VOLUME MMXXII Issue 6

January 2022

Happy New Year!

Can you believe it is time to welcome in the New Year? It must be true "time fly's when you are having fun". We had a great first semester and I can't wait to see what the second semester has in store for our Paxton School Family.

Winter is coming!! Please make sure your children come dressed appropriately for the weather. We have had an unusually warm winter up to this point, but winter is coming. Students traveling to and from school each day on the bus, driving themselves or riding with parents should always be prepared and have enough clothing to protect them in the event of an emergency. Each year we have local organizations donate winter clothing items for students. Please let us know if you need any of these items for your children. Having coats, gloves and hats for winter is something we can help with.

School Closings are always a possibility with winter coming. Whenever there is a school closing or late start, you will be notified through our school notification system. If you are not notified of a closing, please let the school know so we can make sure your phone number is correct in our system. We also notify local radio and TV stations of any closings and post it on District Livefeed and Facebook.

Here at Paxton Consolidated School we make the safety of our students and staff a top priority. We continue to educate ourselves on ways to prevent tragedies. Thank you for participating in the recent evacuation drill. Safety will continue to be a priority for us and we appreciate your help when noticing something out of the ordinary. We will continue to have safety drills during the upcoming second semester.

Your continued support of student activities is always appreciated and never more appreciated than this year. Whether you are supporting in person or by watching events on the Paxton Schools YouTube channel we know you are here for our students. Thank you!

With the New Year come new and exciting challenges for students, staff, and parents. Paxton Schools looks forward to these challenges and working with our school community to have a successful spring semester. Go Tigers!!

Stay Safe and Warm!

Educationally yours,

Delbert F. Dack
Superintendent

Tiger News

January 2022

Dear Parents,

Happy New Year!! I hope you all had a wonderful holiday break! I am so glad to have students back in the classrooms and hallways, and I am looking forward to a busy and successful 2nd semester.

As the 2nd semester begins, please remember that my door is always open and I'm happy to answer any questions, or help with any concerns, you might have.

Thank you for sharing your wonderful children with the staff of Paxton Schools. Our students make each day exciting and fun!

GO TIGERS!!!!

Mrs. States

BRR!

Now that we are in the month of January, we are starting to see a dramatic drop in temperatures. It is **very important** that your child comes to school prepared for the appropriate conditions. Please call the school office if your child needs a winter coat, boots, gloves, or a hat. We would be happy to help!

THANK YOU!
