

ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background**

Page Last Modified: 09/29/2021

Summary & Background

NORTHERN ADIRONDACK CSD

090901040000

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

ARP-ESSER Application: Part 2 - ARP Act**Introduction/Instructions - Summary & Background**

Page Last Modified: 09/29/2021

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

- not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and
- not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP Act

Introduction/Instructions - Submission Instructions

Page Last Modified: 09/29/2021

Submission Instructions

NORTHERN ADIRONDACK CSD

090901040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

RE: ARP-ESSER Application – Part 2

New York State Education Department

89 Washington Avenue

Albany, NY 12234.

Deadline for Submitting the Applications:

The *ARP-ESSER Application – Part 2* is due by August 31, 2021.

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

NORTHERN ADIRONDACK CSD

090901040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

The District held a number of developmental work sessions with Administrators, Dept. Heads, and certain employees designed to develop the overall Budget plan regarding the use of the ARP Act funds, in a similar format to the process used with the CARES Act and CRRSA funds. The Plan development was reviewed and discussed at several Board of Education Meetings. Additionally, the District utilized a survey tool to solicit the opinions of District residents. The community survey results were included in the evaluation and determination of the final Budget. The ARP Act funding will continue to be addressed at BOE Meetings and Budget Development workshops over the term of the Grant.

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The District will post the final, approved LEA ARP-ESSER on its website at www.NACS1.org to make it available to all interested parties. The District will make a hard copy of the Plan available to those individuals who request it in that format. The download of the Plan and addition of a link to the Plan on the District Website will take place as soon as practical following approval of the Plan.

ARP-ESSER LEA Base 90% Allocation - Program Information

ARP-ESSER Application: Part 2 - ARP Act

LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information

Page Last Modified: 02/07/2022

3. In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.

The District will continue to implement and follow all CDC, NYSDOH, and Clinton County DOH guidelines and guidance regarding the operation of in-person learning. The associated Budget Plan for the ARP-ESSER funds does include additional nursing positions to assist in the remote learning process in areas such as infection rate monitoring, contact tracing, vaccination status tracking, quarantining and isolation orders, etc. that are a necessary part of the process to maintain a safe in-person program.

4. In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.

The District will utilize annual standardized test results, various assessment tools, mental health evaluations, discipline and counseling referrals, and attendance data; all of which will be compared to Pre-COVID results to help identify student needs. In subsequent years of the multi-year Plan, updated test and assessment results will be compared and analyzed to the base year results to help determine the effectiveness of the various interventions applied. The majority of the interventions are related to extended learning opportunities, both through Summer School programming as well as after-school instructional opportunities being added. Additionally the funding will be used to support the cost of additional Teacher Aide/Student Aide(s) to allow for small group instruction which is key to many intervention models.

5. In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.

The District will utilize the required 20% reserve of its ARP-ESSER LEA Base 90% Allocation to fund a portion of Summer School Programming, After School Instructional Programming, and additional Teacher Aide/Student Aide position(s) to help implement suggested and proposed interventions, many of which function in small group settings that require the additional instructional support staff. The Summer School and After School Programs would largely be in FY 23-24 and Summer of 2024, due to the fact that the District is utilizing a portion of its CRRSA funding to cover similar programs in FY 21-22 and FY 22-23.

The District will utilize the 20% LEA level reserve for learning loss (\$315,885) to cover salary (87,500) and benefits (130,750) of five (5) full-time Teacher Aide/Student Aide(s) in FY 21/22. Also the funds will be used to cover a portion of Summer School costs in J/A 2024. The total for this program, utilizing the 20% reserve is \$97,635; Salaries (78,108) and Benefits (19,527).

The Aide(s) will help implement and carryout various grade level specific High Dosage Tutoring Interventions through push-in to the classroom and working with targeted, small groups of students identified as in need of Academic support.

The Summer School Program will extend the educational cycle by an additional (20) days in J/A, targeted for students identified as in need of Academic support.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

Page Last Modified: 02/07/2022

6. In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.

The Districts plans to use the remaining 80% of its ARP-ESSER LEA Base 90% Allocation in a variety of ways (detailed in the attached Budget) to support the continued operations of in-person learning, strengthen our oversight and response to SEL/Mental Health needs of our student body, provide resources to help offer instruction to students temporarily quarantined or isolated due to pandemic related health issues (thereby allowing us to maintain the current instructional system's personnel and resources for the remaining in-person population), and offer various alternative instructional/extra-curricular activities that in most cases will take place in an after school setting, thus extending the learning day.

The remaining 80% of the ARP ESSER (LEA level) funding will be used to:

- (1) Salary (180,000) and benefits (90,000) of additional School Psychologist covering the entire funding period, to provide additional support/response to student SEL/Mental Health issues.
 - (2) Salary (220,000) and benefits (113,445) of Educational Technology Coordinator covering the entire funding period, to provide additional support to both in-school and remote learning platforms for students not able to participate in in-school learning as well as to faculty who need to provide the remote instruction.
 - (3) Salaries (195,000) and benefits (205,000) of (2) LPN positions covering the entire funding period, to provide necessary support to allow for in-person learning with mandated COVID protocols in place.
 - (4) Various supplies/materials & purchased services to increase the educational and extracurricular opportunities of students through programs such as STEM, drone technology, E-Sports, Interscholastic Bowling, and Drama Club.
 - (5) Purchased Services (\$70,594) to cover the costs of a Board Certified Behavioral Analyst over the entire funding period, to provide additional support to the instructional process working with students who are demonstrating behavioral issues due to the negative effects of the pandemic.
- Additionally, under the 20% LEA level Reserve for Learning Loss, the District will carryout a Summer School Program in J&A 2024. This will include a portion of salaries and benefits for Teachers, Aides, Admin., RN(s), Bus Drivers and Bus Monitors (if needed). The J&A 2024 Summer Program costs are being split between the ARP - State Level Reserves (\$30,000) and the ARP - 20% LEA Level Reserve for Learning Loss (\$97,635).

7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

The District will continue to periodically test and evaluate the student body's educational and mental health status and compare all new results to prior testing points as well as baseline data (See also Q.#4 response). Based on the District's relatively high level of students with disabilities and students from low-income families, these segments of the overall student body will continue to be highly scrutinized and evaluated to determine the effectiveness of interventions in place and for the possible need to change or enhance the currently selected interventions.

The District has a fairly high percentage of students from low-income families and students with disabilities. Additionally we serve a much lower percentage of students who are experiencing homelessness, are in a Foster Care setting, or are seasonal migrant students. Due to the high number of students in the first two categories, as is common in rural, high needs schools such as ours, a significant portion of both our Regular Budget as well as the ARP ESSER Budget is focused on students in these subgroups.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

Page Last Modified: 02/07/2022

ARP-ESSER Return to In-Person Instruction

NORTHERN ADIRONDACK CSD

090901040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

The District's previously developed (updated as needed) LEA Reopening Plan will be posted at www.NACS1.org to satisfy this requirement. <https://www.nacs1.org/browse/256756> for the link

Interested parties will be directed to the website and the related link. All interested parties who cannot access the Plan information via the District website, could receive the information by request through the District Office

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

Page Last Modified: 02/07/2022

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) its plan for in-person instruction, including a description of how public comment will be collected.

The District will continue to monitor all guidance from NYSED, CDC, NYSDOH, and local DOH offices to determine any need to revise the reopening plan as previously developed and updated.

See the link provided in the prior question for an example of updated guidance developed and made available. We will continue to evaluate public comment when updating the pandemic related plans and policies.

The Plan will be reviewed every six months at a minimum, and more frequently if the situation dictates it.

ARP-ESSER LEA Base 90% Allocation - Budget

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "TBD" or "Varies" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. **Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.**

[ARP ESSER LEA Base 90 Form FS10 as Revised 02042022.pdf](#)

2. **Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.**
