representation from Falls, so two Falls students were interviewed, both very strong candidates.

Motion by Peggy Douglas, seconded by Scotty Hunt and motion carried to approve Elizabeth Bender as a student representative to the Board of Directors for 2016/17.

Donation from Millie Childers

Prosser High School has received a donation of \$1000.00 from Millie Childers. The donation will be deposited into the ASB account. We greatly appreciate the help and support from Millie Childers for our Cancer Awareness Week!

Motion by Warren Barmore, seconded by Andy Howe and motion carried to accept the \$1000.00 donation from Millie Childers.

Dismissal of the Study and Survey Task Force

Dr. Tolcacher explained that on September 22, 2016, at a Special Board Meeting at Keene-Riverview Elementary, the board-appointed Study and Survey Task Force presented their findings and possible actions to the Board. With their final presentation, the Study and Survey Task Force has completed the work the Board had requested them to accomplish. At the September 27, 2016 regular meeting, the Board acknowledged the Task Force and thanked them for all the hard work and excellent outreach to the community and staff through input meetings and surveys. To that end the Board will now formally dismiss the Task Force and again thank them for their hard work.

Bill Jenkin said he really appreciated the hard work of the Task Force.

Dr. Tolcacher said he would like to have a dinner meeting with the Board and the Task Force to debrief about the process and get their feedback.

The Board members agreed with Dr. Tolcacher that this would be a good idea.

Motion by Andy Howe, seconded by Scotty Hunt and motion carried to dismiss the Study and Survey Task Force.

2016/17 Principals' Association Memorandum of Agreement Ratification

The District and the Prosser Principals' Association have completed negotiations with a tentative agreement. The following provisions have been agreed to, pending school board ratification:

- 1. Increase base salaries by 2.9%.
- 2. Update the VEBA amount for the 2016/17 Premera Blue Cross Plan 2 rates

Motion by Peggy Douglas, seconded by Warren Barmore and motion carried to ratify the 2016/17 Memorandum of Agreement between the Prosser School District and the Prosser Principals' Association.

DISCUSSION ITEMS:

Re-instatement of Board Member Compensation

It was requested by Board member Scotty Hunt that the Board consider the reinstatement of Policy No. 1733: Board Member Compensation. As a result of that request the Board asked for further research regarding the legal implications of such action. To that end, communication to WSSDA attorney, Heidi Maynard, was made to address this question, "If the Board reinstates the policy, can those members currently seated begin collecting the compensation or do they have to wait until the next Board election?"

In response to the question posed, Attorney Maynard indicated the following: "Pursuant to the state constitution, Board of Directors may not increase their compensation during their current terms. This means that if the Board reinstates the compensation policy, <u>each individual</u> <u>member</u> will begin collecting the compensation upon commencement of <u>their next full term of office</u>".

Discussion

Mr. Hunt said he would like to postpone this discussion until sometime in March. It was agreed to postpone the discussion.

New Recreational Marijuana Facilities in Prosser

Dr. Tolcacher said that the city of Prosser has enacted a new 6-month moratorium on new recreational marijuana facilities located within the City of Prosser, to allow for a comprehensive review of changes to licensing regulations at the state level. The possibility of an additional recreational marijuana facility within our school district boundaries is a concern. The use of marijuana by students in Prosser and elsewhere, since the passing of new laws, has increased and is becoming more frequent than argued by the proponents of the new law.

Dr. Tolcacher would like the Board to authorize him to draft a letter to the City of Prosser encouraging the city to not allow additional recreational marijuana businesses within the City of Prosser.

The Board agreed with his request.

WSSDA Annual Conference

The program and schedule were attached.

Discussion

Dr. Tolcacher said that due to the state football playoffs, in which Prosser is often involved, the group often leaves the WSSDA Conference early, but they can decide when they will head home.

Bill Jenkin announced that he will probably step down from the Board after the WSSDA Conference.

Cheer Practice Schedule Discussion

Bryan Bailey, PHS Athletic Director, distributed a PHS Cheer schedule, as he heard there had been a parent concern about their schedule. Mr. Bailey said this schedule had been a team decision. There are four early morning practices each month on the schedule. He was also concerned about the early morning time. He was told they chose that time due to the Running

Start program and the availability of the cheer coach, who is a nurse. He also reported that the number of sporting events the team will attend is a topic of discussion. The team would like to attend every sporting event's Senior Night. Bryan will see what other CWAC team cheerleaders do. When a new cheer coach is selected the practice schedule can be looked at again.

Bryan said he has not been approached by this parent. He would like the Board to direct similar parent concerns back to him in the future. He will contact this concerned parent and speak with her.

Clerk to the Board	Board Vice-President

A Special Meeting of the Board of Directors of Prosser School District was called to order at 7:01 p.m. by Dr. Warren Barmore, Vice-President. Other Board members present included Peggy Douglas, Andy Howe and Scotty Hunt. Also present were Dr. Ray Tolcacher, Superintendent; Craig Reynolds, Business Manager; Julie Hyatt, Secretary and an audience representing school staff and community members. Ed Champagne, architect from Architects West and David Trageser from D.A. Davidson were also in attendance. The meeting was held at the Prosser High School library.

APPROVAL OF AGENDA:

Motion by Andy Howe, seconded by Scotty Hunt and motion carried to approve the agenda.

COMMUNITY MEETING TO GATHER INFORMATION ABOUT PROPOSED ELEMENTARY AND HIGH SCHOOL RENOVATIONS

Vice-President Barmore turned the meeting over to Board member Andy Howe, a member of the Study and Survey Task Force. Mr. Howe explained the process the Task Force went through to gather community input and then to make their final recommendations. He said the Task Force basically agreed that all of the elementary schools need to be modernized. The Task Force also decided to keep two options open for the high school — either modernize and renovate the current high school or build a new high school on a new site.

Ed Champagne described the Task Force recommendations as being a balance of constraints and opportunities. Mr. Champagne described some of the considerations around funding the improvements to the Prosser School District buildings. He also defined several terms used in the planning effort of the proposed improvements and explained what those proposed improvements are and their general cost. PowerPoint slides accompanied his presentation.

It was announced that if any community members had questions during Mr. Champagne's presentation, they were welcome to ask.

The following topics were all discussed among the community members present, the Board members and the presenters:

- •Parking at the high school
- •Where students would attend school if the high school was renovated
- •Square footage of the proposed buildings and the acreage involved
- •Potentially moving elementary students to the old high school during their building's renovation
- •The desire of some in the community to keep the brick "historical" portion of the high school, even if a new school is built elsewhere
- •Cost of maintaining the historical building if it were to be used for housing district offices
- •Providing voters with "hard numbers" of the proposals will be helpful for gaining support
- •The possibility of cheaper construction such as modular buildings
- •The importance of determining the return of investment on both building a new high school or remodeling the current school
- •The importance of changing the mindset of people who will be voting and finding out what their objections are to voting yes
- •Details about construction plans should be made available to the community to show it is a sensible plan and not too lavish

- •Coffee Hours downtown might be a good idea to provide opportunities for outreach
- •We need to be looking ahead and not back to provide our students with a great education and a community the kids want to come back to
- "Selling" the bond by saying it will be good for our pocketbook was also mentioned protecting property values
- •Security is a huge issue
- •Citizen suggestion of a USDA-based community loan if the bond is not successful
- •The hospital, doctors' offices, wineries and churches in Prosser all look nice, maybe voters will decide to do the same for our schools
- •A Bond Committee will need to be formed which will take a lot of community involvement

David Trageser from D.A. Davidson addressed the group about bond rates and when the bonds would be issued as well as the length of the bonds' terms. He distributed hard copies and used PowerPoint. We currently have no bonded debt so that will help our bond rating.

Dr. Tolcacher said it take 50% of voters to pass a levy and 60% of voters (a super majority) to pass a bond.

Peggy Douglas said that the process moving forward will show that the Board is going to be open and transparent.

Dr. Barmore thanked the community members for their interest and attendance tonight.

Andy Howe said this Task Force and bond effort have been truly community-driven.

Dr. Tolcacher said he will send flyers home with all students on Monday about the next community-input meeting.

ADJOURNMENT:

Motion by Andy Howe, seconded by Peggy Douglas and motion carried to adjourn the Special Board Meeting at 9:03 p.m.

A Special Meeting of the Board of Directors of Prosser School District was called to order at 7:04 p.m. by Bill Jenkin, President. Other Board members present included Dr. Warren Barmore, Peggy Douglas, Andy Howe and Scotty Hunt. Also present were Dr. Ray Tolcacher, Superintendent; Craig Reynolds, Business Manager; Deanna Flores, Asst. Superintendent; Julie Hyatt, Secretary and an audience representing school staff and community members. Ed Champagne, from Architects West and Jon Gores from D.A. Davidson were also in attendance. The meeting was held at Keene-Riverview Elementary.

APPROVAL OF AGENDA:

Motion by Peggy Douglas, seconded by Warren Barmore and motion carried to approve the agenda.

COMMUNITY MEETING TO GATHER INFORMATION ABOUT PROPOSED ELEMENTARY AND HIGH SCHOOL RENOVATIONS

President Jenkin turned the meeting over to Board member Andy Howe, a member of the Study and Survey Task Force. Mr. Howe explained the process the Task Force went through to gather community input and then to make their final recommendations. He said the Task Force basically agreed that all elementary schools need to be modernized. The Task Force also decided to keep two options open for the high school – either modernize and renovate the current high school or build a new high school on a new site. Tonight is a chance for everyone in attendance to voice their opinions about the proposed bond for these renovations.

Public Comment

Bill Boren, retired Prosser principal addressed the Board, saying we need to build a new high school on a new site. It would be difficult for him to support a bond to modernize the existing high school. Prosser is getting a reputation for having good teachers in miserable conditions. Historically Prosser has built buildings to satisfy today's enrollment only – and then bring in portables. We need to add some extra space now. Prosser teachers work hard and deserve better working conditions.

Ed Champagne described the process of the Study and Survey Task Force and the recommendations upon which they decided. Those recommendations are a balance of constraints and opportunities. Mr. Champagne described some of the considerations around funding the improvements to the Prosser School District buildings. He also defined several terms used in the planning effort of the proposed improvements and explained what those proposed improvements are and their general cost. PowerPoint slides accompanied his presentation. Later in the meeting, Mr. Champagne said that if we decide to build a high school on a new site, we will still need to hold on to the current high school for at least 5 years so we can use it as "swing space" to house elementary students when renovations are being made to their buildings.

It was announced that if any community members had questions during Mr. Champagne's presentation, they were welcome to ask.

The following topics were discussed among community members present, Board members and presenters:

• Our daytime population is 16,000 and our night time population is 6000. People are buying houses elsewhere as there is not enough housing in Prosser.

- We need to design facilities with room for growth, not just for the student population now
- Properties the school district owns
- Configuration of our schools currently
- Elementary schools should not be built too big, as it brings new issues

Jon Gores, bond salesman and underwriter from D.A. Davidson addressed the group about interest rates (current and future), the district's credit rating, assessed valuation, bond structure, and when bonds would be issued as well as the length of the bonds' terms. He distributed hard copies and used PowerPoint. Mr. Gores said that we currently have no bonded debt so that will help our bond rating.

Discussion continued:

• Don't put any money into the old high school to use for district offices, etc. Sell it and take that amount of money, and lower the cost of the bond. Also, possibly sell some district property to reduce bond debt, as we have actual assets we're not using. We should look at our assets and see if we could reduce our bond amount.

Bill Jenkin said he'd had a conversation with Rich Cummins from CBC about the possibility of the college using space at the current high school. Mr. Cummins said the college is very interested in establishing itself in Prosser. Bill also mentioned using the high school as a "swing site" to use for elementary kids when their schools are being renovated.

Andy Howe said we would be able to stop spending money on rent at several places with a new school. Most people want the historic portion of the high school to be saved and used. Mr. Howe also said we could benefit from the extra gyms for our community. The cost of renting our buildings downtown is \$45,000 to \$50,000 annually.

Dr. Tolcacher said the jury is still out with the FAA on being able to use the property near the airport. There is a possibility it could be used, but the runway landing patterns would have to be changed. He later also said that the school district can only provide objective information about the bond. Also, once we officially move ahead with a bond amount, we will start negotiations with Paterson School District, as they have a legal responsibility to fund the students who come to Prosser from Paterson when it is time for them to attend high school. He also recalled that when he first came to Prosser, the school district owned no additional property, so he bought several pieces of land.

- It is very important to share accurate information about how the bond is assessed as there is misunderstanding about it
- The airport property sale could be used for adding additional square footage to the elementary buildings
- Comparison of this bond effort to the last bond effort amounts

Don Aubrey talked about the composition of the Study and Survey Task Force community members. He said this process was very different than the last bond effort.

Bill Jenkin said this Task Force has truly been a community-driven effort, while some of the other bond efforts did not have enough community input.

• New schools would provide better educational opportunities for our students – so they can compete once they get into college

Mr. Champagne said that if the historic portion of the high school is saved – it would be pretty much stripped down to the studs on the inside.

- Cost of asbestos disposal on old building
- If it is decided to stay on the current site of the high school, some homes would very likely need to be purchased, which could mean additional problems if owners don't want to sell
- All three elmentaries would basically be stripped to the studs
- There is more room to grow if the high school is built on the new site above the stadium
- We currently do not have any bond debt
- We need to improve our schools so new families and businesses will want to move to Prosser

Bill Jenkin said the committee discovered how important it is for the Whitstran community to keep their school.

Andy Howe said the surveys showed that students, more than any other group, support remodeling the current high school.

Bryan Bailey, PHS Assistant Principal, said we need to focus on the safety of our kids first and foremost. Also, 21st century skills are needed for our students. Better schools will also help in the recruitment process and retaining quality teachers.

• Just moved back to Prosser – was impressed with teachers and staff but horrified by the condition of the buildings in Prosser. It was hard to give up the more modern schools in Richland to come back to Prosser. Use different terms instead of "modernizing" so people realize they are basically getting four new schools; somehow that needs to be conveyed.

Bill Jenkin asked those in attendance how many people support pursuing a new high school at a new site. It appeared that most everyone raised their hands.

- The average person needs to see the condition of the high school possibly through a video presentation on the website
- We have to go out into the community and talk to the landowners, we need to go to them!
- The talking points presented to the community need to be consistent and accurate

Funding for the bond committee was briefly discussed as was a potential timeline of the modernizations/construction of buildings if the bond passes.

The Special Board Meeting was adjourned at 8:49 p.m.

FUTURE MEETINGS:

- Regular Board Meeting, October 25, 2016, Keene-Riverview MPR, 7:00 p.m.

Prosser School District No. 116 Contracts and Personal Service Agreements - REVISED Consent Items October 25, 2016

CONTRACTS/AGREEMENTS:

Washington Virtual Academies/Insight School of Washington Assessment Agreement:

Prosser School District has agreed to provide online students from Washington Virtual Academies/Insight School of Washington access to state assessments here at Prosser School District.

The purpose of this Agreement is to provide Online/Nonresident District access to MSP, EOC, SBAC, WA-AIM, and any other state assessments provided by law to its nonresident students. Under this Agreement, the Resident District will provide assessment testing to the Online/Nonresident District's eligible nonresident students.

2. <u>Highly Capable Program Plan Approval:</u>

The state Highly Capable program application requires approval by our Board of Directors. Highly Capable supports a small portion (\$27,913) of our Highly Capable Program aka: OPEN DOOR teachers' salaries.

This grant plan is completed electronically and submitted to OSPI upon school board approval. Assurance pages are signed and kept on file at the curriculum office.

RECOMMENDATION:

It is recommended that the Board of Directors approve the above Contracts/Agreements.

PREPARED BY: Bryan Bailey, Assistant Principal Prosser High School

Background

Louis Santana of Santana Jams provided DJ services for Homecoming at Prosser High School on October 22, 2016 from 7:00-11:00 pm. DJ services will be paid through the ASB budget.

Recommendation:

It is recommended that the Board of Directors approve the Santana Jams Service Agreement.

BOARD PACKET

TO:

Board of Directors

SUBJECT:

Award of 2016/2017 Propane Contract

AGENDA:

Action

DATE:

October 25, 2016

PREPARED BY:

Craig Reynolds, Business Manager

Background

On September 26, 2016 letters seeking bids for propane services were sent out to Amerigas, Ferrell Gas, Bleyhl Farm Service, and All American Propane. We only received one of the bids back from All American Propane, our current service provider.

The 2016/2017 contract maybe renewed upon the same terms and conditions, for an additional one year term up to two (2) additional years.

Recommendation

It is recommended the Board of Directors award the propane contract to All American Propane for the 2016/2017 school year.

The following vouchers, as audited and certified by the Auditing Officer as required by RCW 42.24.080, and those expense reimbursement claims certified as required by RCW 42.24.090, are approved for payment. Those payments have been recorded on this listing which has been made available to the board.

As of October 25, 2016, the board, by a _______ vote, approves payments, totaling \$186,581.93. The payments are further identified in this document.

Total by Payment Type for Cash Account, GF WARRANTS PAYABLE: Warrant Numbers 189828 through 189990, totaling \$186,581.93

BOARD PACKET

TO:

Board of Directors

SUBJECT:

Resolution No. 06-16: Adjacent Districts' Survey

AGENDA:

Action

DATE:

October 25, 2016

PREPARED BY:

Dr. Ray Tolcacher, Superintendent

Background

As a requirement for a school district to apply for state construction funding, a documented survey of available and suitable school facilities in adjacent districts must be completed and verified by the school board. To that end, documentation of those surveys of districts adjacent to Prosser are attached and concludes there is no available space.

Recommendation:

It is recommended the Board of Directors verify the survey has been completed by approving Resolution No. 06-16: Adjacent Districts Survey

PROSSER SCHOOL DISTRICT No. 116 RESOLUTION No. 06-16: Adjacent Districts' Survey

WHEREAS, the WAC 180-25-025 (13) and WAC 180-25-070 require each school district applying for state construction funds to conduct a documented survey of available and suitable school facilities in each contiguous school district that meets the needs of the applicant school district and are either currently vacant or scheduled to be vacated within five years, and

WHEREAS, the school districts that are contiguous to Prosser School District are the Bickleton, Grandview, Kiona-Benton, Mabton, Paterson, Richland and Sunnyside School Districts.

WHEREAS the appropriate administrative personnel in the aforementioned School Districts have provided a letter certifying the availability or non-availability of school facilities within their district, and

WHEREAS, the Prosser School District has reviewed the documentation provided in the surveys from those School Districts,

NOW, THEREFORE BE IT RESOLVED, by the Board of Directors of Prosser School District, Board of Directors hereby certified to the Superintendent of Public Instruction as required by WAC 180-25-080(2) that no suitable space is available in the adjacent School Districts.

Additional School Psychoeducational Testing

AGENDA:

Discussion

DATE:

October 25, 2016

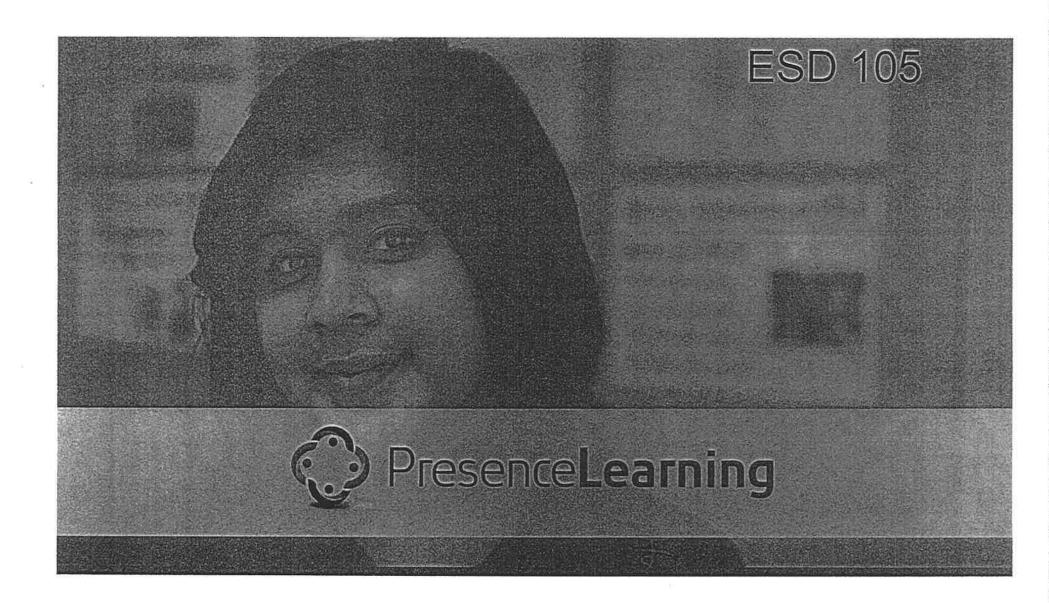

PREPARED BY:

Dr. Ray Tolcacher, Superintendent

Background:

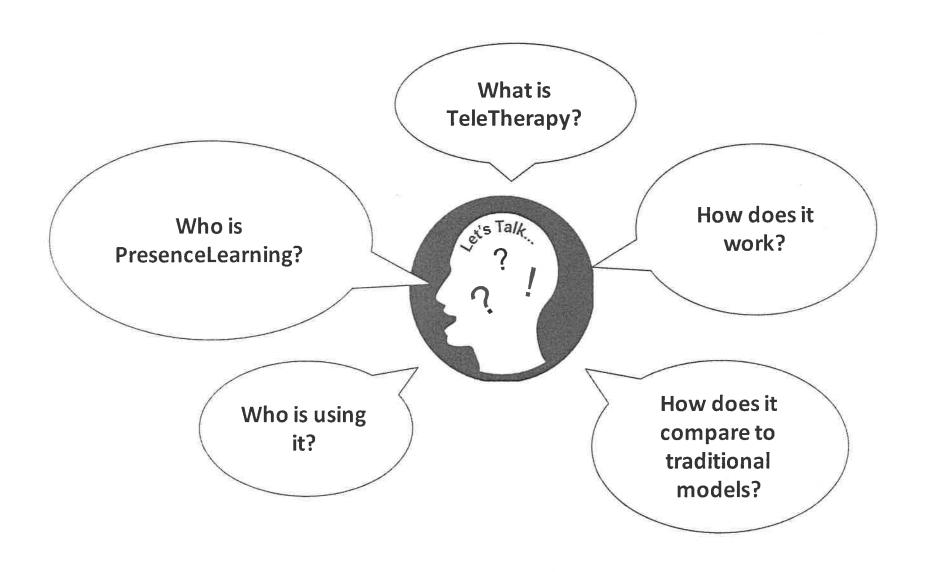

Like most school districts in the Northwest, it has been difficult to find school psychological services. At the current time our District is short on fulltime school psychologists. To retain the current psychologists' staff and to increase the number of staff needed, we are perusing the use of an ESD 105 and ESD 123 option for school district consideration. This option is called "PresenceLearning". This is an online service to do psychoeducational assessments for special education evaluation which includes attending IEP meetings through the use of the internet.

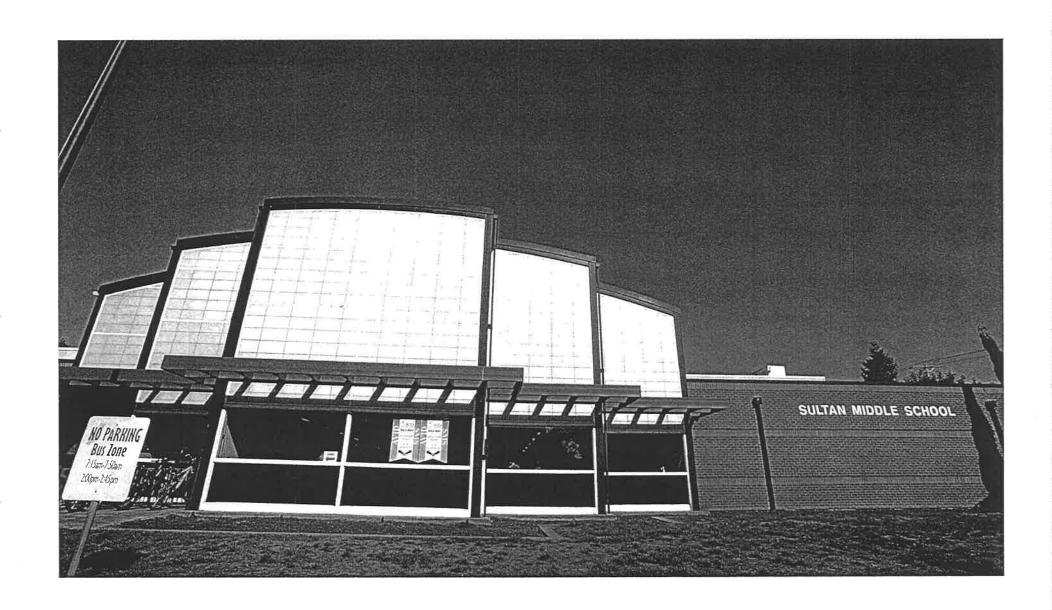

The use of online testing is a secure platform that ensures compliance with FERPA and will give our school district additional help as we continue to meet compliance as well as work to find additional onsite, district-employed personnel. Attached is a copy of the ESD 105 information packet of services provided by "PresenceLearning".

New: Psychoeducational Assessments

What We Hear from Schools About PAs

"Initial evals usually take priority over re-evals. We tend to be out of compliance in completing re-evaluations."

"It's not that there are too many psychoeducational assessments to do. I spend my time dealing with crisis situations or consulting with teachers about kids with significant behaviors in their class. So that makes it hard to devote time to psychoeducational assessments. The role of the school psychologist is so much broader than just testing."

"We serve students with very complex disabilities and educational needs.

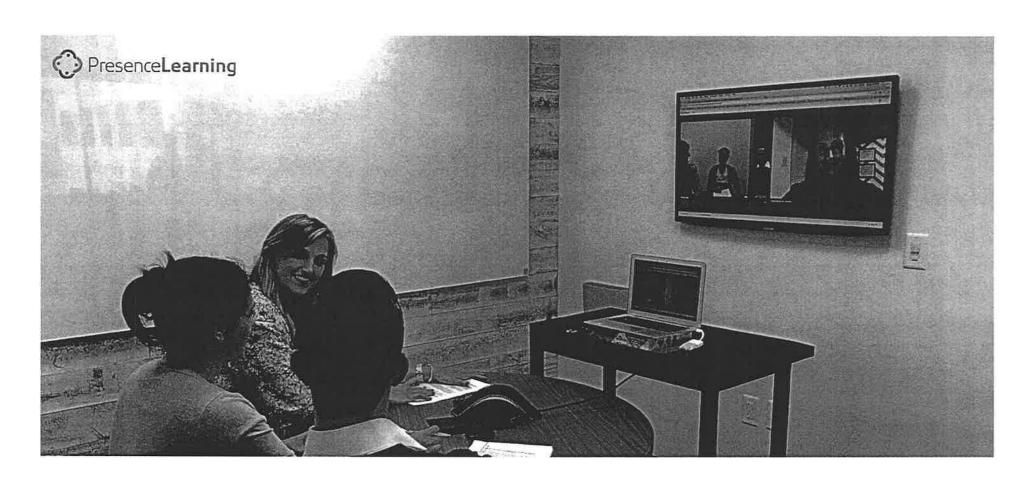

Assessing them is a huge challenge."
