Dear Parents & Guardians,

Pursuant to I.C. 20-33-2-39 school corporations are required to maintain proof of residency for each student enrolled in the district. While schools may have verified residency status when your child was enrolled in school, we have found that a copy of that documentation was not secured in many cases.

Additionally, in order to be compliant with Department of Education guidelines, school boards must annually adopt or readopt a policy that specifies what documentation will be acceptable for proof of residency. Last evening the Board of School Trustees adopted policy indicating any ONE of the following will be acceptable for proof of Indiana residency status:

- Current utility bill
- Telephone bill
- Tax return
- Bank or mortgage statement
- Rental or lease agreement
- Medical bills

The proof of residency must clearly display the parent/guardian name and address as well as the date. Furthermore, as part of the registration process each fall, you will be asked to verify your residency has not changed, or if it has, submit proof of the change.

You may either submit your proof of residency, dated within the last 60 days, to the school directly. A copy is acceptable; we can copy the original and return the original to you or you may send a copy in with your child. An electronic copy option is available for submission by following this link: <https://forms.gle/o3pKHHR2PNK9rwGL6>

We ask that you submit proof of Indiana residency by January 21, 2022. Please feel free to call our office if you have any questions.

Sincerely,

Nicole L. Allee, Ph.D.  
Superintendent
