Cafeteria

You will absolutely love our cafeteria staff. They take pride in student service and tasty food! Mrs. Rogers will post the monthly menus on the website for you to view.

[MySchoolBucks](#) allows you to create an account and add money for your child to purchase food from the cafeteria. In this account, you can find the balance as well as a summary of what they are purchasing.

If you have questions about the cafeteria or MySchoolBucks, direct those questions to the Director of Food Services, Lauren Rogers (lrogers@gunterisd.org)

Medical Care

Each campus has a qualified nurse to assist students with medical needs that arise during school hours. If you have questions, please contact the appropriate nurse:

GES - Casey Layman (clayman@gunterisd.org)
GMS/GHS - Nikki Thomas (nthomas@gunterisd.org)

Parent Portal

Ascender Parent Portal allows the parent to view posted grades and attendance. You will need a Portal ID to sign up and may obtain that from the campus PEIMS clerk. When making your account, it is important to use the email address you provided the district at registration. This is a security feature to only provide information to people who have been named as a contact in the child's profile.

Thank You!

CHRISTMAS COUNTDOWN GIVEAWAYS!

Thank you to the GES PTO, GMS PTO, Kathleen McClure and all of the parents and local businesses for donating so many gifts/gift cards for our staff at all three campuses. As a countdown to the holidays, a name was drawn each day at each campus to win a prize or gift card. The generosity of the gifts was unbelievable! The staff/faculty appreciate it very much, as it added so much fun to each day.

We have AWESOME parents in our district!

Thank you to the PTOs on each campus for spoiling the staff and faculty with a delicious lunch and goodies during December!

(Left) Gunter High School Student Council collected socks during October... aka... "Socktober". The students took the socks to Grand Central Station in Sherman in December. They received a tour of the shelter that offers food and service to the homeless in Grayson County.

Thank you to everyone who donated!

(Right) Donations collected for the Crisis Center at Gunter High School.

Thank you to all who donated!

Thank you to everyone who donated items to the various campaigns our campuses held during December.

Teaching our students to give to others is priceless!

Gunter ISD Having Fun before the Holidays

CANDY CANE DAY | REINDEER GAMES | CHAMPION DAY | POLAR EXPRESS PJ DAY
CHARACTER DAY | UGLY OR BLINGY CHRISTMAS SWEATERS | ELF (NOT) ON A SHELF | SANTA VISITS | CAROLING

With so many activities happening during the month of December, it's hard to capture them all... but here is a small collection of the fun that was had!

Gunter Elementary School

SNEAK PEEK

There is nothing more exciting than a SNOWSTORM, and since we don't see them very often, Mrs. Needum created one inside her 1st grade classroom!

4th grade got into the spirit by drumming to Trepak from the Nutcracker.

Our GES students had the opportunity to learn a new sport (Lacrosse) during their PE class. Special thanks to Mrs. Genthner's husband and his fellow coaches for their help. The students had a great time, and Mrs. Genthner and Mrs. Smith even joined in the fun!

Mrs. Ulch's kindergarten class visited the Gunter Library and Museum to enjoy some reading and crafts!

Mrs. Cooke's STEM students used their skills to build cup towers. We love to see our students using Science, Technology, Engineering, and Math skills in the classroom.

TEXOMA CHEVY GOLDEN APPLE AWARD

GES celebrated one of our amazing teachers as she received the Golden Apple Award from Texoma Chevy Dealers Association and KTEN News. We are so proud of you, Mrs. Genthner!

Students of the Month

Congratulations to these students for their hard work and "Tiger" attitude!

Kindergarten - Owen and Myles Dorcey

1st Grade - Maddox Clowers

2nd Grade - Quin Coglietti

3rd Grade - Nash Jones

4th Grade - Mason Clowers

UIL COMPETITION

We are so proud of our GES students who competed in Academic UIL in Blue Ridge. We had multiple individual and team medals and awards. The entire team placed second overall at the competition! Way to go Tigers! You make us proud.

The 5th graders joined forces with Santa to solve the *Case of the Reckless Reindeer*. A crime was committed in Santa's toy factory and he counted on the 5th graders sleuthing skills to help figure out who the culprit was. All nine reindeer were suspects, and the students had to create a profile on each one using the evidence exhibits. Using all of their skills learned from Mrs. Schroeter (head elf), they were able to provide Santa with the naughty reindeer.

Classroom Sneak Peek HIGH SCHOOL

December is a busy month for extra-curriculars at Gunter High School, but the teachers are still holding students accountable for classroom work. Take a look!

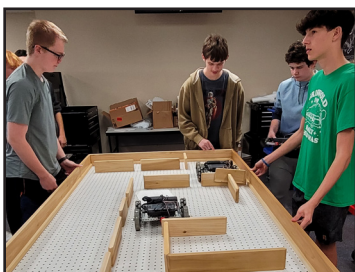

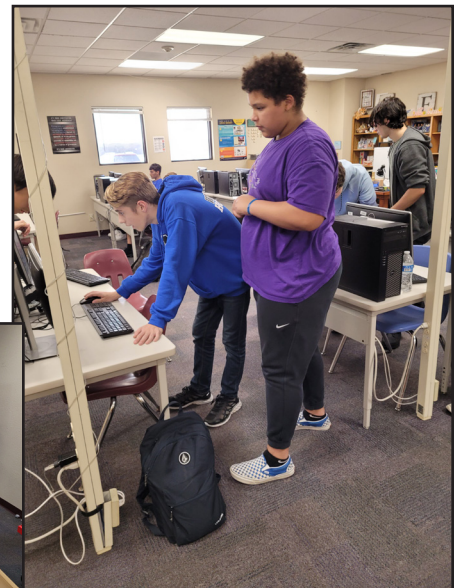

Robotics Class

This year's Robotics class has a couple new toys that is making the class more "hands on" and fun! This year they have what Mrs. Foster calls the 'Micah Table' (named after a past graduate). This is a small table she and her husband built this past summer that sits on top of her classroom work area. The inner walls can be moved around to create different mazes and challenges. Students build and program

a VEX robot to meet the challenges given by Mrs. Foster. This introduces them to all the sensors, manipulators, programming and other structures for robots. Once all of the little individual challenges have been met, the class will move onto the VEX Robotics Arena (also built by Mrs. Foster and her husband) located in the Robotics portable. It is much larger, and therefore too big to be in the classroom and impossible to repeatedly be taken down and put back up. Using the arena, students are given multiple challenges that their robot must achieve. In addition to using VEX parts, the students have an option of designing small parts and printing them in 3D, but most of the robot is made from the VEX equipment.

The class is divided into teams and each team works on their robot. Recently the teams had to design a robot that had a bumper switch. When the switch gets activated the robot has to turn and move until activated again. The robot was to go from start to finish without running into a wall (unless it was to activate the bumper switch). Mrs. Foster said, "It was fun watching the students get anxious about their robot getting close to the wall and running into it. You could hear the students immediately start talking about what needed to be changed in the code. When the robot finally went from start to finish properly, there was a collective cheer!"

If you walked by Mrs. Wallis' physics classroom, you might have seen students swinging objects above their head in a circular motion... no worries! The students were exploring centripetal force and circular motion.

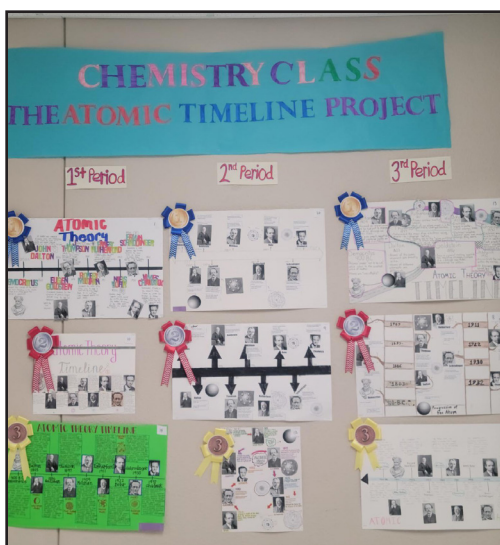

Mug Shots

High school ceramic students created mugs earlier in the semester and they got to use their mugs to drink hot chocolate and watch a Christmas movie during class. How fun!

ATOMIC THEORY

Mr. Moore's chemistry class researched and created timelines of the Atomic Theory, which included scientist and models of their versions of the atom. They each had a set of criteria to include in the final poster. Once they were turned in, each class judged another class on the top 3 posters and here they are, ranked from 1st, 2nd, and 3rd. The students worked hard on these, and we wanted to give them a shout out!

What's Happening in FFA?

WOOL TEAM

The wool team traveled to Angelo State University to compete for the very first time. They placed 14th out of 48 teams... we can't wait to see how they progress if they can place that high on the first try!

Breeding Rabbits

The December Rabbit Clinic was held in Mrs. Osburn's Ag room. Special Guest, Cindy Hinton, a local breeder has become a great resource for the Gunter FFA Rabbit Team. She shared some trade secrets and showmanship pointers. We are expecting a great show season with 15 breed rabbits and 11 meat pens of 4 that will be showing at County this year.

Evergreen Wreaths

Students created evergreen wreaths in Horticulture 1, and they were simply gorgeous. Not only did they learn to create the wreath, they learned that the supplies are easily found in nature! Special thanks to Denise Willard for letting Mrs. Osburn trim some trees from her pastures for their project.

Junior FFA had a Christmas party where they played the white elephant game with gift cards brought by each student. They also decorated Christmas cookies. Everyone had a lot of fun!

Gunter Middle & High School BAND DEPARTMENT

The Winter Band Concert was nothing short of phenomenal! We heard drum beats from the 4th grade Drum Club, and Holiday music from the MS and HS Bands. The Grinch made a special appearance at the end of the concert while the band played his special song... and we saw (with our very own eyes), his heart grow 3 sizes!

Thank you for packing the commons and being such a wonderful audience for our Tiger musicians!

"Without any presents at all, he hadn't stopped Christmas from coming! It came! Somehow or other, it came just the same!"
~ Narrator, How the Grinch Stole Christmas

Gunter Middle & High School CHOIR DEPARTMENT

Choirs from each campus serenaded the audience beautifully during the Christmas Choir Concert. The voices (and piano solo) from our Gunter Tigers helped to put the holiday spirit into each person who attended! Thank you to everyone who packed the commons for the concert and to those who purchased Poinsettias from the choir students.
