

PLAN FOR INCLEMENT WEATHER

2021-2022 Kelso School District

Snow, ice, and wind can impact our ability to conduct school activities as planned. Depending on the road conditions, any one of the following may happen:

1) Buses are on snow routes.

All schools and activities continue, but some routes are altered. Snow route details are on our Transportation web page.

2) School is delayed two hours.

Buses pick up students two hours later than normal; no breakfast or AM preschool.

3) School is canceled for the day.

All schools, activities, and athletics are canceled for the day.

4) School is dismissed early.

All activities and athletics are canceled.

HOW WE DECIDE

Before deciding to close schools, district officials consult county road crews and our own employees who are out driving the roads in the early hours of the morning.

Our district covers a large region with steep terrain in places. While roads may be passable in town, conditions may be different just a few miles away. Before we close schools we seek answers to the questions below:

- Can we ensure that buses can navigate streets safely?
- Will students be safe waiting for buses, driving, or walking to school?
- What are the predicted weather conditions later in the school day so we can also ensure students a safe return home?
- Will conditions be substantially improved if we start school late?
- Will we have heat and lights in our schools?
