

Parent and Family Engagement

INFORMATION LETTER

Tawasha Thomas, PFE Coordinator

tthomas1@slpsb.org

(337) 948-3657 ext 10203

St. Landry Parish recognizes that academic success is directly related to parental engagement and involvement. As such, we aim to be accessible and accommodating to all families within our community. This newsletter focuses on the 6 Types of Parental Involvement. These are the ways in which we endeavor to create that ever important partnership between our families and the community and our families and the schools.
