

Limestone Walters PTO
Zoom and in Person
December 7, 2021

Present: Chevy Speichinger, Amy Hauk, Holly Still, Jamie Shields, Barbara Vlachos.

Roll Call of Officers: Amy Hauk (President), Chevy Speichinger (Vice President), Shian Hopper (Secretary) Not Present, Jamie Shields (Treasurer).

Motion to approve November minutes: Chevy Speichinger, 2nd Janet Jackson

Treasurers Report: \$1386 deposit for the Christmas Tree Raffle, \$25 donation. Expenses were \$150 for the Santa, \$29.98 for Zoom subscription. Motion to approve: Chevy Speichinger, 2nd Janet Jackson.

Booster's Report: Concessions are in full motion. Amber sent out an email yesterday to get sign-ups for concessions. We figured out the sign up was not sent to the Cheerleading parents. Jamie Shields is going to send an email to send out to the Cheer parents. Electronic sign in the gym needs to be updated or at least the names need to be shut down. Jamie is going to email Mrs. Pitzer about getting the names off of there from 2 years ago. She is also going to see if she can keep it updated now that parents are not allowed in the school.
Booster Letter: TABLED for this year. To be revisited next year. It is too late in the school year to try and collect money and get names up.

Current Business:

Holiday Walk: Holly did a great job! Raised \$690 from vendors. A former LW PTO president came up to Holly and did a \$50 donation. The only expenses were: \$150 to the Santa, \$30.01 for the photo backdrop. \$81.49 for a craft table, which there were several left over. Holly was going to save them for next year, unless we come up with another uses. We will need another roll of raffle ticket for next year. We are about out of them. The Santa was hired off of Marketplace and did a great job. We will definitely reach out to him next year. The tree raffle is \$1386.

Apparel Sales: Barbara is going to reach out the Shelley Stoner about doing 1 or 2 designs, then offering it in a t-shirt and crew neck sweatshirt only at this time. Maybe in the future we might offer more of a selection.

Sport Banquet Binder is still missing.

New Business:

Teacher Request: there are not any at this time. It was mentioned that we could use a TV in the cafeteria for a number of different uses. Uses such as streaming the games in the gym, streaming different events on TV, and other classroom uses. Barbara is going to get with Mrs. Pitzer on the details, like size, location, and expense.

Table and Chairs: While setting up for the Holiday Walk, the Still's found some tables with missing protective feet on the tables and some of the chairs. Tables are large and heavy and the chairs are bend and twisted and are missing protective feet as well. Holly Still is going to get with Mr. Dotson about the missing protective feet on the table and chairs. She is going to see if Mr. Dotson will know what the school wants.

Other: The current playground set have an area locked up as it is not safe. There is a slide that is crack in it right now. Jamie is going to email Mrs. Pitzer about the playground equipment. Jamie is going to see if anyone at the school can take the lead on this.

Motion to Adjourn: Jamie Shields and Danielle Durham.
