SCHOOL BOARD MEETINGS

Prosser School District No. 116 * 1126 Meade Avenue, Suite A * Prosser, WA 99350

Welcome to a meeting of Prosser School District Board of Directors!

Your views and interest in education are important to us and to your schools. Whether your visit is for the purpose of bringing information to the board's attention, solving a problem, or simply to see what's going on, we hope you'll feel welcome and comfortable at this meeting. We also hope that you will leave with a better understanding of your school district and its board of directors.

How the Board Operates

As the board meeting progresses, you may notice that there is quick action on some items. This is because the board generally considers an issue for several meetings before taking action, and also because background materials on the various items are sent to members for their careful study prior to the meeting. Sometimes the board will approve a motion that encompasses many items. These items, grouped under the "consent" portion of the agenda, are considered routine. You'll be able to follow the action more carefully if you pick up a copy of the agenda that is available.

Board members are: Bill Jenkin, President; Dr. Warren Barmore, Vice-President; Bruce Matsumura, Peggy Douglas and Andy Howe, WIAA representative. Student representatives: Tye Taylor, Taylor Beightol, Zebbie Castilleja & Juan Guerra

About Board Meetings

Business meetings are held twice each month, usually on the 1st and 3rd Tuesdays. The first meeting of the month is also a time for the various educational programs of the district to provide an educational presentation to the Board. These meetings begin at 7:00 p.m.

The board encourages input on all issues under discussion at the business meetings.

About Executive Sessions

The board may occasionally go into executive session, thus excluding the public and the news media from witnessing the discussion. You should know though, that the board will only discuss issues in executive session. It must, by law, take all actions in an open meeting. The law also limits what the board can legally discuss in executive session. These closed discussions may only concern litigation, personnel selection or evaluation, negotiations, complaints against an officer or staff member or real estate transactions where public disclosure would be damaging to individuals or the general welfare of the district. Before going into executive session, the board president must estimate the time the board will return to open session.

Study Sessions

Board Study Sessions are held by the board to address specific issues and to give the board an opportunity to have staff make presentations regarding specific areas of instruction or operation. Study sessions are open meetings and offer the community an opportunity to hear the issues being discussed. Study sessions follow the same protocols as regular board meetings for addressing the board with questions or concerns.

Addressing the Board

You may present a concern to the board during the time reserved for hearing public comment. If this is the case we ask that you:

- Prior to the start of the meeting, sign in, noting the topic you intend to address to the board.
- Come to the microphone and state your name.
- Do not reflect adversely on the political or economic view, ethnic background, character or motives of any individual.
- Do keep your comments concise, nonemotional and brief.

The board is interested in hearing your concerns and your compliments too. It's best to call the superintendent's office a

couple of days before the meeting. If this isn't possible, you can ask the board president to recognize you during the hearing section.

Board Hearings

The school board can be compared to a "court of last resort." If a concern cannot be solved by first talking with the teacher, principal, or appropriate district personnel, it may be forwarded to the board for hearing. Sometimes this hearing may be conducted in "executive session," meaning the public and the media are not in attendance.

About Your Board

Public schools are especially close to the communities they serve because they are governed by men and women selected from the community. These men and women - your school board; are volunteers who spend a great deal of time on the many details involved in providing quality education.

Board members serve four-year terms. They are required to file financial disclosure statements with the Washington State Public Disclosure Commission and must be registered voters of the school district

School board members attend meetings, keep communications open with other members of the community and represent the needs of the district before local, state and national representatives. They make critical decisions that have a direct impact on what children learn and how they learn it. However, a school board is a legal body and can only make decisions as a body.

You may notice that many of the decisions the board must make are not directly related to instruction. School board members are also responsible for keeping the buildings and grounds in good shape, balancing the budget, protecting the district's legal interests, and providing for long-range planning.

RECOGNITION

Nation History Day Students

Dr. Tolcacher invited Dean Smith to address the Board about the recent National History Day activities. Mr. Smith explained the background of providing this event for Prosser students. He said it is a fantastic program. In March, 28 students from Prosser School District went to the state competition, after 70 students had competed at the regional level. Dean also announced that PHS has a club entitled WOOSH (Washington Organization of Student Historians) which several of their members also qualified for state.

Mr. Smith said that Kila Smith, Michelle Hall and he were so proud of all the students. He also reported that Prosser did very well at the awards ceremony. There were two 3rd place state finishers, three 2nd place state finishers and a first place state finisher – all of which qualify for the national competition. In addition, Michelle Hall was awarded history teacher of the year!

Dean explained that "nationals" is a huge event, which 11 of our students will be attending. It involves not just our 50 states, but some international schools compete as well. This year's event will be held at the University of Maryland. It is going to be a wonderful experience.

Dr. Tolcacher asked Michelle Hall to introduce the students who competed in the event who were in attendance at the board meeting and announce what their projects were.

Dr. Tolcacher thanked Dean for all of his hard work in organizing this annual event.

<u>Sebastian Castilleja – Boys & Girls Clubs of Washington State 2016 Youth of the Year</u> President Jenkin presented Zebbie Castilleja with a plaque from the Board of Directors, proclaiming him the Boys and Girls Club of Washington State, 2016 Youth of the Year. Mr. Jenkin then recalled some of his own memories, as he watched Zebbie grow into such a fine young man. He then asked Zebbie to explain the process on how he attained this honor.

President Jenkin announced there would be a short break so all those present could enjoy a piece of cake, brought in honor of the National History Day students' success.

PROCLAMATION:

Teacher Appreciation Week

Dr. Tolcacher read the proclamation, issued by Governor Inslee to honor our teachers.

INFORMATION ITEMS:

PTA Update

Lisa Galbraith reported that the spring plant sale was a very successful fundraiser. The club was also recognized by Washington State PTA for the increase in their membership. Mrs. Gailbraith mentioned several fundraisers the group is thinking of holding. She thanked the Board and Dr. Tolcacher for allowing them to update the Board on their activities.

Camp Wooten Update

Shellie Hatch provided an update on this annual event. While she did not attend this year, she heard many positive comments, especially about our high school camp counselors. The weather was beautiful and everyone had a great time.

Dr. Barmore reported that he and Ray went up to Camp Wooten last Thursday. All the kids were well-behaved and he also noticed how effective the high school counselors were.

Dr. Tolcacher said this was our 20th year attending Camp Wooten. He announced he is going to propose the construction of an additional swing and plaque next to the current swing and bench, which was built in honor of Bob Mars, an employee of the Kiona-Benton School District. Mr. Mars was tragically killed many years go. Dr. Tolcacher hopes there can be a dedication made next April, thanking Camp Wooten and the US Forest Service for their cooperation all these years. We can do fundraising if possible to earn the money to construct the swing. Dr. Tolcacher thanked all the staff for their hard work and said that the camp is a huge undertaking as well as a great experience for the kids.

PROTOCOL FOR ADDRESSING BOARD:

Dr. Tolcacher read the Protocol for addressing the Board.

HEARING OF VISITORS:

Linda Ledesma – School Secretaries: Mrs. Ledesma said it appears that the secretaries' voices have fallen on deaf ears. She said they are dedicated employees who have been left alone. They have no contract, no support and no acknowledgement for what they contribute to the school district. They have made every effort to reach an agreement, but have been rejected. She is asking the Board to do the right thing, to be a positive example for our youth and to acknowledge their words with a fair and equitable contract.

Rob Witcraft – School Social Workers: Mr. Witcraft is a teacher at PHS. Most of his career he has been working with kids who have a hard time in and out of school. He said there has been a lot of talk about how the demographics have changed, with a lot more families in poverty. A lot of the kids he works with, who are older, miss a lot of school and sometimes don't get the intervention services younger kids do. He thinks our entire community would benefit from employing social workers. It would be very beneficial if the District could find a

way to fund social workers to help our older students.

Dr. Tolcacher said the cost of a social worker in each school is well worth the amount of money. He doesn't know if a district our size can afford that, but we have recently made some huge gains. He said that our District recently worked with Comprehensive Mental Health, and they have agreed to have a full-time mental health practitioner, who will be housed at the high school. The interviews for this position will take place on Friday.

Deanna Flores thanked Mr. Witcraft for coming and speaking on this topic, as there are many students with significant needs. She announced she will be working on Monday with Communities in Schools. This is a national organization which works largely at the middle school level. Working with Communities in Schools and with a combination of a CIA grant, Title funds and some District funds, we will have a full-time social worker at the middle school very soon.

Dr. Tolcacher said a few more words about how we are going to be addressing these needs. He is very excited about the help we can provide our students and families.

Discussion

Bruce Matsumura asked what a social worker might do.

Deanna Flores explained some of the scenarios which might prompt a visit by a student to a school counselor, who can then refer them to the Communities in Schools staff member. This agency will help the student and their family get their needs met. They will have a much wider reach than we do in the school.

Bruce also said it seems we would want to have a goal to meet, in helping the students.

Deanna said that is the goal; getting the student back on firm ground.

Superintendent's Report

Dr. Tolcacher reported that he wants Julie Hyatt to contact the board to get a date set for his evaluation. He would like to get it done as soon as possible in May.

Dr. Tolcacher will be attending the Superintendents' Workshop this weekend. It is Sunday, Monday and Tuesday.

The Study and Survey Task Force community meeting schedule was given to the Board members.

Dr. Tolcacher said that we are starting to get inquiries on younger siblings of non-resident, grandfathered students. Dr. Tolcacher will trigger this change, to allow siblings of grandfathered students to attend PSD.

Dr. Tolcacher proposed some changes to next month's board meetings. He also wants to have an Executive Session next Tuesday night, to deal with some personnel issues. He would like to propose the board meetings be held on May 10 and May 24, and then in June, go back to the regular schedule of 1st and 3rd Tuesdays.

Discussion

Dr. Tolcacher suggested running the meetings as they are, until December, when the Board holds their organizational meeting. This could be amended though if the Board would like. The city council still holds their meetings on the 2nd and 4th Tuesday of each month.

Peggy Douglas said if we changed the meetings to the 2nd and 4th Tuesday of each month, we would likely eliminate many of the special meetings to approve accounts payable vouchers and payroll.

Board Members' Reports

Warren Barmore – Gave his report earlier about Camp Wooten.

Andy Howe - No report

Bill Jenkin – President Jenkin reported that he attended the National Honor Society induction ceremony with Warren, Bruce and Bill. Bill said he enjoyed it very much.

Student Representatives' Reports

Zebbie Castilleja – Zebbie reported that our math team from PHS went on to compete at the state level and did very well. He announced the winners' names. Zebbie also said that PHS will be hosting a college signing celebration on May 6.

Tye Taylor – Tye reported that the juniors are finishing up the SBAC testing. Also, Prom is this Saturday. MCIA (Mustang Community Involvement and Action) is hosting an after-party at the roller rink, after the Prom. FFA is hosting their annual plant sale on Friday and Saturday. Scholarship and Award Night will be June 6. The students would like to see the Board there.

Taylor Beightol – Taylor reported that Mrs. Colgren, NHS (National Honor Society) Advisor asked Taylor to thank the Board for supporting NHS. Last week FBLA students went to the state competition. Four students are moving on to nationals. Taylor read the winners and their categories.

.Juan Guerra – Taylor Beightol read Juan's report in his absence. Camp Wooten was an amazing experience and Juan has had great feedback from staff about the cooperation and productivity of the counseling staff. He really enjoyed it and realized he had communication and leadership abilities, in working at Camp Wooten. He hopes the program continues.

Adoption of Policy 2409: Credit for Competency/Proficiency – FIRST READING
Deanna Flores reported that the Prosser School District would like to offer students the opportunity to earn credit in world languages by demonstrating competency on a language assessment. We do not currently have a policy in place that addresses this need. Students who score a one or higher on their language assessment will earn from 1-4 credits towards their graduation requirements. A student who earns a 4 will receive a *Seal of Biliteracy* on their diploma at graduation. Earning credits through assessment will allow students to take other more advanced language classes and open more opportunities in their school schedule.

Discussion

Deanna explained that testing would be in 2015/16 for the 2016/17 school year. It is a nationally-recognized, standardized test. The policy is for all world languages, though we have primarily Spanish speakers. We do have a few Chinese students. We would provide the test, but it is scored by the company who provides the test. There are multiple benefits for students – it provides additional credits and allows kids to go into higher levels of Spanish. Their GPA is not affected by this policy. We already allow students to bypass certain language courses, if they demonstrate proficiency, we just don't currently give them credit for doing so. This policy would change that.

Bruce Matsumura asked questions about the test which Deanna answered. He said he was bothered that this practice may extend to other school subjects, such as biology.

Kevin Lusk said the benefit of this policy really depends on the student. He explained some of the scenarios and factors which play into a student's course plan over their high school career. This policy provides more options for our students when selecting classes.

Deanna said a lot of our school districts are already doing this, as it opens up many opportunities for our students.

Motion by Warren Barmore, seconded by Peggy Douglas and motion carried to waive the First Reading of Policy No. 2409: Credit for Competency/Proficiency and go to Second Reading.

Bruce Matsumura voted no.

Motion by Warren Barmore, seconded by Peggy Douglas and motion carried to accept the Second and Final Reading of Policy No. 2409: Credit for Competency/Proficiency.

Bruce Matsumura voted no.

Adoption of Instructional Materials for Bridges in Mathematics

Deanna Flores reported that on March 21, the Instructional Materials Committee met and approved the proposal for adoption of the following curriculum: Bridges in Mathematics, K-

5th grade instructional materials. Curriculum examples were available at the curriculum office for review from April 12, 2016 until April 26, 2016.

Bridges in Mathematics, second edition, is a comprehensive K-5 curriculum that equips teachers to fully implement the Common Core State Standards for Mathematics in a manner that is rigorous, coherent, engaging, and accessible to all learners.

The Instructional Materials Committee is also recommending crucial professional development be provided for K-5 certificated staff. Funding will be provided by Basic Ed.

Discussion

Bruce Matsumura said Tammy Feakin had helped him review the curriculum, starting with kindergarten. He said he didn't quite understand some of the names of the terms used in the curriculum. Also, he said page 12 asked students to share ideas on how to work together productively, how to make it fair for everyone, etc. Bruce felt it was more about teacher management.

Bruce reported that he then went to the third grade curriculum and that session begins with a discussion about positive behavior. It then tells students to make "glyphs". He had no idea what that was and asked Deanna. He also asked Craig Reynolds, our Business Manager. Bruce wonders why we don't just tell these young children a simpler explanation of these shapes and concepts. It frustrates him to sit down with a K-5 curriculum and not understand it. He also asked how much this curriculum will cost. Deanna said it will be about \$229,000.

Lorelle Aarstad, Sally Juzeler and Shellie Hatch all addressed Bruce's questions and concerns.

Sally recounted her experience with math education when she was a student. She said she didn't learn math and writing concepts until she was a teacher. Kids now are very open to these mathematical concepts.

Lorelle Aarstad, an instructional coach at Whitstran has been working with Bridges for the last 2 years. Lorelle explained how the curriculum meets the needs of students by grade level.

She also briefly explained what "glyph" means – which is a way to represent information.

Shellie Hatch said she appreciated Bruce's concerns. She said the school will provide workshops for parents, so they can help their students with math homework.

Warren Barmore said he was playing a game with his 7 year old grandson recently. His grandson came up with the right answer to a double number multiplication problem. The kids now know the concepts of what they are doing.

Scott Hunt said his 3rd grade son brought his math homework home and he could not help him. He had to learn that math, through Sally giving him a book. He sat in on a math class and saw that the kids "get it". Kids can now solve math problems three or four different ways.

Bruce asked if a student would get knocked down if he didn't come up with the right answer, in the "right" way.

Sally said there are several different ways to come up with the right answer; there are several different strategies which are acceptable. Concepts are taught first, then they can find a strategy.

Motion by Peggy Douglas, seconded by Andy Howe and motion carried to approve *Bridges in Mathematics* K-5 instructional materials and professional development.

Out-of-State Travel: PHS Volleyball Camp

Volleyball is requesting to attend the Blue Mountain Team Camp in Pendleton, Oregon this year. The camp will be July 7 through July 8. The cost of the camp will be paid by each individual player as well as the cost of District transportation if needed. The cost of camp is \$150 and we are planning to charge the students extra to help with the cost of transportation if needed. Please understand all summer activities are the financial responsibility of the student/athletes of the program themselves. There is no cost to the District for these activities.

Motion by Andy Howe, seconded by Bruce Matsumura and motion carried to approve out-of-state travel for the volleyball team to travel to Pendleton, OR.

Out-of-State Travel: PHS Football Camp

Football is requesting to attend the Boise State Football Camp again this year. The camp will be June 15 through June 18. The plan at this time is to load the buses the morning of June 15 and return the evening of June 18. The cost of the camp will be paid by each individual player as well as the cost of the buses. The cost of camp is \$265 and we are planning to charge the students an extra \$50 to help with the cost of the buses. Please understand all summer activities are the financial responsibility of the student/athletes of the program themselves. There is no cost to the District for these activities.

Motion by Warren Barmore, seconded by Andy Howe and motion carried to approve out-of-state travel for the PHS football team to travel to Boise State.

Resolution No. 01-16: Emergency Declaration

Craig Reynolds explained that the State of Washington has \$5 million set aside to help fund unexpected and imminent health and safety hazards for K-12 public schools. We are applying for a grant from the Office of Financial Management for imminently-required ADA modifications for specific students. The District does not have available resources to pay for these modifications.

Dr. Tolcacher said we currently have a special education student with a serious degenerative disease, who will be attending PHS next year. There are many safety issues which need to be addressed to meet the needs of this student. We have been granted a \$50,000 grant from OSPI. Additionally, we may also receive funding from the OFM (Office of Financial Management), if the Board declares an emergency.

Resolution No. 01-16 and Attachment A were both included in the board packet and declares an emergency at Prosser High School and requests funding for the items listed.

Discussion

Bruce Matsumura asked if some of these things were already on the maintenance schedule.

Dr. Tolcacher said not to this extent.

Motion by Warren Barmore, seconded by Peggy Douglas and motion carried to adopt Resolution No. 01-16: Emergency Declaration.

ROLL CALL:

Warren Barmore, Aye; Andy Howe, Aye; Bill Jenkin, Aye; Peggy Douglas, Aye; Bruce Matsumura, Aye.

Walker took 1st place at the state conference in Securities and Investments and Gauge, Sam and Briston took 3rd in Sports and Entertainment Management. FBLA and Student Store ASB money will be used to pay for the students' trip, CTE money will be used for the advisors to attend.

Discussion

Bruce Matsumura asked how much the trip will cost.

Taylor Beightol, FBLA President answered by saying that the students will be paying \$250.00 each, plus there have been fundraising efforts by FBLA this year as well as profits from the student store.

Motion by Andy Howe, seconded by Bruce Matsumura and motion carried to approve the out-of-state travel for staff to accompany students to the FBLA national competition.

\Communications\WSSDA Annual Conference Registration Worksheet.docx

Dear Board Secretary,

Registration and housing for the WSSDA Annual Conference will be opening on May 18. We appreciate your key role in the logistics and communication for your board members. Since you may be the one registering your board/superintendent team, we want to make the process as easy for you as possible.

Please take a few minutes to read through this email, which is meant to clarify some of the questions that arise annually. You will also find an attached worksheet to help collect some of the travel/registration information needed during the conference registration process.

Special Registration and Travel Instructions

WSSDA Board of Directors

<u>WSSDA staff</u> takes care of the registration, housing, and travel arrangements for all members of the WSSDA Board of Directors, including the officers and Immediate Past President.

Members of WSSDA committees or task forces

Most <u>WSSDA</u> committees and task forces meet at some point during the conference. If there is a required meeting, WSSDA will reimburse the attendees for one-way travel, one day's expenses, and one night's hotel stay.

Please be sure that any of your board members in this category register for conference and book a WSSDA group-rate hotel room prior to the cut-off date for discounted rates, Monday, October 17. If that person is not attending the conference, please contact the WSSDA Registrar by October 17 so they can allow you access to book a group-rate hotel room.

Please also book their airline tickets early, as prices often increase dramatically as the departure date nears. WSSDA runs on dues paid by each district, so we aim to use those funds conservatively.

WSSDA Past Presidents

The Immediate Past President is treated as a member of the Board of Directors, as above. All other past presidents are offered free registration for the conference, but must pay to attend the preconference. To receive the complimentary registration, all you need to do is enter a special code at the

point of payment. You may contact <u>c.lauderdale@wssda.org</u> with the party's name to receive the code, if needed.

Meals Included with Conference Registration

- Nov. 16: Early Bird Sessions include lunch and afternoon break.
- Nov. 17: Breakfast, morning break, lunch, afternoon break.
- Nov. 18: Breakfast, morning break, lunch, afternoon break, heavy appetizers at the President's Reception.
- Nov. 19: Breakfast, morning break.

Dietary or Accommodation Issues

WSSDA wants to ensure the best possible experience for every attendee. If we know how to serve our members in advance of the conference, we can plan better to support them. Please be sure to let us know ahead of time about special dietary needs or accommodations for limited mobility, vision or hearing. If you are not sure at the time you register your board, please find out and then notify the <u>WSSDA Registrar</u> of this update.

Early Birds

Know which early bird workshop each attendee wants to attend before registering. If you don't know, you can add or change them later. Descriptions are on the <u>WSSDA website</u>. We are excited to offer a new "Law Conference" early bird, which is intended only for board members and superintendents.

Housing

Your registration confirmation will include a link that allows you to book hotel rooms at the special WSSDA group rate.

The main conference hotel, the DoubleTree, is small and fills quickly. If the DoubleTree is already booked when you are ready to make reservations, you may book at one of the other conference hotels— the Red Lion Inn at the Park or the new Davenport Grand. Like the DoubleTree, the Davenport Grand is connected to the Spokane Convention Center by a sky bridge.

If the block hotels completely fill, please add your attendees to the wait list. There is considerable turnover in the last few weeks before the event and we are typically able to fulfill all reservation requests. For the wait list or other reservations questions, please contact <u>Ashley Reese</u> (509.321.9460) or <u>Rachel Meagley</u> (888.918.0282) at the Spokane Convention & Visitors Bureau.

Travel Discounts

Discounted flights are available for conference attendees on Alaska Airlines. The special discount code and other travel information are on the WSSDA Annual Conference <u>website</u>.

<u>Agreements</u>
