Agenda
Public meetings of the Board of School Directors follow an agenda guideline set by the state Legislature in the Pennsylvania School Code and are part of the Board Policy. Items on the agenda are recommended by the administration and board members. The President of the Board is elected annually by fellow School Directors and leads all Regular and Special Board Meetings. The Vice President leads meetings in the President’s absence. Board members are selected by the President as Committee Chairs, and they lead the respective Committee Meeting. PUBLIC COMMENT

At Board Committee Meetings, Regular Board Meetings and Special Meetings, the Board offers two Courtesy of the Floor segments. The first Courtesy of the Floor is prior to official action by the Board on agenda items only, and the second Courtesy of the Floor is at the end of each meeting on agenda items and education items only. The Board requires that public participants be residents or taxpayers of this district, anyone having registered a legitimate interest in a contemplated action of the Board, anyone representing a group in the community or school district, any representative of a firm eligible to bid on materials or services solicited by the Board, any district employee or any district student. Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address, and group affiliation if applicable. Speakers are limited to five minutes each. The Board requests that, when possible, all individuals supporting a like position on a topic select a speaker to present their common views to avoid repetition. If that is not possible, all are welcome to speak. It is asked that speakers observe proper decorum, without personal attacks towards a specific individual or individuals. It is not the custom for the Board to enter a dialogue at these meetings about concerns. However, the Board does listen with care to issues raised. Speakers may receive responses by the administration or Board President.

PUBLIC CONCERNS

The Board encourages parents and other residents who have a concern about their children’s education and other school-related problems to first try to resolve them at the level most directly involved – usually the classroom teacher or the principal. If the problem cannot be resolved at the principal level, then the next level would be the Superintendent. The School Board may become involved if the matter concerns a policy or board action. The Board is also accessible via email through the district’s website at www.columbiabsd.org.
