

# Free and Convenient COVID Vaccines for Kids

Check with your primary care physician to find out what is best for your child.

Children age 5 and older are eligible for the Pfizer vaccine.

Moderna and Johnson & Johnson are only approved for those 18 and older.

**Call 706-509-3750 to schedule a vaccination with a Floyd Primary Care provider if you want to receive the Pfizer vaccine.**

If you wish to receive those vaccines you can schedule an appointment with:

- Department of Public Health
- Local Pharmacies
- [vaccines.gov](https://www.vaccines.gov)
