Markers 1 poster board Any other ELECTIVE CLASS may request specific items, which will be communicated home by the teacher at the start of that class.

- ❖ All students are required to have earbuds- these will be used in multiple classes.
- ❖ Your child will need more pencils than you can imagine. Please buy extra boxes of pencils to send to school throughout the year.
- ❖ Please do not purchase large, zippered binders (trapper keepers) to keep everything in one place. They are entirely too big and heavy for students to carry around and often do not fit into junior high lockers. Also, no wheeled backpacks for the same reasons.
- ❖ Donations of tissues, bleach wipes, hand sanitizer, whiteboard markers, and all other school supplies are always accepted and appreciated!
