

Northern Adirondack CSD Board of Education Budget Development Meeting Schedule and Calendar

The development of a school district budget is a thoughtful, year-long process including careful long-term planning. This process is multi-faceted including budget preparation, presentation, review by the Board of Education and community members, formal budget adoption, further sharing with the community, and Board election. During this process there are a variety of meetings held by the Board of Education. The Northern Adirondack Central School District community is invited to attend these sessions as they are open to the public.
