Dismissal Guidelines

Drop-Off/Pick-Up Zone Guidelines

- Drivers are to stay in the car. Staff & volunteers will assist students out of the cars.
- Be ready to load and unload quickly.
- Be mindful of which side the students should exit the car from:
 - Third Street: Right Side
- Do not use the streets immediately around eStem to get to the drop-off/pick-up points; you will need to start several blocks away to help ease traffic congestion.
- Do not block intersections or crosswalks.
- Be mindful of all pedestrians.
- Pull forward as far as possible.
- Do not park in the alley or the northbound lane of Louisiana.
- If you have multiple students attending eStem, Your car rider location is based on the youngest student's grade. ****If the youngest sibling is in K-3 grade and listed as a car rider, any Jr. High siblings will be escorted to and dismissed from the Elementary building. If the youngest sibling is in 4-6 grade with a Jr. High sibling and is listed as a car rider, those students (4-6) will be escorted to and dismissed from the Jr. High building.**
- Any K6 students listed as walkers with Jr. High siblings will be escorted to the Jr. High building to wait for their Jr. High sibling before leaving together as walkers.**

How It Works

- Get Your Student's eStem Schools ID at the School Front Office and Make Sure It Has the Fall 2022 Semester Red Security Sticker Affixed to the Front of the ID Before Aug. 31, 2022
- Have Your Student Present the ID to the METRO Bus Operator or METRO Connect Driver Upon Boarding
- Mark Your Calendar for Getting Your Student's Security Sticker Updated at the School Front Office in January 2023 to the Winter/Spring/Summer Semester Sticker Color (update the sticker by Jan. 31, 2023)

Important Notes For Trip-Planning

METRO is still operating reduced service as part of its COVID-19 pandemic response. Several routes that existed before the pandemic are no longer in operation, permanently, including routes to Jacksonville, Sherwood and Maumelle. **Service alerts may be found at the top of rmetro.org or within the Service Alerts submenu of the free METROtrack app. Check for active service alerts before each trip to see the latest transit service information.**

Additional Key Information

The federal mask mandate for public transportation is no longer in place as of this flyer publication. Students are encouraged to wear face masks to follow the Code of Conduct while riding during periods of increased community COVID-19 caseloads.

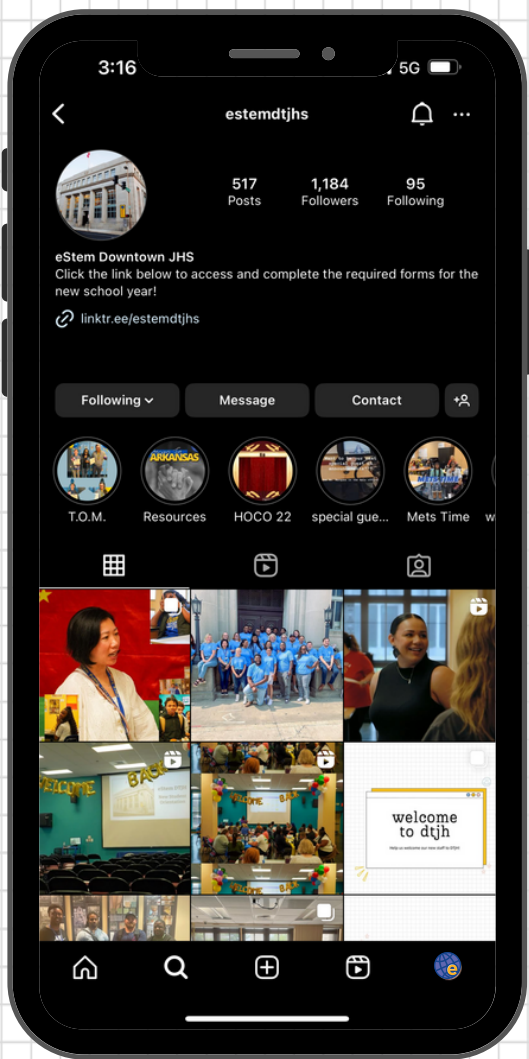

Students are expected to follow METRO's Code of Conduct, which can be found under the Rider Info/Rider Information section of rmetro.org. Failure to follow the Code of Conduct could result in suspension from the transit system.

Please visit rmetro.org/metro-transit-101/ for more information on planning trips and using real-time arrival technology to learn exactly when your student's bus will arrive at a specific stop.

Did you know? Monday, June 20, 2022 METRO launched expanded and new METRO Connect microtransit zones. Find zone maps, schedules, points of interest and connecting route information under the Services tab at rmetro.org, then select METRO Connect. Scroll down the landing page for "how to" information.

Hall Sweeps

Students have four minutes to transition to each class, and we want to help our students understand the importance of punctuality. When we conduct hall sweeps, students are made aware well in advance to make sure to be on time to avoid an automatic detention. **Should your student experience an issue during a certain transition, please email Asher.Henry@estemschools.org or Brandon.Love@estemschools.org about that particular transition time.**

NOTES FROM THE NURSE

If your child has any cold or flu-like symptoms, please keep them home.

- Our district-wide policy states:
 - Any student who has 2 or more symptoms of illness including headache, sore throat, runny/stuffy nose, cough, diarrhea, fatigue, body aches, shortness of breath, chest pain, fever, etc. will be sent home. A fever does not have to be present in order to send a student home.
 - Any student that has these cold/flu symptoms must be picked up from school. Students should remain home until symptom and/or fever free for 48 hours without fever-reducing medication or as directed by their physician. The parent should consider contacting their physician for further instructions and notify the Director of any test results they may receive.
 - We encourage all students and family members, medically able, who are 12 years old or older to get their Covid vaccination.

Please call or email with any concerns or questions.
Natalee.Miller@estemschools.org

COVID REPORTING

ALL positive student COVID-19 cases **MUST** be reported by filling out the form <https://forms.gle/WnxDacfGyFuyejSr9> FIRST, whether your child attends virtually or traditionally. Then, contact your child's school Director. We report all cases to ADH, whether the child is on campus or not.

If you are reporting a positive case for a child that participates on an eStem sports team or in cheer, contact the school Assistant Director as soon as you have that information (not the coach or another teammate). By reporting this information to the Assistant Director, we can ensure that all information is reported correctly and any contact tracing can be started immediately.

We appreciate your help with this!

School Director's Email: melissa.gray@estemschools.org

If your child tests positive for COVID, please make sure that you are answering all phone calls and that your mailbox is not full and can receive messages. Nurse Investigators are only making one attempt to call individuals with positive results, and this call is how you will receive information about isolation dates and protocols.

If your child was first classified as a Probable Close Contact (PCC) but then tests positive for COVID, please contact your child's school Director so that we can ensure you have the most up-to-date information for when your child will be able to return to school.
