

IMPORTANT UPDATE
AS OF 4:45 PM
12/16/2021

Dear Families,

We want to update you regarding the potential threat that we notified you about earlier today. We knew this morning that the message did not identify a specific "GHS" but take every potential threat seriously. We have worked with Globe Police Department and have been in contact with other districts and other police departments to determine that the threat may not be credible and may be a part of a troubling post that has been shared widely this week on the social media platform TikTok. The post refers to a threat to school safety "for every school in the USA, even elementary," on Friday, December 17.

The post appears to be part of a national TikTok trend and did not originate in our school district. We have heard reports from other districts that the same post is circulating in their schools. While we do not believe the threat to be credible, we are closely monitoring the situation and taking it seriously. We have had an increased police presence in our buildings today and have cancelled Friday school for tomorrow out of an abundance of caution.

This situation serves as a good example of why it is important to avoid sharing posts online that refer to school safety threats. Even if they are not credible threats, they can cause a great deal of stress and anxiety for our students, families, and staff. We ask our families to monitor their children's social media activity and speak with them about proper behavior online.

If you or your child become aware of any potential threat posted to social media or anywhere else, please notify a school staff member, police officer or trusted adult right away.

As always, thank you for your partnership as we work to ensure a safe, secure, and positive learning environment for our students as we live up to our vision of "capturing hearts, empowering minds."
