

Jcampus Parent Portal for iPhone

1. Open Your web browser and navigate to www.slp.k12.la.us

2. Click the menu icon at the top right of the page

3. Click I want to view my child's grades in the right menu

4. This should bring you to the parent portal for Jcampus

The screenshot shows a mobile browser interface for the St. Landry School Student Progress Center. The status bar at the top indicates 'TFW LTE', '1:46 PM', and '82%' battery. The address bar shows 'stlandry.edgear.net'. The page has a dark header with the school name and a blue login area. It contains input fields for 'User Name' and a password (represented by dots), a 'Login' button, and a 'Forgot Password?' link. Below the login area is a timestamp '01.09.2017 10:30'. Further down are buttons for 'Register New User' and 'Help', and a language dropdown menu set to 'English'. At the bottom, there is a section titled 'Student Progress Center Timelines:' with two bullet points: '*Jan 17: Open for account creation.' and '*Jan 23: Student data visible.'. The bottom of the screen shows a mobile navigation bar with back, forward, share, and other icons.

5. Click the box with the arrow at the bottom of the page

This screenshot shows the same mobile browser interface as the previous one, but with an iOS share sheet overlay at the bottom. The share sheet includes an 'AirDrop' section with a description and a list of sharing options: Message, Mail, Reminders, and Add to Notes. Below these are additional options: Copy, Print, Add to Favorites, and Add Bookmark. A 'Cancel' button is at the very bottom of the share sheet. The background page content is partially obscured by the overlay.
