December 19, 2021

Good afternoon EGF Families and Staff Members,

The reason for this correspondence is to update families and staff members about the temporary transition to distance learning at the Senior HS. The preliminary data shows a decrease in the number of reported absences at the Senior HS due to illness. The current plan is to transition back to in person instruction for grades 9-12 on Monday, December 20, 2021. We have seen an increase in student absences at CMS and will be monitoring the situation throughout the District. On a positive note, reported positive COVID case numbers during the week of Dec 13-17 were less than previous weeks. Student and staff absence data from Friday, December 17th is listed below for you to review. PLEASE keep your children home if they are not feeling well and report positive case information to a member of the COVID team or the building where your children attend school. PLEASE NOTE - Students will be dismissed at 12:50 (NH & SP) and 1:15 (CMS and SH) on Wednesday, December 22, 2021.

12.17.21 Absences	Pre-K	New Heights	South Point	CMS	SH	Total
