

PANHANDLE-PLAINS HIGHER EDUCATION FOUNDATION (PPHEF)

Windmill Scholarship

Panhandle-Plains Higher Education Foundation has created the Windmill Scholarship to help students with funding towards their education cost. The goal of the scholarship program is to assist deserving students meet their educational cost as they work towards their chosen higher education goals at colleges and universities.

General Criteria:

- Must be a US citizen or permanent resident and a Texas resident.
- Plan to enroll or currently enrolled at a governmental or non-profit educational institution, located in the State of Texas that has been accredited by a recognized accrediting agency, such as the Southern Association of Colleges and Schools; and provided the institution offers an academic degree program requiring at least two school years attendance. Note: Degree or Certificate programs that are described as technical programs or do not prepare a student to transfer to a college and work towards a baccalaureate degree are not eligible programs for scholarship consideration.
- Permanent address must be in one of the Texas Counties within the PPHEF service area for scholarship consideration. Please review PPHEF Service Area Counties on back to see if you or your students are eligible to apply for scholarship.
- Eligibility will be assessed by reviewing information concerning academic performance, financial need, extracurricular activities, leadership and reference recommendations provided in the application process.
- Applications will be reviewed and scored on a 100 point scale to determine eligibility and award amount for the scholarship.
- Full time college enrollment is required to receive the scholarship award.
- Applicant may receive the scholarship awards for a maximum of four academic years (Fall/Spring) of undergraduate enrollment or receipt of their first baccalaureate undergraduate degree, as long as they continue to meet satisfactory academic progress guidelines.
- Scholarship awards may not be used for summer school attendance.
- Scholarship awards will be sent directly to the college or university the applicant plans to attend for credit or disbursement to the student account.
- Scholarship award funds must be used for eligible educational expenses consisting of tuition and required fees, required books and supplies, room and board, and incidental expenses related to attendance such as travel expenditures.

Academic Criteria:

- Must be a Texas High School graduate from an accredited public or private high school with at least a 2.50 cumulative GPA or higher on a 4.0 scale to be eligible for consideration. Applicant must provide a copy of their 7th semester high school transcript that shows cumulative GPA (unweighted) and class rank.
- Currently enrolled College students must have a cumulative GPA of at least 2.50 on a 4.0 scale or higher to be eligible for consideration. Applicant must provide a copy of their transcript that shows cumulative GPA and number of hours earned.

Financial Need:

- All applicants will be required to complete the Free Application for Federal Student Aid (FAFSA) to determine the financial need component.
- Applicant must provide a copy of the Student Aid Report (SAR) to PPHEF as part of the application process.

Application Process:

- Applicants will be scored on Extracurricular Activities including academic honors or community volunteer activities, athletic, religious as well as paid and unpaid work. Showing leadership growth in the above activities need to be highlighted for additional scholarship points.
- Applicant will be asked to provide email addresses to 3 separate (non related) references. PPHEF will independently send those references instructions on how to complete the reference request by the applicant.

Satisfactory Academic Progress:

- o Student must maintain a cumulative GPA of at least 2.5 each semester of enrollment to be eligible for disbursement or renewal.
- o Student must earn 24 semester hours per year (Fall/Spring) which will be checked annually to be considered for renewal.

Scholarship Renewable Process:

- o Student must meet the satisfactory academic progress requirements to be considered for renewal.
- o Scholarship awards may be auto renewed once their spring semester transcript has been reviewed and it is verified they have met satisfactory academic progress requirements.

Application Dates:

Application process will open for new scholarship applicants in early January of each year to complete the initial application. The priority deadline date for initial scholarship applications will be March 15th of each year. Applications completed and received by the priority deadline date will be reviewed and awarded in date received order as long as funds are available. Any completed applications received after the priority deadline date may still be reviewed and awarded, if funds are available, in date received order.

The application process may remain open until May 31st. Once funds are exhausted for the application period the application process will be closed. These dates may be subject to change and we highly recommend reviewing information on www.pphef.org for the most up to date information.
