## H. C. C. WINS SEASON'S OPENER

### Codell Easy Victim—Go Home with Short End of 37-9 Score

By a score of 37 to 9 the H. C. A. basketball team defeated Codell High School in the first game of the season. The game was played in the Sheridan Colliseum on Monday evening, January 10.

The Green and White quintet of Codell took the lead in the first few minutes of play when Bice scored a field goal from the center of the court and a free throw on a foul by I. Werth. Wiesner, Hays center, scored the first field goal and was soon followed by others giving the lead which was never relinquished.

Captain Gus Werth worked through Codell's defense handing the ball to the forwards or center to score the goal. Hays outclassed Codell in floorwork and goal shooting. Bice was the high point man for Codell with two field goals and three free throws. Isy Werth was high point man for Hays with seven field goals; G. Werth and A. Wiesner had four field goals apiece; C. Werth had three field goals and one free throw. Staaby, playing his first year basketball was somewhat wild in his passing but all in all Hays played a nice game.

The line-up:  
HAYS—I. Werth, rf; C. Werth, lf; Wiesner, c; G. Werth (Cap.) rg; Staab, lg.

CODELL—Rolfe, rf; Haskins, lf; Bice, c; Hosier (Cap.) rg; Ziegler, lg.

## ALUMNI STAGE PLAY

### Rehearsals For Patriotic Drama To Begin Soon

The H. C. C. Alumni Association has decided to stage a play for the benefit of its treasury. The Committee has selected the stirring original drama: "THE SPY OF GETTYSBURG" by Charles Townsend. The drama deals with some interesting characters of the Civil War interspersed with some touching romance.

The play is being coached by Rev. Father George, director of the H. C. C. Newman Club. Judging from the enthusiasm displayed by the members taking part it will be a great success.

The date for the performance has been set for February 21, the eve of Washington's Birthday. The Strand Theatre has been rented for the occasion. Now all that is needed is that all alumni and friends of H. C. C. remember the date and place and show up for the performance.

### Different Subjects With Beginning Of Second Semester, Jan. 20.

On Thursday, January 20, the second semester began at the College. The enrollment is the same as for the last semester. Several changes of subjects were made.

The freshman class will have Agriculture in place of Physical Geography, and this subject will be taught by Prof. V. A. Weigel, B. S. The Junior class will have American History in place of Constitution but they will keep the same professor. Lewman A. Lane, A. B. The sophomore commercials will have Industrial Geography in place of Commercial Arithmetic and this subject will be taught by Rev. Father Jordan, O. M. Cap. Father Camillus will take over Junior English and Father George will take over all classes in Religion.

Father Alfred will offer to all private music students and others who may desire it a course in musical theory.

## BOOKBINDERY IN OPERATION

### Ninety-Eight Books and Magazines Turned Out In Four Months

The Hays College Bookbindery, as the sign at the door tells you, is in full operation. During the four months just passed the records show that ninety-eight pieces of work were turned out including some very large jobs. Most of the work was done for the College Library.

There is no full time man on the job but this work was done at odd times and by "odd" people. As soon as the College moves into larger quarters this department will also be enlarged, and perhaps a course given to those who may desire it. At present there are no apprentices learning the trade.

Geo. Philip Jr., will deliver anything in the hardware line costing 50 cents or more to any address in Hays.—Phone 53.

You'll find everything to wear at the Classic Store.

## TEAM SHOWING UP

### Four Victories, No Defeats for Basketball Team to Date

The H. C. A. basketball team is showing up well this season. The opening game of the season was against the high school quintet from Codell which was an easy victory for Hays as the score 37 to 9 shows. Hays met Russell for the second game and added another victory by the score of 40 to 34. The third game of the season was against Bison at Bison. Hays came home with the long end of the score 37 to 16.

On Tuesday evening, January 18 Hays met Otis on the local court and sent them home with the small end of a 31 to 6 score.

Most of the games are crowded in to the first two weeks of the season. This strenuous schedule is telling on the team. Several of the first string men are suffering from injuries.

The first team is made up of the following: Gus Werth, captain and guard; F. F. Staab guard; Ben Werth, guard, A. Wiesner and A. Bollig centers, N. Leiker, I. Werth, C. Werth and A. Kaerberlein, forwards.

## NEW BASKETBALL SUITS

On the afternoon before the opening game of the season a large carton arrived at the College. All were curious to know what it contained. Their curiosity was satisfied when they saw the boys come out on the court in their new suits. Here the color scheme is also blue and white. The jerseys are blue with a white chest stripe on which are the letters in blue: H. C. A.; the trunks are also blue edged in white.

## FOOTBALL SWEATERS

Fourteen football players are sporting new sweaters. The sweaters are of heavyweight wool and of royal blue color. The letters are of white felt. Royal blue and white are the colors chosen by this year's squad. A different combination is being tried out and eventually a combination will be selected when H. C. C. moves into permanent quarters.

## RUSSELL DEFEATED BY HAYS

### Second Victory of Season for Local Basketeers

Dope and "Old Man Jinx" were both bowled over when Hays defeated Russell Wednesday evening, Jan. 12. Russell shot the first goal but was in the lead only a short while when Hays came to the fore and after that was never headed.

Russell had a fast form of recovering and breaking up passes. The blue and white featured by their brilliant guarding, while Russell gave the fans the old time thrill with their skilful passing. The score at the half was Hays 15, Russell 13.

In the second half Hays' scoring machine worked wonderfully and Hays soon had a six point lead. Russell tied the score in the fourth quarter on personals. High point man for Hays was I. Werth and for Russell, Peterson.—Final score: Hays 40, Russell 34.

## DONATIONS TO CHAPEL

### Gifts, Both Useful and Beautiful Have Been Received

Since the opening of school in September the College Chapel has been the recipient of many gifts.

The Very Rev. Fr. Henry, O. M. Cap., Provincial, gave a beautiful alb and Father Jordan, O. M. Cap., donated boubaches and flower vases. Through friends of Father Camillus the chapel received a fine communion cloth and two surplices. The Ven. Sr. M. Hedwig of the Sisters of St. Joseph gave smaller altar linens and just very recently a fine set of altar chimes were given by the Rev. Father Gilbert, O. M. Cap., former director of the College and now pastor of St. Augustine Church, Pittsburgh, Pa.

Many other articles and services were donated by persons who do not wish to have their names mentioned. The College takes this opportunity to thank all these kind benefactors.

**NEW YEAR RESOLUTION**

With the beginning of every year it is customary with some people to make good resolutions. Alas, the year has progressed but little and these resolutions are already broken. Most people then lose courage and give up altogether. That is not the right way. These resolutions should be renewed from time to time so as to keep them fresh in the memory and to strengthen oneself in fulfilling them. One great writer says that if people who make strong resolutions frequently fail what will they do who seldom or but weakly resolve?

Now a good resolution to make or better, to carry out, is the resolution to "finish things." One of the most demoralizing things in the world is to get into the habit of starting things with enthusiasm and then fizzling, stopping and leaving them half done. This is fatal to all excellence; it is a deadly blow to efficiency. After a while you will incapacitate yourself for doing good work. On the other hand the habit of doing things to a complete finish, of stamping everything with the mark of your character, of putting the stamp of excellence upon it, constantly increases your capacity for doing good work, just as half-doing things kills it.

It is not the beginning of things that counts so very much; it is the finish. That is the test of your ability, of your efficiency. How does the thing you started turn out; how did you leave it? Did you get discouraged and leave it half done or did you come up to the finish with it like a real victor?

**HOW TO BE HAPPY**

On the day that ushers in a new year one hears on all sides the reciprocal good wish: "A Happy New

Year!" These good wishes are undoubtedly sincere. But how few know how to be happy. Here's one recipe for happiness: "Take care of your thoughts—thoughts about your neighbors, your friends, yourself. Let a thought into your mind, and it will come again tomorrow and the day after. It will make its own place, and will bring many other thoughts like itself. Have something to give. One who sees the humorous side and can help others to see it brings his welcome with him.

A sympathetic nature, responding readily to every appeal, brings bounty. Only the self-engrossed have nothing to give away. Learn to forget. Discard the things not worth remembering. Don't dwell on those that are disagreeable. If the disagreeable things persist, pick up a book or go out. Fill your mind with cheerful things that have happened to you, and people will be glad to have your friendship."

**WHAT MAKES A GREAT LIFE**

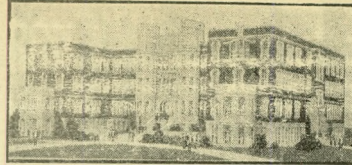

Do not try to do a great thing; you may waste all your life waiting for the opportunity which may never come. But since little things are always claiming your attention, do them as they come from a great motive, for the glory of God, to win His smile of approval and to do good to men. It is better to plod on in obscurity, acting thus, than to stand on the high places in a field within view of all and do deeds of valor at which rival armies stand still to gaze. But no such act goes without the swift recompense of God.

To fulfill faithfully the duties of your station; to use to the uttermost the gifts that God has given you; to bear chafing and trivial irritations as martyrs bore the pillory and the stake; to find the one noble trait in people who try to molest you; to put the kindest construction on unkind acts and words; to love with the love of God even the unthankful and the evil; to be content to be a fountain in the midst of a wild valley of stones nourishing a few lichens and wild flowers, or now and again a thirsty sheep; and to do this always and not for the praise of men, but for the sake of God; this makes a great life.

**CHECK YOUR POSITION**

It is the glistening and softly-spoken lie, the amiable fallacy, the patriotic lie of the historian, the merciful lie of the partisan, the carefree lie of the friend, and the careless lie of each man to himself, that cast that black mystery over humanity through which any man who pierces we thank, as we would thank any one who dug a well in a desert.—Ruskin.

**THE SHIP**

(Horace Od's Book I. Ode 14.)  
With shattered mast and broken oars  
Again, O Ship, thou put'st to sea.  
Dost thou not fear the raging winds  
That now so oft stir up the sea?

Be active now, and gain the port,  
For in the ocean's sterner state  
Thy hull and creaking mainyards will  
Of ropes depr'ed, be left to fate.

No sails thou hast that are entire,  
No gods when dangers thee o'ertake  
Canst thou invoke to help thee then,  
When timid sailors thee forsake.

Although thou art of Pontic pine,  
The daughter of a noble land,  
Yet boast not of thy name and race  
For soon thou mayest run astrand.

No longer will thy showy stern  
Win sailors to confide in thee.  
Beware, lest thou be doomed the food  
For laughter 'mid the roaring sea.

But lately with disgust and fear  
I faced thee, now my deepest care.  
May'st thou avoid the Cyclades  
For danger doth await thee there.

**THE CHEERFUL**

A truly cheerful person is such a blessing to his or her surroundings that it may be of interest to consider the cause of cheerfulness. First, it is founded on inward power and a pure patience and capability to bear suffering, loving and cherishing one's neighbors—enduring and meeting them even though their presence be disagreeable. A cheerful person does not turn away from sorrow unsympathetically, but is armed to meet it, and endeavors to raise others above their trials also.

Like every other personal trait, it leaves its imprint on the features, and this probably is the cause of its contagious tendency. Mothers, in particular, should remember this, so their smile, tranquil and loving, may cast sunshine into the heart of the child and thus impart the foundation for the same pleasing trait of character.

A certain amount of cheerfulness, in company or upon social occasions, is common to all; yet the gayest of them all may soon afterward fall into deepest depression; and cheerfulness is not a part of this character.

True cheerfulness is a happy harmonious combination of different parts; a sound, unspoilt character, clear judgment, and a natural calmness in feeling love for our neighbor and a childlike confidence in God.

**HAVE CONFIDENCE**

No word in the English language seems to mean quite so much in the orderly procedure of a successful life as CONFIDENCE. With it "mountains" can be removed and without it "miserable failure" stalks through the streets of honest endeavor.

Confidence is that intangible something which united the struggling colonies to Washington in the darkest hours of the American Revolution, when he suffered reverse after reverse at the hands of the Brits and made it possible for the Continental army to finally come off victorious. It was confidence that inspired Lincoln during the dark days of the Civil war and made it possible to brush away the dark clouds which hovered over this nation. And so on, history is filled with activities which would never have succeeded had there not been strong evidences of absolute confidence between those who were striving for a common end. When confidence takes wings and away, like the birds of the air, hope vanishes and success disappears.

Willie—Oh, she wouldn't care. This isn't her pie!

Linus Jacobs '25 who is taking a special course at St. Benedicts spent the holidays at home.

Another of the "old boys" is in the hospital. Linus Basgall '25 instead of giving service at his father's store is getting service at St. Anthony's hospital. Linus had been ailing for some time and the trouble was hard to locate. He is minus his appendix now and is feeling the better for it. A speedy recovery is the Journal's wish for you. "Doc".

Henry "Pike" Bremenkamp, '26 was in Hays during the illness of his sister at St. Anthony's Hospital. He witnessed the Codell-H. C. A. game and saw the boys come through with a victory. That's all they've been doing so far.

This column heard from Bremenkamp that Frank Murphy '25-'26 met with an accident. Hard luck, Murphy, but we're glad to hear you are getting along nicely.

"Babe" Ruder '26 came over from Schoenchen to see the Codell-H. C. A. game. Look up the schedule, Babe, and attend some more games.

Linus Roth '24 called at the College. It could not be ascertained what business brought him. But alumni are always welcome.

The Faculty received holiday greetings from Edgar P. Roth '16-'20. He is cruising on board the U. S. S. Henderson. He is having a great life "seeing the world with Uncle Sam." His ship traveled 41,368 nautical miles during the year 1926.

The silence of the novitiate has been broken. Word has been received from the two recluses of the class 1926, Fraters Alvin Werth and Alexius Urban, O. M. Cap. Both like their choice of life very much and enjoy reading the H. C. C. Journal. Frater Alexius writes: "I just received the H. C. C. Journal last night which is always a welcome guest. Would you please extend my congratulations to Fr. Florence and his staff on their ability. I think the Journal is fine and especially the

last two numbers. I also wish to thank him (Fr. Florence) for favoring me with a copy of each number. Naturally it is a reminder of the happy days spent at H. C. C. They left a mark on my memory which will never be erased. Taking everything into consideration, the football squad must have done some swell playing, at least as far as my knowledge extends regarding the opposition they had. It must have been the new coach that put some fight into the bunch, and judging from his looks he can do it."

Announcements have been issued of the coming marriage of Mr. Adolph J. Kuhn '23 to Miss Germaine Pfannenstiel. Best wishes for a long and happy married life.

To the readers of the H. C. C. Journal Mr. Malone needs no introduction. His life's story appeared in the Alumni Number of the Jour-

ERNEST J. MALONE '17

nal. His likeness is here reproduced to introduce him as the County Attorney of Ellis County having taken the oath of office on January 10, 1927.

Mr. Malone has always been a loyal alumnus of H. C. C. supporting his Alma Mater in all her undertakings. His school takes pride in his success and congratulates him and wishes him further successes. The Journal also has found in Mr.

Malone a loyal supporter and joins with his many friends to wish him further success.

Don't miss that show on February 21. Alumni!

**CLERK OF DISTRICT COURT**

On January 10, 1927, Paulinus E. Dreiling, of the class of 1923, took the oath of office as Clerk of the District Court.

PAULINUS E. DREILING '23

Mr. Dreiling was born in Ellis County. He attended the parochial and public schools of Victoria. In 1919 he entered Hays Catholic College where he took the classical course graduating from the high school department in 1923. He taught school for one year and then was sales clerk for the firm of A. Schumacher & Sons of Victoria. In the primaries he was successful and received the office of clerk of the District Court in the last election.

Paulinus thinks he will like the job after he learns how to manage it. He invites all his old college friends and especially his classmates to call on him at his office in the Court House building.

The Journal congratulates Mr. Dreiling and wishes him success in his office.

**Think This Over, Alumni!**

The Washington College Bulletin, published in Chestertown, Md., in its "Alumni Number, Sept. 1926" remarks that "A college with a body of alumni ignorant about it and out of touch with it, has in its alumni not an asset but a liability yea, even more than a liability, a peril! On the other hand a college with a considerable number of informed, loyal and active alumni will ever go forward in usefulness and influence." Think this over and talk it over now and at every opportunity until the next Alumni Association meeting.

**AN HONEST-TO-GOODNESS FRIEND**

One whose grip is a little tighter,  
One whose smile is a little brighter,  
One whose deeds are a little whiter,  
That's what I call a friend.

One who'll lend as quick as he'll borrow,  
One who's the same today as tomorrow,  
One who will share your joy and sorrow,  
That's what I call a friend.

One whose thoughts are a little cleaner,  
One whose mind is a little keener,  
One who avoids those things that are meaner,  
That's what I call a friend.

One, when you're gone will miss you sadly,  
One who'll welcome you back again gladly,  
One who though angered will not speak madly,  
That's what I call a friend.

### AMONG THE FACULTY

The holidays found the Professors at many and varied occupations, as well as recreation. Father Eugene was taking care of Severin while Fr. Maurice was back East for a major operation. Because Fr. Maurice got back before the holidays, Fr. Eugene was relieved so as to be able to help out on a call from Olpe, Kansas, in the southeastern part of the State for the holidays. Since the first of the year Fr. Eugene is busy on the College Drive.

Fr. Justin, acting Director of the College was busy during the holidays making some needed repairs in the building. Fr. Justin is a handy man with almost any tool, and he seems happy whenever he can be "tinkering" about.

Father George spent much of the holiday vacation in his mission at Hyacinth, attending to parish affairs. He stole away for a short visit with his parents who live at Catherine.

Father Florence was busy in Park and Graefield with confessions for the feast of Christmas and after the work he slipped out to Wallace for a few days visit with Rev. P. O. Bergeron.

Father Herbert helped out at Munjor for Christmas, and also attended the plays at Antonino and Victoria during the holidays.

Father Alfred presided at the organ at the local parish church for the Midnight Mass and also assisted at several of the services during the holidays. He dropped over to Munjor and Antonino for visits. The Christmas play at Victoria also claimed his attention.

Father Camillus seems to have a liking for Ellis. He spent most of his vacation there, giving assistance for the Christmas confessions, and also helping out for New Years. While Fr. Julius was away giving Retreat at Herndon Fr. Camillus helped out on Sunday, January 9.

Father Richard's people live at Emmeram, and so it was only natural to find Fr. Richard there for part of the holidays.

The Junior member of the faculty, Father Mathias, went to Plainville to give assistance to Fr. Henry for the Christmas rush. He also helped out at the local parish church on Sunday 9, while Very Rev. Fr. Thomas was away at Herndon making his annual Retreat.

Father Florence gave assistance at Severin while Fr. Maurice was away at Herndon for the same purpose.

Professor Weigel gave a "vendetta" party to a few members of the faculty. Early in December "Prof" and one other member of the faculty suffered a terrible defeat in pinochle at the hands of Fathers Herbert and Mathias. Mr. Weigel could not let such a blemish rest on his reputation as a pinochle player, and he invited the same crowd over to "make

things right," so that he might start the New Year with unblemished record. Accordingly on December 28, the crowd met with Fr. Justin substituting for the "other" faculty member. Prof. and Fr. Justin certainly "evened" matters, since at the end of the afternoon the score stood Weigel & Co. 11, Faculty 2. Prof. is now satisfied.

Mr. and Mrs. Lewman Lane spent the holidays with their folks at St. Mary's. "Lew" reports that a fine time was had by all.

### EXTRA!

Just as this goes to press we learn that our personnel-reporter was woefully misinformed as to the outcome of that "vendetta party." The fact is that score was just reversed. So the party proved a regular boom-crang and the second defeat of Prof. & Co. was worse than the first. Still, "there's a silver lining through each dark cloud shining." In this case it is the marvelous docility Prof. has shown in acknowledging the superior ability of his opponents. But, 'tis rumored, had he met Fr. Camillus that fateful evening, in all likelihood the partnership would have been automatically dissolved and thus the "party" would have had a genuine "vendetta" ending.

### HOW IT HAPPENED

An Irishman was telling his friend of a narrow escape in the war.

"The bullet went in me chest and came out me back," said Pat.

"But," answered his friend, "it would go through your heart and kill you."

"Me heart was in me mouth at the time," came the quick reply.

### A COLLEGE OLDER THAN HARVARD

If age were the only test, the Filipino could call the American school system mere mushroom growth. A graduate of the University of Santo Tomas in Manila can refer to Harvard as a young upstart college because Santo Tomas opened its doors in 1607, the same year John Smith and his hundred colonists began their trials with mosquitoes and malaria at Jamestown. The Philippine school system, however, is almost entirely American made. Spanish law required that there be two teachers, one for instruction of boys and one for instruction of girls, to each 5,000 people. Actually it worked out to one teacher to more than 4,000 people.

Today there are more than 25,000 teachers in Philippine public schools. These teachers, 98 per cent of whom are Filipinos, are training 1,132,000 pupils.

**SENIOR SALLIES**

Ben Werth, while home during the Christmas vacation, fell into a well. He had a few teeth knocked out and his lip cut, but otherwise escaped without serious injury. Ben said it was not on account of too much "Christmas spirit."

Three of our class made the first team: Gus Werth, Ben Werth and Francis Staab. The inter-class tournament has not yet been held but with such a representation the Senior Class ought to easily win.

The semi-finals are over and the second semester on in full swing. Several changes went into effect with the second semester: The Senior Commercials have Advanced bookkeeping instead of typewriting and American History instead of Economics.

**FRESHMAN FROLICS**

All the freshies report having had a good time during the Christmas recess and have returned with the resolution to do better in the second term.

The semi-finals are over. Some of the class passed, others—well, it is better not said.

With the beginning of the second semester we have Agriculture instead of Physical Geography. Prof. V. A. Weigel is our teacher.

The number of freshies has been increased by one. Joseph Schmidt of Catherine has entered the class. We welcome him heartily and hope he will stick with the bunch.

The freshies were sorry to lose Father Camillus as their teacher.

**JUNIOR JOLTS**

The Junior Classics all passed in Greek. One of them remarked that Greek is not so bad if you study hard.

Instead of Constitution the Juniors now have American History taught by Mr. Lane.

The Junior Commercials have taken up typewriting instead of Commercial Arithmetic. They have Father Florence now instead of Prof. V. A. Weigel. They are ambitious and hope to win some prizes before the end of the term.

The Junior Class has several on the regular team in basketball and several on the sub list. Clem and Isy Werth are the regulars. Barker and Bollig are subs. They had a chance to show their stuff in the Otis game.

The Juniors are best represented

in the Journalism Class with three members: W. Griese, Barker and Bahl.

Father Camillus is teaching Junior English in place of Father Herbert.

**SOPHOMORE NOTES**

The Sophomore class lost a member in the departure of Oliver Franklin. He left on account of the illness of his father.

The Sophomore Commercials have Industrial Geography instead of Commercial Arithmetic. Father Jordan is their teacher.

Send your cancelled stamps to Father Herbert. He has use for them.

Attend the double header Saturday evening at the Sheridan Coliseum.

There are about nine ways that men respond to responsibility, and here they are:

- I won't is a tramp.
- I can't is a quitter.
- I don't know is too lazy.
- I wish I could is a wisher.
- I might is waking up.
- I will try is on his feet.
- I can is on his way.
- I will is at work.
- I did is now the "boss."

**SQUARING THE CIRCLE**

It was the custom of the immortal Socrates to foregather with a circle of philosophers and geometricians about a convivial bowl, drawing inspiration from the vintage of Bacchus, nevertheless having a corking good time. After the tenth round he would rise—for it is written that he always could rise—and address the symposium.

"I move," he would say, "that this circle go home and square itself."

And so seriously did the multitude take him that the squaring of the circle grew to be considered impossible, yea even unto this day.

**BISON LOSES ON OWN COURT**

**Two of Second String Start for Hays  
—Third Victory**

The H. C. A. quintet registered its third successive victory by taking over its old rival Bison, with a score of 37 to 16. The game was played at Bison on Friday, January 14.

Leiker and Kaeberlin started at forwards for Hays. Wiesner made the first basket, which was soon followed by one shot by Kaeberlin. Bison was for a time unable to score but regained enough ability to almost tie the score before the end of the first half. The half ended 13 to 12 in Hays' favor.

At the beginning of the second half, I. Werth and C. Werth, regular forwards, entered the game and scored consistently. Wiesner, Hays' center, flashed in and out under the hoop, making many field goals. G. Werth dropped one in from mid-court. Wiesner was high point man for Hays and Reinhardt for Bison.

Otis went down to defeat at the hands of the Blue and White quintet on Tuesday evening, January 18 by the score of 31 to 6.

Hays took a substantial lead on Otis right from the start, and played well and fast and the half ended with Otis scoring but one free throw. The score at the half was 14 to 1.

In the second half Hays put in all the substitutes who were on hand and piled up a score of twenty-four points before Otis scored a field goal. In the fourth quarter Captain Schlegel scored the first field goal for Otis.

Clem Werth was high point man for Hays with five baskets.
