Re: Homelessness

Dear Parents and Community Members:

We would like to make sure that all children/youth are receiving an education. If you are aware of any homeless children or youth that are not currently attending school, please notify us.

A homeless individual is someone who lacks a fixed, regular, and adequate nighttime residence. This includes anyone who, due to a lack of housing, lives:

- In emergency or transitional housing
- In motels, hotels, trailer parks, campgrounds, abandoned in hospitals, awaiting foster care
- In cars, parks, public places, abandoned buildings
- Doubled up with relatives or friends (due to economic hardship)
- Migratory children living in these conditions

Homeless children and youth face many barriers and challenges to success in school. There are resources available to aid these children and youth. If you would like more information or would like to make sure someone gets help, please let me know.

Thanks,

Mona Williams
