Please attach your answers to the following questions on separate page(s):

1. Pheasants Forever is a non-profit organization whose mission is to support wildlife conservation, habitat development and restoration, food plot establishment, and youth development. We accomplish our mission through education, extensive “in field” activities, a variety of youth activities, fund raising, and financial support of conservation efforts. Please explain how your career choice, hobbies, and or lifestyle align with the mission of Pheasants Forever.
2. List other activities, both school related and any other accomplishments or special achievements in your high school career.
3. List any student organizations you were involved in and any offices you may have held.
4. Please describe your college educational future and career goals.
5. Include a copy of your high school transcript.
6. Please list any employment you have had in your high school career.

All scholarships must be received by March 30th, 2022 please mail applications to the address below.

We anticipate awarding at least two \$500.00 scholarships. Scholarship recipients will be notified by phone.

Please mail applications to:

Ryan Bowles, Douglas County Pheasants Forever Youth Advocate
971 N CR 450 E, Tuscola, IL 61953
