EVERY CHILD EVERY DAY

TO: Morgan County Schools Families

FROM: Kristen E. Tuttle, Superintendent

SUBJECT: Closing of Schools Due to Inclement Weather

DATE: January 5, 2022

It's that time of year again that we must consider the weather. If students cannot safely travel to school or if schools are not able to operate safely due to severe weather conditions, school may be cancelled.

As a reminder, Morgan County Schools will use the following schedules and procedures for this year in the event of inclement weather:

- **Days 1-5** will be Non-traditional Instructional Days (NTID). Individual schools and teachers will share their learning plans for those days with families. Students should check Schoology, Class Dojo, etc. as communicated by the teachers.
- **Days 6 and beyond** will be "Traditional Snow Days" with no work to be completed. These days will have to be made up at the end of the school year and will be added to the calendar.

School closures are communicated through phone calls, text messages, social media, local radio and television stations, the Morgan County Schools app and the Morgan County Schools website, www.morganschools.net.
