Thank you for visiting our website to learn more about our student transfer policy. We appreciate your interest in Valliant School District. We do our best to welcome additional students to our district whenever it is possible.

Valliant Public Schools makes decisions about student transfers in accordance with district policy and state law. You can download our comprehensive district policy below; however, we are providing the following information for your convenience:

The state Department of Education requires that the following form be completed to apply for a transfer: [[Transfer Form](#)]. Parents who need access to technology to print or complete the form can visit the Matte Terry Building Library or the Valliant School Media Center. Paper copies of the form can also be picked up at the Superintendent's office. The school will begin accepting transfers for the following school year beginning February 1<sup>st</sup>.

- Decisions about transfers for the school year will be made by July 20<sup>th</sup>. We will contact parents directly about the approval status of their child's transfer.
- Mid-year transfer requests will be considered within 5 days of the district receiving the application.
- New transfers are accepted on a first-come, first-served basis. Students who attended the district on a transfer during the 2021-22 school year will be automatically accepted pending approval from the district. The law also gives preference to children of active-duty military personnel.
- To accept a transfer, enrollment in the grade the parent requests must be under the district-established capacity. The district's capacity and vacancy numbers for each grade and school can be found below.
- Transfers may be denied based on capacity, attendance, and discipline issues.
- Transfers for siblings must be considered separately.
- If the grade a student requests is over capacity, he/she will be offered the opportunity to be placed on a waiting list.
