

ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background**

Summary & Background

CENTRAL VALLEY CSD AT ILION-MOHAWK

212101040000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Submission Instructions

CENTRAL VALLEY CSD AT ILION-MOHAWK

212101040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The ARP-ESSER Application – Part 2 is due by August 31, 2021.

CENTRAL VALLEY CSD AT ILION-MOHAWK

212101040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.

In February 2021 the district sent a survey to all students in grades 5-12 asking for feedback on the effects of COVID-19 on their learning and social-emotional well-being. The questions generated were compiled by teachers, support personnel, outside agencies that work with the district (i.e. ICAN, SIP) and reflected concerns being seen as a result of COVID-19. The results of this survey were shared with all Child Study Teams in the applicable buildings and outside agencies. When reviewing the answers it became apparent that students needed more academic support and social-emotional support. In June 2021 a Closing the Gap survey was sent to all parents asking two questions related to closing the learning gap and SEL. The responses were compiled and reviewed with a team consisting of administrators, teachers, parents, and students. The purpose was to discuss ways the district could effectively address the concerns as well as discuss the viability of the suggestions. Finally, in July 2021 an Instructional Survey was sent to all households in the district in an effort to gain insight into the transportation and internet needs of our students. The results were used to plan for transportation needs and the technology needs that students may face if we had to pivot to virtual learning at any point during the school year. In addition, the Federal funds surrounding the American Rescue Plan were discussed at Board of Education meetings by the Superintendent via his administrative reports. This allowed a community forum where the public could listen and provide feedback regarding how the use of funds. When finalizing how funds would be expended, a Google doc was created that was open for administrators to compile ideas received via their faculty meetings, parent meetings, or community interactions. Each suggestion had to be vetted in how to close the academic achievement gap, address SEL needs, and provide a well-rounded educational program for students.

As we implement the plan for ARP-ESSER funds a regular review will be done via BOE meetings for community members to ask questions and share thoughts, faculty meetings for teachers and staff, and parent meetings (i.e. PTA, Parent and Family Engagement night). An overview of how the district is utilizing the funds to close the gap and address SEL needs will be included in administrative Board of Education reports which are open to the public. The stakeholder committee will also reconvene at least twice each year during the implementation of the plan to evaluate the progress and elicit feedback.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.

Anyone requesting a copy of the plan will be directed to call the District Office at 315-894-9934. A copy of the plan can be physically mailed or sent electronically as an email attachment. It can also be found on the website below. Parents will also be sent a school message directing them where they can find a copy of the plan.

<https://www.cvalleycsd.org/>

ARP-ESSER LEA Base 90% Allocation - Program Information

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

The district will use funds to implement prevention and mitigation strategies consistent with the most recent CDC guidance documents in the following ways:

- Funding additional personnel for the maintenance and transportation departments
- The additional personnel (maintenance helper and full-time cleaner) will allow for deeper sanitation in the classrooms and high traffic areas (i.e. gymnasium, cafeteria, locker rooms). The impact of COVID on transportation routing has made it challenging for one person to manage over twenty bus routes. The assistant transportation director will work to streamline routes and as an additional resource to manage the multiple routes in the district.
- Allotted funds for cleaning equipment that will assist in maintaining a sanitary learning environment for our students,
- It became necessary to improve the efficiency of our higher impact cleaning machines and purchase additional equipment to be used to disinfect areas.
- Addition of a floating nurse to address contact tracing, COVID testing requirements, and parent communication.
- The impact of COVID-19 on the nurses' offices has been significant. The additional nurse will be assigned to the buildings and rotate when a nurse is absent. The person will assist with quarantine phone calls, communication with the public health office, required COVID-19 testing, and any other mandate that is forthcoming.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

The LEA will use the following data to identify student needs and monitor student progress as a result of planned interventions and supports:

- STAR testing at the beginning, middle, and end of the year as well as progress monitoring throughout the school year
- Wilson FUNdations and Wilson Intensive Reading Unit tests
- SAVVAS math topic and diagnostic testing
- Heggerty language screeners
- Technology programs that track student data (IXL, LEXIA, Castle Learning, Flocabulary, RAZ Plus, Vocabulary City, Reflex Math, Accelerated Reader)
- Regents exams
- NYS English and Mathematics Exam

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

The LEA will use the required reserves of 20% of funds to address the academic impact of lost instructional time through the implementation of evidence-based interventions through:

- Summer School programming-The program will run 16 days for 3.5 hours a day and focus on closing the gap in reading and math for students entering grades 1-7.
- Summer Enrichment programs (Art, Music, STEAM, Fitness, FACS, Technology camps)-The enrichment camps will focus on the arts, fitness, and electives for students and provide them an opportunity at the 5-12 grade level to attend the program over the summer months. It will be structured to run over 16 days for 3.5 hours a day with a different group of students and levels each week.
- After-school tutoring-Teachers will stay after school hours to provide students with additional support in the completion of homework or reteaching content.
- Twilight tutoring-Teachers will be available in the evening to provide students who may not be able to stay after school with support in their homework or reteaching content.
- Math and ELA consultant-The consultants will be used to help realign the curriculum to address learning loss, pace the learning objectives for the school year, plan for instruction and intervention resources and strategies.

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

The LEA will spend the remaining ARP ESSER funds in the following ways:

- Additional teachers to lower class sizes at the elementary level,
- Additional special education teachers to target academic gaps and learning loss,
- Additional English teacher at the middle school to address learning loss from COVID-19 for incoming students,
- Additional English teacher at the high school to address learning loss from COVID-19 for incoming students,
- Maintain ELL, PE, Health, Music, Global Studies, AP Capstone teachers to sustain offerings,
- Additional instructional technology support TOSA to support instructional learning and new platforms,
- Athletic fitness coordinator to provide wellness and fitness during students' study halls and after school,
- Athletic trainer for safety,
- Additional School Resource Officers (2) to maintain safe learning environments during COVID

7. **In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.**

The LEA will spend the remaining ARP ESSER funds in the following ways:

- SEL Study Groups-These will occur after school and provide support for teachers in mindfulness practices in the classroom. Teachers will be trained in mindfulness strategies for the classroom as well as be provided with materials to support these strategies.
- SEL Heart Monitors for middle and high school students to help ease anxieties and promote wellness.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

ARP-ESSER Return to In-Person Instruction

CENTRAL VALLEY CSD AT ILION-MOHAWK

212101040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The district's reopening plan has been posted on the website, https://docs.google.com/document/d/1Grax35fgkJLo_vz8FBwH5lQLT14uiXKFVMCKwLTcPA4/edit?usp=sharing

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) its plan for in-person instruction, including a description of how public comment will be collected.

The LEA will review the re-opening plan at administrative, faculty, and Board of Education meetings. It will be posted on the district website for review and reviewed at the Board of Education meetings by the Superintendent of Schools and shared via the school messaging system with the location of the plan for parent review.
