This is an important message from Katahdin Schools.

At Katahdin Schools student and staff safety is our number one priority. Early this morning we received threatening messages via our Facebook page and school email. The messages were directed at a specific staff member and not student or whole staff related. The authorities have been contacted and are currently investigating the situation.

When the person/people responsible is/are identified they will be held accountable for their actions according to school policy and the law.

If anyone has any information that can support this investigation please contact the school. Thank you.

Marie Robinson
Superintendent of School
