

**POSITION:** Speech Language Pathologist

**QUALIFICATIONS:** Master's Degree in Speech Language Pathology; a current, valid North Carolina Board of Examiners for Speech and Language Pathologists and Audiologists (NCBOESLPA) license as well as North Carolina Department of Public Instruction (NCDPI) license

**REPORTS TO:** School Principal

**JOB GOAL:** To provide prevention, assessment, and remediation services for students who demonstrate difficulties in the areas of language, articulation, voice and fluency. These services are designed to help children meet their educational goals.

**MAJOR FUNCTIONS:**

- Organizes a program that addresses local speech/language goals.
- Works cooperatively with school personnel to accomplish the goals and objectives of the local education agency.
- Maintains records of the speech/language program and periodic reports as required.
- Adheres to established rules, regulations, laws and appropriate ethical standards.
- Conducts speech/language and hearing screenings
- Administers formal and informal (ongoing and curriculum based) assessments.
- Analyzes and interprets information to make recommendations regarding speech, language and hearing programs.
- Collaborates/consults with classroom teachers.
- Plans evidenced-based interventions appropriate for the individual students and groups of students.
- Develops appropriate IEPs based on students' strengths and needs.
- Provides consultation to parents, teachers and other appropriate school personnel.
- Makes recommendations and referrals for audiological/medical and related services.
