December 7, 2021

Dear Maple Avenue Elementary School Parents, Guardians, Students, and Staff,

This letter is to communicate that there were 2 positive cases identified at Maple Ave Elementary School on Monday 12/6, and 2 today, Tuesday, December 7. Two are in our self-contained special programs, one is in the 4th and 5th grade span, the other in the K/1 grade span. We continue to encourage all students to continually monitor for symptoms. If even one presents, please get tested.

Per standard protocol, please follow the recommendations as outlined in **PART 1** of the [self-observation guidelines](#) by the NH Department of Health and Human Services (DHHS). Please continue to come to school and self-monitor for [symptoms](#) for the next 14 days. No other actions are needed.

If you have any questions or concerns, please contact our nurse Roni Januszewski via email at vjanuszewski@sau6.org.

Thank you for your continued efforts in keeping our schools and community safe during these times. We will continue to mask, social distance, and sanitize as directed by our [Matrix](#). Our top priority is to keep our students happy, safe, and in school. Please remember to complete the home screening tool daily, and if your student is not feeling well, please keep them home.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Nicole Bailey', is placed above the printed name.

Nicole Bailey

Principal, Maple Avenue Elementary School
