Good Afternoon Hill Campus Families,

Happy New Year!

This morning the Hill Campus Administrative Team held grade-level meetings with all students. First and foremost, we wanted to welcome them back to campus and remind them that each of them is an important part of our Hill Campus community, and we are glad they are a part of CBSD.

Additionally, we took a look at our data and celebrated a significant decrease in discipline referrals per day over the past three months. A decrease in negative behaviors has improved our building-wide conditions for learning. We are in progress of meeting our district goal of creating a positive, safe, and supportive environment for everyone!

Finally, we reviewed our schoolwide expectations, highlighted our VIP program, and encouraged students to work hard, dream big, and finish this semester strong, and begin Semester 2 even stronger. We closed our meetings with a motivational video, challenging students to put every ounce of effort they can into working hard to reach their goals, overcoming obstacles, learning from mistakes, and experiencing success.

As a Hill campus, we are striving to follow expectations to ensure our environment is positive, safe, and supportive of each student and staff member. Listed below are Hill Campus expectations (reviewed with students today).

**Overall Goal: Be respectful, responsible, and safe with every choice.**

**Hill Campus Expectations:**

- **Arrival:** Be on Time! 7:50 arrival. Even 15 minutes late per day means approximately an hour of Block 1/period 1 missed every week.
- **ID Badges:** Must be worn daily.
- **Hallways:** All students traveling in the hallway must have a pass in hand from a teacher.
- **Classrooms:** Engage! What you put into your education, is what you will get out. Give it your best effort. Ask questions. Don’t give up!
- **Cafeteria:** Remain in the seat you select until the dismissal bell rings. Throw away all trash/food items. Clean up your table space. Remember to thank the cafeteria staff. They come in each day to serve you!
- **Cell phones:** Must be out of sight and not in use during class.
- **Masking:** COVID cases are continuing to rise in our communities. We want to keep ourselves and each other as healthy as possible. Masks must be worn, covering nose and mouth, throughout the school day.
• Absolutely No Physical Confrontations permitted on school property. Fighting will result in immediate suspension and police involvement.

TIDE-VIP: A VIP is a student who maintains a C-average (with no failing grades), has fewer than 3 unexcused absences and 3 tardies per quarter, and has zero discipline referrals (in a month).

A VIP earns:
  • Coffee and hot chocolate bar before school (*high school only*)
  • Free access to athletic events, other extra-curricular activities
  • Preferred seating at lunch/early access to lunch
  • Weekly drawings for gift cards, movie tickets, Tide wear, etc.
  • Additional privileges/opportunities added each month.

Our VIP program kicks off on January 19 (start of Semester 2).

Thank you for your ongoing support. The family-school partnership is vital to securing student success. Please take a few minutes to discuss expectations at home with your child. Working together, we can nurture a school community that is positive, safe, and supportive of every student, every day.

Warmly,

Elizabeth Landis
