

# BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

**December 13, 2021**

Here are some updates on our bond program.

## **Junior High (7/8 Grade Addition to High School)**

- The 7/8 wing is complete. [Check out the pics!](#)

## **New Elementary PreK-6 Building & 7/8 Gym**

- Construction is still moving on schedule.
- Foundation work continues.
- The stairwells are going up, and walls and doorways are taking shape.
- We're wrapping up furniture discussions.
- **How you can help:** We're ordering materials and scheduling them to arrive whenever they are available, which means we have supplies arriving to the site early. If you can help us store these items to keep our project on schedule, please reach out to us at [facilities@schoolcraftcs.org](mailto:facilities@schoolcraftcs.org).
- You can watch the construction progress here 24/7: <https://youtu.be/v2gPwHu2kpo>

## **Athletic Improvements**

- This work is on hold for the winter, and we'll resume work in the spring.

## **Former Middle School and Elementary Building**

- We continue to study our elementary and middle school buildings and the costs involved to demo those buildings.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jill VanDyken, Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at [facilities@schoolcraftcs.org](mailto:facilities@schoolcraftcs.org).

Thank you for your support of our schools and students! Go Eagles!
