COLLINGSWOOD PUBLIC SCHOOLS

IT'S WHERE YOU WANT TO LEARN

December 20, 2021

Dear Collingswood High School Families and Staff:

This letter is to inform you that members of our Collingswood High School community have tested positive for Coronavirus Disease 2019 (COVID-19). The District is coordinating closely with public health officials and following CDC, state, and local health department guidance in order to assure the health and safety of our community. The individual(s) who tested positive were last on campus Friday, December 3, Wednesday, December 15, and Friday, December 17, 2021. If you or members of your family are deemed a "close contact," you will be notified directly.

Cleaning and disinfecting of all exposed areas is complete. The school is also taking precautions to prevent the introduction and spread of viruses and other germs and is cleaning frequently touched surfaces daily. The status of this situation is fluid, and we are monitoring it closely.

We understand the level of concern regarding COVID-19. We encourage parents, students, and staff to continue following the Centers for Disease Control & Prevention promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food, drinks and utensils;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a face covering while in school; and
- Continuing to monitor your health for symptoms.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact Principal Genna at mgenna@collsk12.org. Below are some resources that might be helpful.
