"Expecting Excellence Every Day"

December 15, 2021

Dear Coweeman Families,

You may have seen the messages about harm rumored to happen on December 17 in America's schools on the social media app Tik Tok. These messages are being shared nationwide, and none of the several we've seen have been generated locally.

Student and staff safety remain a top priority in Kelso School District and we will continue to monitor the situation.

Thank you for your support and trust in Kelso Schools.

Sincerely,

Greg Gardner
Principal
Coweeman Middle School
