#### **How To Be an Explorer of The World Part 1 and 2**

This club centers on exploring the sights and sounds of the New York metro area on a variety of levels. Past explorations have included visiting Alexander Hamilton's home in NYC and then seeing the play "Hamilton"; seeing the play "Wicked"; and visiting the MET. This year we hope to go whale watching in the spring of 2022; we'll participate in the New York Stock Market Game and visit the Wall Street area via the NYC ferry service. We'll learn to solve a Rubik's cube and participate in competitions. Meet times vary depending on the projects we are working on, so look for emails and bulletins. Most trips are after school or during school breaks. (Prevailing COVID regulations for sites we visit will be adhered to.)

Hosted by: Mr. Heyward

Meet Day(s): Monday – Friday

Time: 7:30-8:10

Email: [cheyward@nredlearn.org](mailto:cheyward@nredlearn.org)
