

Board Meeting ASB report

Good evening everyone, my name is Abbey Gabriel and I am the ASB President.

Following the last meeting's report, ASB was able to host a successful Drive-In movie night on December 10th. The Student Store, where students can buy food and drinks, is up and running. The student body has enjoyed having the store open and we have received plenty of positive feedback. We had a great turnout for the spirit week last week. Monday was Adam Sandler Day, Tuesday was Jersey Day, Wednesday was Dress As Your Favorite Teacher Day, Thursday was Bring Anything But a Backpack Day, and Friday was Holiday Attire Day. ASB is planning for a successful semester with lots of activities including Man of the Year in January, the Talent Show in March, and Prom in May. Thank you for your time and for allowing me to speak tonight.
