Dear Helaina Marrs:

Thank you for providing input on the 2018-19 LCAP for Mother Lode Union School District. Your input was:

- *1) Part of student achievement is expecting responsibility and accountability. When students display inappropriate behavior stiffer consequence will establish future better behavior for a better learning environment.*
- *4) Staff needs more support when removing students from unsafe environment.*

As we work on Multi-Tiered System of Support (MTSS) for academics, behavior and social emotional, we will continue to implement Positive School Climate (PSC) /Positive Behavior Interventions and Supports (PBIS) (Goals 1, 2 and 3). The CBO and DSSS will work with you and the transportation team to develop strategies and processes that combine elements of PSC/PBIS without compromising safety on a bus.

Sincerely,

Marcy Guthrie, Ed.D.
Superintendent

The Mission of the Mother Lode Union School District is the successful education of every student.
