To Meadows Board of Trustees,

It is with a heavy heart that I say goodbye to Meadows Elementary and the Imperial Valley as my home. Even though I have only been a part of the Meadows community for the last two years, I immediately felt at home here. The students and parents are very welcoming, and it really was like becoming part of an extended family. I have learned a lot here and have become a better teacher because of my time spent here with you, the students, and my co-workers. I want to thank you all for all that you do, and can't wait to hear about all the great things Meadows keeps doing in the future.

Please accept this notice of resignation effective July 6th, 2018 after the completion of Migrant Summer School.

Thank you,

Keshia Stiles
