

CENTRAL TECH TRANSPORTATION FORM
For Students from Ripley Public Schools

Central Tech provides bus transportation for the secondary students attending Vo-Tech. Transportation to Central Tech originates and returns to the local high school. Dependent upon the policies and regulations of each local high school, secondary students may be permitted to drive or ride in private vehicles.

All private vehicles are to display a Central Tech parking permit and remain in the campus parking lot until class has been dismissed. No one may remain in the vehicle after it has been parked. Students are not to return to their vehicle during break or at any time class is in session. **The owner of any vehicle parked on campus accepts responsibility for any damage and/or loss to that vehicle.** Vehicles should be kept locked at all times.

Students that drive must have this form signed by (1) a parent and (2) a home school administrator. Completed forms should be submitted to the Central Tech Bursar upon purchase of a required parking permit (cost \$.50). Students who ride the bus should give this form signed by their parent to their Vo-Tech instructor.
