**WHAT TO EXPECT:**

Players will have the opportunity to work with Sand Springs Volleyball Staff and High School Volleyball Players. Our goal is to help your child better understand the rules and concepts of volleyball along with team play.

Day 1 will be an all skills day. Teaching; passing, serving, hitting, and defense. A lot of partner work will be done on this day. This will be a great day to make new friends and learn volleyball techniques.

Day 2 we will add the skills together for drill work. Players will have the opportunity to put their skills to the test by participating in game speed drills, reaching goals, and being a bit more competitive than the first day.

Day 3 will consist of all team games. Teams will be competing at maximum speed. We encourage competitive attitudes while maintaining good sportsmanship.

Coach Bond will take 15-20 minutes at the end of day 3 to hand out awards and T-shirts.

**Teamwork Makes the Dream Work!**

I look forward to meeting and working with every camp attendee and appreciate your involvement with our program! -Coach Bond
