

eStem Athletics

200 River Market Ave. Suite 225

Little Rock, AR 72201

My name is Dustin Williams and I am the District Athletic Director for eStem Public Charter Schools and eStem Mets Athletics. I am reaching out to you in hopes to make an impact with our athletic programs and in our schools this year.

We currently have 5 campuses in our charter system. Our high school is located on the UALR campus. Our Downtown Junior High and Elementary campuses are located on Third Street Downtown and our East Village Junior High and Elementary campuses are located on Shall Avenue across from Heifer International.

Our Athletic Department currently competes in the 5A Central classification of the Arkansas Activities Association. Currently we are a 100% rental program when it comes to facilities and transportation of our student-athletes. The sports offered at eStem are golf, cross country, swim, basketball, cheer, dance, baseball, softball and soccer, with plans of expansion in the upcoming school years.

Sponsorships and donations help us budget for expenses throughout the year, including:

- Facility and transportation rentals for all sports practices, games and events
- Medical staff and trainer coverage of practices and events
- Purchasing of equipment, uniforms, team meals and team experiences
- Paying medical and training, game day operational staff, referees and officials
- Funding an annual college scholarship for two graduating seniors per year
- Keeping sports affordable for families and providing opportunities to low-income families
- Opportunities for program and department expansion

There are major benefits of becoming a sponsor or making a donation to our organization:

- Advertisements on athletics website, social media, game day programs, and radio
- Athletic Season Passes and Athletic Banquet tickets
- Custom ordered eStem Athletics gear
- Free copies of sports schedules
- Tax Deduction Letter

**Top two sponsorships will be featured on all Student-Athlete Awards Plaques*

You can select from the documents attached to donate or learn more about all of our sponsorship and social media packages. Information can also be found by visiting our website www.estemschools.org and selecting the Athletics page under Campus Life. Please do not hesitate to contact me directly if you have questions or if I can help in any way.

We appreciate your support - GO METS!!!
