STEP 4 – Receive Text Message Sign Up – Please note the warning below before signing up for Text Messages – Prosser School District highly suggests you do not sign up for text messages rather download the Flash Alert app for Android or iPhone with the instructions below:

Due to cell phone companies delaying or shortening text messages, we strongly discourage the use of cell text numbers.
We encourage you to download the free Android/iOS phone/tablet app, FlashAlert Messenger, which uses push notification, a method **much faster and more reliable** than text messages (go to "My Linked Phone Apps" tab above).

Primary Email: [john.smith@prosserschools.org]   [Update] [Send Test]
*Awaiting Validation. **Click here to send validation message.***
Enter Code: [   ]

Description

FlashAlert Messenger allows you to view local news, and receive push notifications of emergency alerts (and in some cases, sports scores) from FlashAlert Newswire. You may use it as a stand-alone news viewer or link it to your FlashAlert Messenger account for emergency alert push notifications from the schools, police agencies or organizations
