

December 14, 2021

Good afternoon EGF Families and Staff Members,

The reason for this correspondence is to notify families and staff members about a temporary transition to distance learning at the Senior HS for the remainder of this week. Close to 200 students are absent at the SH today and there is a need to have students stay home and get healthy if they are sick. We have received several reports of Influenza A cases and a very small number of COVID related cases.

The number of absent students at the other three buildings is much smaller and we are hoping to continue with normal operations in all of them. **This temporary transition is ONLY for GRADES 9-12.** Information related to Senior High School activities will be communicated to everyone as soon as possible.

Please continue to monitor the health of your children and keep them home when sick. We have seen a significant increase in the number of student absences due to illness and want to take whatever steps are necessary to keep everyone healthy. The Senior HS temporary transition to distance learning will run through Friday, December 17, 2021 and be re-evaluated at the end of the week. Please feel free to contact the SH office or me if you have any questions or concerns.

Thank you!

*Mike Kolness*
