

Prior to the school board meeting their informal conversations with staff. On June 14, 2021 the Cody-Kilgore School Board had ESSER III Stakeholder Input on the School Board Agenda for any community members. The ESSER III Allowable Purchases were presented. Feedback was received from the School Board and the few patrons that were in attendance. After the meeting the minutes were presented and put in the paper. The Superintendent sent the Board Minutes and what can be purchased to the staff. The major purchase was the HVAC system. Other things purchased with the ESSER III dollars include: Reading, Social Studies, and Science curriculum for Middle School. High School Math Curriculum, and the Corrective Reading Program for our Tier III learners.
