

Enrollment at a Glance

Beginning January 1, 2022, new rules apply for potential transfers. The Oklahoma State Department of Education provides information for parents [here](#)

Brushy School makes decisions about student transfers in accordance with district policy and state law. You can download our comprehensive district policy below; however, we are providing the following information for your convenience:

- The State Department of Education requires the following form, found [here](#), be completed to apply for a transfer. Parents who need access to technology to print or need assistance completing the form can visit our office during business hours.
- Decisions about transfers beginning January 1, 2022 will be made upon receipt of a completed transfer request. We will contact parents directly about the approval status of their child's transfer request. The previous school attended must confirm the student's attendance, discipline, and grade records before a final decision can be made.
- New transfers are accepted on a first-come, first-served basis. Students who attended the district on a transfer during the 2021-22 school year will have first consideration.
- Brushy will begin accepting applications for the next school year starting April 1st.
- The new law gives preference to children of active-duty military personnel.
- To accept a transfer, enrollment in the grade the parent requests must be under the district-established capacity. The district's capacity and vacancy numbers for each grade and school can be found below.
- Transfers may be denied based on capacity, attendance, and discipline issues.
- Transfers for siblings must be considered separately.
- If the grade a student requests is over capacity, he/she will be offered the opportunity to be placed on a waiting list.
- Transfer decisions may be appealed by our district's and OSDE appeal policy.
