

P-EBT Social Media Post

Schools that administer the National School Lunch Program or School Breakfast Program, can share the following social media post to inform eligible families about the Pandemic Electronic Benefit Transfer (P-EBT) program.

P-EBT Social Media Post for Schools

Pandemic Electronic Benefit Transfer (P-EBT) is a one-time food benefit for families who lost access to free or reduced-price meals due to school closures. Eligible P-EBT families will receive application instructions from schools in late May. The P-EBT application will open **the first week of June**.

P-EBT food benefits are for children who received SNAP food benefits for March 2020 and children who are certified for free or reduced-price school meals during the 2019-20 Texas school year. For more information, visit: hhs.texas.gov/PEBT
