

**STUDENT ALCOHOL AND OTHER DRUG USE/ABUSE AND SCHOOL-SPONSORED  
SUMMER ACTIVITIES**

The use or possession of alcohol, tobacco, or other chemicals, as defined in *FFA: Student Alcohol and Other Drug Use/Abuse Policy*, within the school's environment is prohibited. Regulations pertaining to the use and/or possession of the above substances are in effect for all activities, athletics, dances, and other school-sponsored events on or off school property. Prohibited substances are to be confiscated and illegal substances turned over to law enforcement authorities.

Disciplinary sanctions, including suspension or expulsion and notification of authorities for prosecution, will be imposed on any student violating the Tioga Public School's *FFA: Student Alcohol and Other Drug Use/Abuse Policy*. An automatic three-day suspension (past practice has been out-of-school suspension) is imposed for students using and/or possessing the above substances on school property or on school-sponsored trips, regardless of whether or not the student is participating in a school activity.

**IT IS THE POLICY** of the Tioga School District that the above shall apply to school-sponsored **summer trips or activities**, such as band, FFA, athletics prior to the beginning of the actual school year or after the end of the actual school year, etc.

High school students will lose six (6) weeks of eligibility for extra-curricular activities. (Such loss of eligibility shall start with the first day of the next school year). The automatic three-day out-of-school suspension shall be imposed at the start of the next school year (the first day of school).

Students who have already graduated but are still involved in a school-sponsored summer activity will be referred to law enforcement.
