

**ASBESTOS MANAGEMENT**

In compliance with the Asbestos Hazard Emergency Response Act, the Board shall appoint the Superintendent, in consultation with the Head Custodian of the Building, to serve as the asbestos program coordinator. This individual shall at least be responsible for selecting an accredited asbestos management planner, scheduling inspections and re-inspections, carrying out response actions when applicable, overseeing the operations and maintenance programs when applicable, disseminating annual notices required by law, recordkeeping, ensuring asbestos warning labels are posted in accordance with law, and ensuring appropriate school employees/contractors are adequately trained to perform duties that involve contact with or exposure to asbestos.
