

Caring for Your 1:1 Device

Here are some helpful tips to keep your device in working order!

1. Keep the device on a flat surface like a table or desk. Don't leave it on the floor where it can be damaged.

2. Don't pile things on top of your device, and be careful with your backpack when the device is in it.

3. Make sure there isn't anything on the keyboard when you close your device.

4. Keep food and drinks away from your device, and make sure your hands are clean when using it.

5. Be careful when carrying your device, always use two hands and never carry it by the screen.

6. Charge your device when not in use but it's unnecessary to leave a fully charged device plugged in long-term.

7. If your device sustains damage, be sure to notify your teacher immediately. Do not try to fix it yourself.

8. Avoid exposure to direct sunlight and extreme high temperatures. Devices should never be left in Automobile.

9. Remember to stay safe online, protect your passwords, stay on approved websites, and log out when finished.
