

OPEN ENROLLMENT

Open enrollment applications received from residents of other North Dakota school districts will be acted upon by the Tioga School Board at a regular or special meeting prior to the deadline established by law. All applications will be reviewed and acted upon in the same chronological order as they were received.

Criteria for acceptance or rejection shall be based upon the capacity of a program/class/grade level or school building. The district may also specify which buildings will be open to students accepted under this policy based on estimated enrollment, building capacity, and projected future growth.

Tioga Public School District #15 will not deny an application on the basis of previous academic achievement, participation in extracurricular activities, disabilities, English language proficiency or previous disciplinary proceedings.

Tioga Public School District #15 will not give or offer to give remuneration or directly or indirectly exert influence upon the student or the student's family, in order to encourage participation in the open enrollment program for the purpose of having the student participate in varsity athletic activities.

Tioga Public School District #15 business manager or designee will notify the parent or guardian and the resident district of the acceptance or rejection of an application within the deadline established by law.

The District reserves the right for the Superintendent and/or designee to assign the building of attendance or to determine the class schedule for students who are accepted under this policy.

Tioga Public School District #15 will provide transportation to the non-resident student provided the parent/guardian transports the student to a regularly scheduled stop on a current bus route in the Tioga Public School District. Transportation requests may be denied if space is not available for the non-resident student on the regular bus route.

REQUESTS FOR TRANSFER OUT OF THE TIOGA PUBLIC SCHOOLS

Requests by students to transfer to another district from the Tioga Public School District #15 will be approved unless by approving the application the total number of students enrolled in Tioga Public School District #15 decreases by more than 20%. Applications must be submitted to the Superintendent's office at the Tioga High School.

The District will not be responsible for transportation of resident students who have enrolled in other districts through the open enrollment process.
